Multiple stakeholders are being engaged now, including the survey through Greteman Group. Results will be posted on a city website. 12 mini-Keeper of the Plains will be developed, one for 12 parks across the city. They will be designed for the local/neighborhood/park.  Priority concerns and actions were identified from the board, including the following. The board will vote to prioritize these. <ul style="list-style-type: none"> <li>Improve access, including bike/ped access (e.g. Raised Crosswalk between spot near low-income housing). Need to be easy and enjoyable access from all directions, including the school; emphasize connection to the park; Hilltop, senior living, refugee families are neighborhoods surrounding the park, and they need easy access to the park; quality crossings for kids and adults; access points [east, west, north &amp; south] - connect to Mt. Vernon bike lanes on south end of the park</li> <li>Improve circulation pattern for multi-use paths within the park</li> </ul>

Notice – City Council Members may attend this meeting.

		<ul style="list-style-type: none"> <li>• Keep naturalness of the park; save the trees; Keep the natural feel of the park (paths, trees); Keep tree groves. Keep the feeling that this is a retreat from the rest of the city; Leave adequate green space</li> <li>• Large bronze bust of Troy Houtman in the park; probably not Mr. Clapp 😊</li> <li>• Love the walking paths – friendly for ADA accessible for ages and abilities; The paths now are well constructed; keep them, take care of them</li> <li>• Maintain the popular activity of disk golf</li> <li>• Need the right balance between active and passive</li> <li>• Need to address steep erosion</li> <li>• Need to address trash in creek; look for ways to catch the trash and pollution before it gets into the park; widen creek – bring in cattails and have other; create a system, not just a program; Trash coming from QT sediment basin before get into the park. Filter before get this far. Groups adopt the park. Also, quarterly or monthly clean ups. Work with QT to keep out the trash. Part of stewardship program- sponsor non-profit.</li> <li>• Plant native (drought-resistant) perennial pollinators</li> <li>• Plant trees planting along paths</li> <li>• Possible amenity to add - dog poop bags and trash containers.</li> <li>• Possible amenity to add - a cyclocross course</li> <li>• Possible amenity to add - a gazebo</li> <li>• Possible amenity to add - a pump track course</li> <li>• Possible amenity to add – a single track course</li> <li>• Possible amenity to add - bathrooms</li> <li>• Possible amenity to add - bathrooms</li> <li>• Possible amenity to add - benches, tables, picnic tables</li> <li>• Possible amenity to add- drinking water fountains</li> <li>• Possible amenity to add - fitness areas</li> <li>• Possible amenity to add - improve lighting [but shielded from neighbors - when possible]</li> <li>• Possible amenity to add - include a skate park; need activities on the outskirts; maybe on the corners/edges.</li> <li>• Possible amenity to add - mile markers</li> <li>• Possible amenity to add - offer some active zone within the passive park (e.g. playground); no ball fields</li> <li>• Possible amenity to add - pickle ball courts</li> <li>• Possible amenity to add – playground; maybe a playground specifically for kids with disabilities</li> <li>• Possible amenity to add - quality bicycle parking, using Association of Pedestrian and Bicycle Professionals’ approved strategies</li> <li>• Possible amenity to add- a butterfly garden</li> <li>• Possible amenity to add- a second pond</li> <li>• Possible amenity to add- area for paddle boating</li> <li>• Promote activities for multi-generational park users</li> <li>• Retaining as much of the natural creek; “leave the damn creek alone”</li> <li>• Some bridges need to be repaired.</li> <li>• Walking paths are not wide enough for bikes and pedestrians; widen the golf cart paths to 8 or 10 foot wide; maybe put a smaller walking path beside – whatever is the most efficient path for bicyclists and pedestrians</li> </ul>
