

DOWNTOWN WICHITA

LEGEND

-  **Signalized Crosswalk**- A crosswalk with a signal to allow people walking or bicycling to safely cross streets.
 -  **Shared Use Path**- A bikeway located away from motor vehicle traffic designed for use by bicyclists and other non-motorized users.
 -  **Marked Shared Lane**- A roadway marked for use by both motorists and bicyclists.
 -  **Bicycle Lane**- A portion of the roadway dedicated for bicyclists, marked with striping and signage..
 -  **Bikeable Street**- A neighborhood street with relatively low traffic volume that connects with similar streets in other neighborhoods. Longer routes could be formed by connecting these "bikeable" streets.
 -  **Bus Route**- Wichita Transit bus route. A system route map and individual route maps can be viewed online at www.wichitansit.org/Routes/Pages
