

Expand your business with an Open Air ICT permit!

Make it safer to dine and shop! Use the sidewalks, streets and parking lots around your venue for free.

The City of Wichita invites restaurants, bars and retail business owners to apply for an Open Air ICT permit. The permit enables businesses to expand onto their adjacent sidewalks, streets and parking lots to make it easier to social distance. The free permit lasts through August 1, 2021.

The streamlined online application process will have businesses operating in the fresh air in a short period of time and make it easier for customers to dine and shop safely.

The City encourages you to apply today!

The Four Step Process

Step 1 Visit wichita.gov/OpenAirICT to learn more about the program.

Step 2 Click on the “Apply” button and start your online application.

Step 3 The City will respond in a couple of days with a decision.

City staff will contact businesses who qualify to set up an on-site inspection.

Step 4 Prepare your business to expand outdoors and promote it as an Open Air ICT partner by displaying one of these badges on your website.
