

## 2020 Traffic Signalization Program

- **Background** – The Adopted 2019-2028 CIP includes an ongoing project to signalize major intersections, and improve the traffic signals at existing signalized intersections.
- **Analysis** – The 2020 Traffic Signalization Program will be used for design and construction of traffic signals at 37<sup>th</sup> & Tyler, 3400-3500 block of North Rock Road and I-235 & West Street.
- **Financial Considerations/Recommended Action** – The Adopted 2019-2028 CIP includes \$525,000 for 2020 Traffic Signalization. Approve the revised budget and adopt the amending resolution.
