

Wholesale Sanitary Sewage Treatment Services with Oaklawn Improvement District

Public Works & Utilities

January 21, 2020

History

- Water service has been provided to Oaklawn residents by the city since 1967.
- The first sewage treatment agreement was signed in May, 1975
- A 20 year renewal was signed in February, 1997.

New Agreement

- Installation of new sewage flow meter to provide more accurate billing information.
- Beginning with the approval of this new agreement Oaklawn will be billed on actual sewage volume.
- Actual usage will be monitored. If usage exceeds contract estimates, an contract amendment will occur in the future.

Recommendation

- It is recommended that the City Council approve the Wholesale Sanitary Sewage Treatment agreement with the Oaklawn Improvement District and authorize the necessary signatures.
