

Coronavirus Funding Program

Wichita Police Department

May 19, 2020

Coronavirus Emergency Funding Program Solicitation Grant

- Administered by Department of Justice
- Used to assist local governments to respond to coronavirus
- Used to purchase equipment and supplies
- Used to address medical needs of inmates in detention centers

Wichita Police Department will use funds for:

- Purchase of personal protective equipment
- Additional paid leave time for first responders and support staff
- Laptops, Citrix accounts and ongoing costs for WPD staff working from home
- Cell phones for WPD staff to address increased communication needs
- Hotel costs and per diem for WPD staff that need to be isolated due to coronavirus

Wichita Police Department will use funds for:

- The grant will fund an Emergency Manager position to administer WPD's pandemic response efforts.

Wichita Fire Department will use funds for:

- A two-year license for a cloud based equipment management inventory system to assist with tracking, usage and supply of PPE, cleaning products and equipment needed for the pandemic
