

2020 Arterial Sidewalk (All Districts)

Engineering/Public Works and Utilities

June 16, 2020

2020 Arterial Sidewalk

Background:

The 2019- 2028 Adopted Capital Improvement Program (CIP) includes an ongoing project to install sidewalks and wheelchair ramps on arterial streets.

- Arkansas, 41st to 46th Street North
- 37th Street North, Ridge Road to Ridgeport Street
- McCormick and Osage (southwest corner)

Additional locations will be added as funding allows. Consultant design services may be needed at a few locations to address right-of-way acquisition, retaining walls, and pedestrian bridges.

37th Street North, Ridge to Ridgepoint Sidewalk

McCormick and Osage Sidewalk

Arkansas, 41st to 46th Sidewalk

2020 Arterial Sidewalk

Financial Considerations/ Recommended Action:

The 2019-2028 CIP includes General Obligation bond funding of \$450,000 in 2020 for design and construction of wheelchair ramps and arterial sidewalks. At this time, staff requests initiating \$450,000. Approve the project and locations, adopt the resolution, and authorize the necessary signatures.
