

Appeal – Denial of Community Event Permit - Automobilia Car Show

Law Department

July 7, 2020

Application Timeline

- June 4, 2020 – Received application for Automobilia Moonlight Charity Car Show Community Event
- Application was dated April 15, 2020 but not received until June, application not complete
- June 9 -Due to change in event footprint, email sent out to various approvers for any issues with street closures
- June 16 – email to Joshua Blick setting forth missing info, application not put in License Track because still not complete

Timeline, continued

- June 17 – Received some of missing information that was requested
- June 19 – Received liability insurance
- June 23 – Payment for permit received
- June 23 – Heard complaint from business re: street closure and forwarded to Donte Martin
- June 24 – Donte Martin reviewed the application and denied permit based upon public safety risk
- June 25 – Denial letter mailed

Analysis of COVID-19 Data

- Based on data from Sedgwick County, on June 22 we had **250** cases
- July 6 we have **775** cases, **41** from the weekend
- Test results indicate the number of infected persons is growing – the disease is spreading
- A larger portion of the population has become infected based upon percentage of positive tests

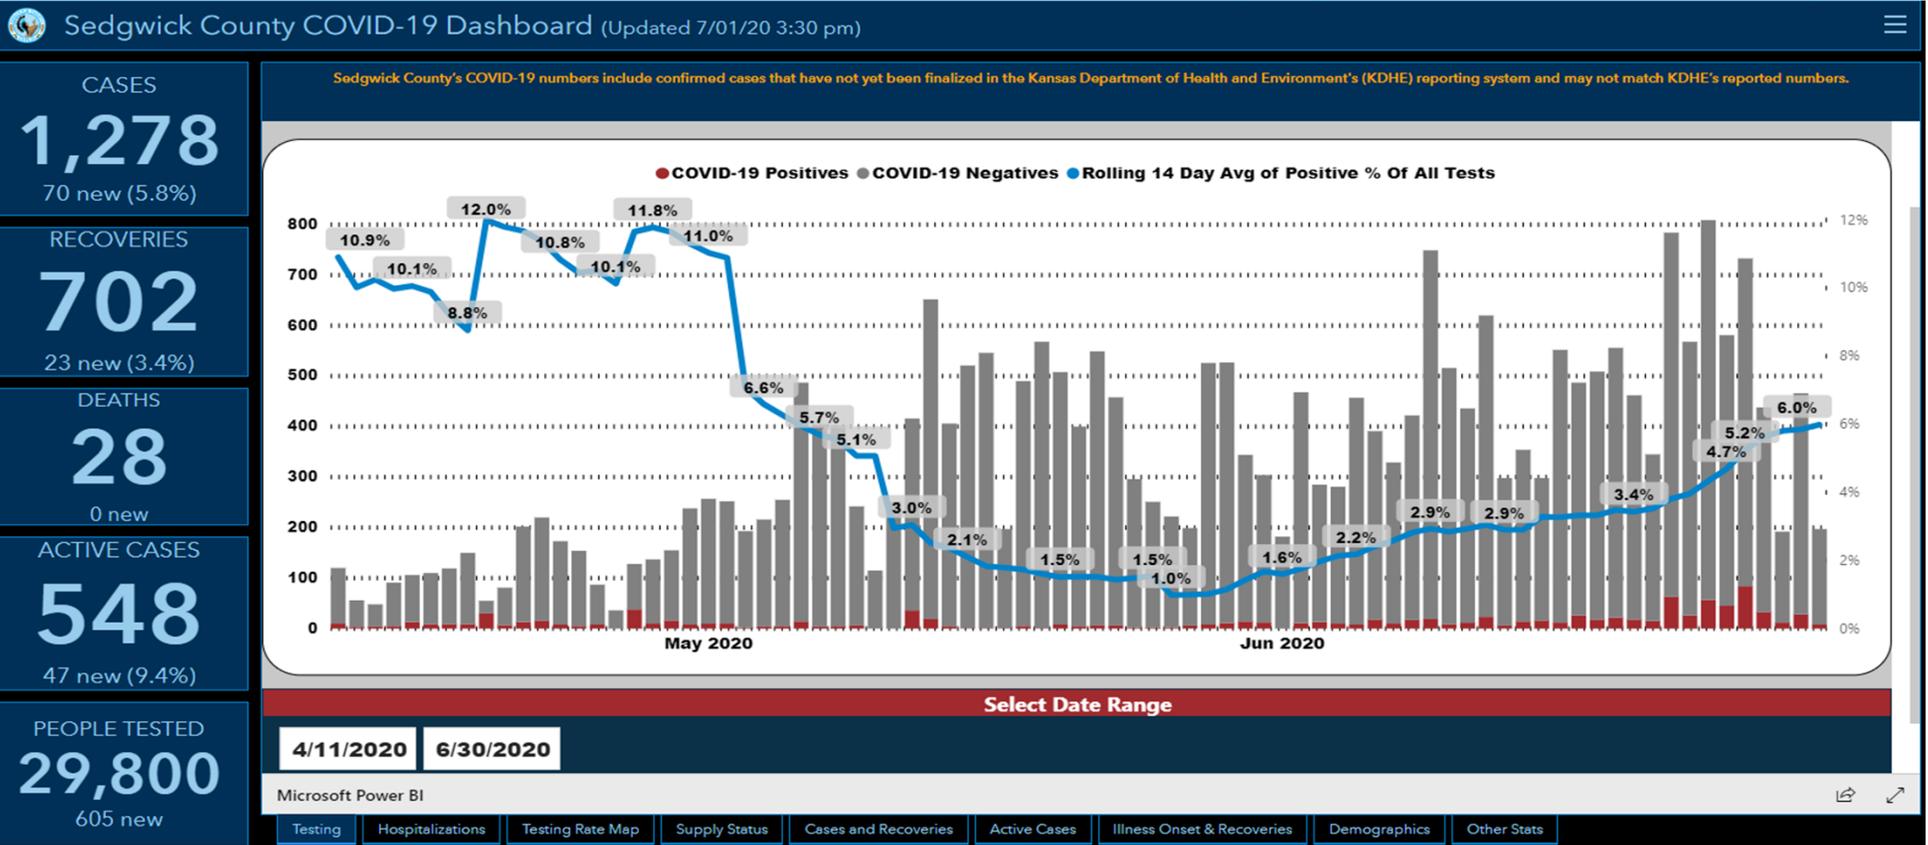

What the Data Indicates:

- Positive test numbers are rising
- A greater percentage of those tested are showing positive
- Public safety concerns require that we mitigate the potential risk of allowing 20,000 people in a confined area
- The prudent action was to deny the community event permit application

SEDGWICK COUNTY COVID-19 (Updated 7/1/20)

Recommendation

- The Automobilia Moonlight Charity Carshow presents a public safety risk, due to the COVID-19 virus
- Based upon this risk, the Community Event Permit application should be denied

Thank You
