

# Section 8 Annual Landlord Meeting

You are cordially invited to attend the annual Landlord Meeting that includes a special presentation from Fair Housing as well as Section 8 program updates.

*The City of Wichita Section 8 Housing Choice Voucher Program is currently assisting over 2,600 households with rent subsidies. Eligible households are provided vouchers that they can use for rental properties. Landlords that accept the vouchers complete their own screening of potential tenants and make determinations about renting their units similar to the background checks they perform for tenants without vouchers.*

*The Section 8 Office has implemented many internal improvements resulting in higher expectations for tenant behavior and property conditions. We are always seeking to expand the housing options for Section 8 Rental Assistance by increasing the number of landlords that accept Section 8 vouchers. In addition to encouraging all current landlords to attend the annual meeting, we are also asking that you invite others who may be interested, to attend.*

*Please plan to attend this year's meeting to learn more about Fair Housing and how you can help meet the needs of the Section 8 Program.*

**Friday, April 12, 2013  
1:00 p.m. at Century II  
Second Floor Room 202 A & B  
225 W. Douglas Avenue**

*Please join us!*
