2. Committee Review and Discussion of Working Draft Community Investments Plan, December 10, 2014 -

Starting with 'Land Use Compatibility' on pg. 23, Committee and staff members continued on with a page-by-page review and discussion of the Plan draft document. The Committee completed its review and discussion and determined that the working draft is now ready for broader public review and comment. Listed below is a summary of the substantive changes/edits of a 'non-formatting' or 'typo' nature requested by the Committee:

- Reword 4(a) on pg. 24 to clarify intent of this guideline
- Reword 1(c) to clarify intent of this guideline
- In 1(d), add "when appropriate" after "Medians shall be used"
- In 1(i) on page 25, replace "corridors" with "targeted arterials, Kellogg freeway," and also replace the word "have" with "should consider the inclusion of"
- On page 26, delete "and administer" from the second sentence from the bottom of the left column
- On page 30, replace the word "excess" with "adequate" in the last paragraph in the left column
- Include the words "and promoting linkages to surrounding cities in the County" in Goal 2, Strategy B on page 31
- Add "protecting the City's urban forest in public areas" to Goal 1, Strategy F on page 33
- Replace the graphic on page 37
- Replace "should" with "if" and "be" with "is" in Item f) on page 40
- Replace "To what degree are we allocating funding" with "Does this project allocate funding" in the last bullet at the bottom of page 40
- Add the following as a new bullet to the bullet list on page 41, "To what extent are the capital projects coordinated with market-driven development?"
- Spell out the acronyms on pages 42 and 44
- Insert "Agricultural land is an important natural resource." in the 'Agricultural or Vacant' land use category section on page 21
