Dear Mr. Secretary,

I write in support of the Transportation Investment Generating Economic Recovery (TIGER) grant proposal, Multi-Modal Transportation Connections for Wichita State University Innovation Campus, submitted by the City of Wichita, Kansas.

This grant will enable the City of Wichita to continue to improve and expand access to the new Wichita State University Innovation Campus through improvements to 17<sup>th</sup> Street North, Oliver Avenue, and transit routes adjacent to the Innovation Campus. A new bus route will be expanded to connect the Innovation Campus to Wichita State University's new Old Town Campus, major employment and shopping centers, and park and ride locations. In addition, a new transit hub will be constructed to support a bike share plan, connecting the Innovation Campus to the existing Redbud pathway system. The Innovation Campus is a vital part of the Wichita community's plan for economic growth and serves as a catalyst for the expanding firms, networks, and traded sectors that drive broad-based prosperity.

I am pleased to support the City of Wichita in this initiative and look forward to the continued success of this project. If you have any questions regarding this application, please don't hesitate to let me know. I appreciate your time and consideration.

Sincerely,

A handwritten signature in black ink that reads "Kevin".
