Conversion of Public Housing to Project Based Assistance under RAD. The Kansas City HUD Field Office approved WHA's Significant Amendment to its 2018 Annual Plan that was submitted in December 2017. HUD awarded the WHA with Commitment to enter into a Housing Assistance Payment (CHAP) Contract on each of its four Asset Management Projects (AMPs) covering all 578 public housing dwelling units. The units will convert to Section 8 Project Based Rental Assistance. AMPs KS004000001, KS004000002, KS004000003, and KS004000004 should close in 2019 or 2020. A description of the units, bedroom distribution and types of units follows:

KS004000001

2 Elderly-only High rise buildings – 176 units
 167 1BR units

<p>B.3</p>	<p>Civil Rights Certification.</p> <p>Form HUD-50077, <i>PHA Certifications of Compliance with the PHA Plans and Related Regulations</i>, must be submitted by the PHA as an electronic attachment to the PHA Plan.</p>
<p>B.4</p>	<p>Most Recent Fiscal Year Audit.</p> <p>(a) Were there any findings in the most recent FY Audit?</p> <p>Y N <input checked="" type="checkbox"/> <input type="checkbox"/></p> <p>(b) If yes, please describe: Finding 2018-001- CFDA #14.871/#14.879: Potential HCV applicants were selected from the waitlist and invited to complete formal applications. Process includes an eligibility determination and income verification. Family household characteristics and/or income could change between the time participants are deemed eligible and the time they receive a voucher and find housing. As a result re-verification should occur prior to lease-up to ensure potential participants are eligible for the program.</p>

New Section 8 Housing Choice Voucher program employees are currently trained on the importance of eligibility determination and income verification at the various stages of the process. Refresher training will also be provided in the future to all program staff, prior to waitlist draws, to ensure staff is knowledgeable about the requirements and processes for eligibility determination and income verification. A new Lease-Up Checklist has been developed. Of the participants noted in the finding, one has terminated from the program for being on full rent for six months and the other remains a current participant with income meeting the income-eligible criteria.

Finding 2018-002-CFDA #14.871/#14.879: Research was conducted for the 2018 annual review of utility allowances and provided to the Housing Manager, but was unable to be located when requested as the most information for trash service costs was obtained via telephone rather in written form. Trash rates were obtained from the three major haulers in the Wichita area and rates had not changed more than 10 percent. A process will be implemented requiring utility allowances to be reviewed and updated, if necessary, during all participant interim and annual reviews. This will ensure that any errors in computation are identified and updated as soon as possible. Also research will be done to determine if it would be feasible for the City’s system to be modified to automatically compute utility allowances based on voucher size rather than unit size. Utility allowances have been re-calculated and updated in the City’s system for those participants noted in the finding.

B.5 Progress Report.

Provide a description of the PHA’s progress in meeting its Mission and Goals described in the PHA 5-Year and Annual Plan.

Mission: To promote adequate and affordable housing, economic opportunities, and suitable living environments free from discrimination.

Goals

- **Expand the affordable housing supply**
WHA applied for VASH vouchers when they were available and currently has 208
- **Maintain good housing management scores**
The HCV program is a High Performer and the PH program is a Standard Performer
- **Promote Self-Sufficiency**
 - The HCV Family Self-Sufficiency has 180 participants with 32 graduates. By the end of 2019, 15 participants will have become first-time homebuyers.
 - Public Housing has had Resident Opportunities and Self-Sufficiency Service Coordinator grants throughout the five-year period. The Service Coordinator served the senior and senior/persons with disabilities living in WHA’s multifamily apartments. The service coordinator arranged for commodities, helped residents find housekeeping services that enabled them to age in place rather than lose their housing due to lease violations, and provide education on a variety of topics. One of the agencies that provided socialization services as an in-kind match for the ROSS-SC grants hosted group meals near holidays.
 - Individual and Family Development is a program designed to help participants become financially literate and save money. Sixty-three HCV families participated and 42 Public Housing residents.
 - Summer Youth Employment. The Way to Work (TWTW) has been a very successful program for youth between the ages of 14-17. Most are children whose parents or guardians receive housing assistance from WHA. An average of 105 youth per summer become City of Wichita Housing Authority employees for about six weeks. In addition to working in age-appropriate jobs, they receive remedial education course work that helps them function in the workforce and in school when they return in the fall. TWTW teaches participants soft employment skills including, but not limited to, how to write a resume, how to interview, and on-the-job behavior.

B.6	<p>Resident Advisory Board (RAB) Comments.</p> <p>(a) Did the RAB(s) provide comments to the PHA Plan?</p> <p>Y N <input checked="" type="checkbox"/> <input type="checkbox"/></p> <p>(c) If yes, comments must be submitted by the PHA as an attachment to the PHA Plan. PHAs must also include a narrative describing their analysis of the RAB recommendations and the decisions made on these recommendations.</p> <p>Wichita Housing Authority staff reviewed the Annual Plan and the Five-Year Plan content as well as the estimated 2020 Capital Fund Program grant based on the 2019 Capital Fund grant. Staff reviewed past and future goals and objectives and past outcomes. The Housing Authority proposes to revise several HCV policies. The proposed revisions include Biennial Inspections, Reexaminations for families with fixed-assets, and voucher termination policy in the event the WHA doesn't have enough funding to sustain its vouchers. Most of the discussion focused on the latter topic. The general consensus among residents was to terminate vouchers for 1) families that owe the WHA money and 2) vouchers that cost the WHA the most money. They hoped elderly and persons with disabilities could be spared from losing their vouchers. Other topics included relocation plans for public housing residents when WHA transitions to RAD, and how the RAD process is progressing.</p>
B.7	<p>Certification by State or Local Officials.</p> <p>Form HUD 50077-SL, <i>Certification by State or Local Officials of PHA Plans Consistency with the Consolidated Plan</i>, must be submitted by the PHA as an electronic attachment to the PHA Plan.</p>
B.8	<p>Troubled PHA.</p> <p>(a) Does the PHA have any current Memorandum of Agreement, Performance Improvement Plan, or Recovery Plan in place?</p> <p>Y N N/A <input type="checkbox"/> <input type="checkbox"/> <input checked="" type="checkbox"/></p> <p>(b) If yes, please describe:</p>
C.	<p>Statement of Capital Improvements. Required for all PHAs completing this form that administer public housing and receive funding from the Capital Fund Program (CFP).</p>
C.1	<p>Capital Improvements. Include a reference here to the most recent HUD-approved 5-Year Action Plan (HUD-50075.2) and the date that it was approved by HUD.</p> <p>According to the HUD's Energy and Performance Information Center (EPIC) WHA's 2018-2022 Five-Year Action Plan was approved on August 13, 2018.</p>
