City of Wichita
Ordinance 490441

To: Alan King, director of Public Works

Subject: Priority Sidewalk Segments for Construction

At the September 14, 2015 meeting of the Wichita Bicycle and Pedestrian Advisory Board a motion was unanimously approved to recommend the sidewalks highlighted in yellow on the attached Sidewalk Prioritization Table as the top priority locations for new arterial sidewalks to be installed in Wichita. This list of projects was developed using community input collected through Facebook and Activate Wichita, and guidance in the Wichita Pedestrian Master Plan. The construction of these priority sidewalk segments will help implement the Wichita Pedestrian Master Plan Strategy 4, which recommends that the City reduce pedestrian exposure to traffic by providing arterial sidewalks.

The Board would be happy to discuss our recommendation with you.
