CITY OF WICHITA, KANSAS

SOIL SAMPLE/TEST VERIFICATION

Wichita Foundation, Basement & Slab-on-grade Standards for One & Two Family Dwellings
(August 30, 2011 Edition, Adopted September 23, 2011)

This Soil Sample/Test Verification form must be completed and submitted to the Office of Central Inspection (OCI), 7th Floor of City Hall, 455 N. Main Street, Wichita, Kansas 67202, with any building permit application for a new one or two family dwelling, or for any habitable addition to an existing one or two family dwelling.

OCI *Phone: (316) 268-4460* *OCI Fax: (316) 268-4663* *OCI Web site: www.wichita.gov/oci*

Supporting document/s, including the results of at least two (2) soil sample tests for soil samples taken from the below-identified building pad site, shall be attached to this verification form. Soil sample testing must be performed, completed and certified by a qualified soils testing company or individual.

Building Permit Number (OCI staff will fill this in): _____

Address: _____

Legal Description: Lot(s): _____ Block: _____

Addition: _____

Lot Owner: _____

I hereby verify that the attached soil test results were provided for soil samples taken from native soil in an area under the proposed building pad for the one or two family structure (or habitable addition) to be erected on the above-identified site. The soil samples were taken, and the soil tests were completed in accordance with the *Wichita Foundation, Basement & Slab-on-grade Standards for One & Two Family Dwellings (August 30, 2011).*

Permit Applicant (Company or Individual):
