

“Requirements for Purchase of Refrigeration Condensing Unit.”

(a) It shall be unlawful for any licensee, his agents or employees to purchase any refrigeration condensing unit or component thereof from any person, unless the unit has affixed to it a hang tag, in a form approved by the Chief of Police. Such tag must be signed by a technician licensed by the Environmental Protection Agency to remove refrigerant from such devices. The tag shall state that the technician has either removed the refrigerant in accordance with federal law or upon examination of the unit has found it to be devoid of any refrigerant.

(b) It shall be unlawful for any person to sell a refrigeration condensing unit without the appropriate Wichita Police Department Hang Tag, properly certified by a technician licensed by the Environmental Protection Agency.

(c) The provisions of subsections (a) and (b) shall not apply to the purchase of air conditioning condensing coils from any general mechanical, plumbing or electrical contractor licensed by the Code of the City of Wichita. Payment for the purchase of such coils shall be made by a pre-numbered check drawn on the regular bank account for the licensed scrap metal dealer and made payable to the contractor’s company or corporation.”

SAMPLE TAG IS LISTED BELOW:

CERTIFICATION OF REFRIGERANT EVACUATION

The below signed person is licensed by the E.P.A. to remove refrigerant from refrigeration devices and attests that this item was either found to be devoid of refrigerant or the refrigerant was lawfully removed.
