## Departmental Organization Chart

### FINANCE

\* Position included with Director's Office  
 \*\* Position included with Controller's Office  
 ^ Non-locally funded positions

Total Positions/Full-Time Equivalent = **73 / 72.25 FTE**

**The Keeper of the Plains sculpture raises his face toward the sky and lifts his arms in supplication to the Great Spirit.**

### **THE KEEPER OF THE PLAINS...**

A symbol of Wichita and Sedgwick County, this majestic 44-foot sculpture was designed by Blackbear Bosin (1921-1980), a Kiowa-Comanche and internationally recognized artist, muralist and designer. On May 18, 1974 a ceremony took place to dedicate the Keeper, which was designated as a Wichita Bicentennial project. The project was rededicated to the community on the 33rd anniversary of that Bicentennial project date. The 5-ton sculpture was placed at the confluence of the little and big Arkansas Rivers, which is considered a sacred site by Native Americans and was home to the Wichita tribe for many years.

A 2006 project to elevate the sculpture on a 30-foot rock promontory so it could be seen from farther away was completed and officially dedicated by Mayor Carl Brewer and the City Council on May 18, 2007.

**The Keeper of the Plains sculpture raises his face toward the sky and lifts his arms in supplication to the Great Spirit.**

### **THE KEEPER OF THE PLAINS...**

A symbol of Wichita and Sedgwick County, this majestic 44-foot sculpture was designed by Blackbear Bosin (1921-1980), a Kiowa-Comanche and internationally recognized artist, muralist and designer. On May 18, 1974 a ceremony took place to dedicate the Keeper, which was designated as a Wichita Bicentennial project. The project was rededicated to the community on the 33rd anniversary of that Bicentennial project date. The 5-ton sculpture was placed at the confluence of the little and big Arkansas Rivers, which is considered a sacred site by Native Americans and was home to the Wichita tribe for many years.

A 2006 project to elevate the sculpture on a 30-foot rock promontory so it could be seen from farther away was completed and officially dedicated by Mayor Carl Brewer and the City Council on May 18, 2007.

**The Keeper of the Plains sculpture raises his face toward the sky and lifts his arms in supplication to the Great Spirit.**

### **THE KEEPER OF THE PLAINS...**

A symbol of Wichita and Sedgwick County, this majestic 44-foot sculpture was designed by Blackbear Bosin (1921-1980), a Kiowa-Comanche and internationally recognized artist, muralist and designer. On May 18, 1974 a ceremony took place to dedicate the Keeper, which was designated as a Wichita Bicentennial project. The project was rededicated to the community on the 33rd anniversary of that Bicentennial project date. The 5-ton sculpture was placed at the confluence of the little and big Arkansas Rivers, which is considered a sacred site by Native Americans and was home to the Wichita tribe for many years.

A 2006 project to elevate the sculpture on a 30-foot rock promontory so it could be seen from farther away was completed and officially dedicated by Mayor Carl Brewer and the City Council on May 18, 2007.
