In 2008, the City of Wichita and Sedgwick County launched a Housing First program for chronically homeless persons in the community, which is a strategy identified in the 10 year Plan to End Chronic Homelessness. City and County funds are used to pay rent, utilities and moving costs. The CDBG activity has funded the staff person who oversees the program. At the end of the program year 41 persons were housed. The annual goal is 64.

Year # Benefiting

2008	8	Funds were used to support a special youth employment program. The program's goals were to employ neighborhood youth to clean up debris and brush, and provide them with personal development classes one day/week. Many positive testimonials were offered by neighborhood residents as to the impact the youth made on their community. This part of a larger program to revitalize a low income area by addressing infrastructure and human development needs.
