

**Wichita Board of Appeals of
Refrigeration, Air-Conditioning,
Warm Air Heating and Boiler
Minutes
Thursday, December 18th, 2008**

Present: Frank Rash, Ray Frederick, Randy Holm, Carl Hanna, David Hughes and Gary Highfill

Absent: John Shepherd

Staff: Sharon Dickgrafe, w/ Law Department; Stoney Nethercot w/ Central Inspection; Kurt Schroder, w/ Central Inspection; Carla Rodriguez, w/ Law Department; and Kim Mudd, w/ Central Inspection

Guests Present: Dan Leidy, w/PACK and Lonny Wright

Chairman, David Hughes called the meeting to order.

Gary Highfill, seconded by Ray Frederick, moved to accept the October 23rd, minutes, as read, motion carried 5 - 0.

Review and discussion on the new mechanical permit form, suggestions were made. No action taken.

Randy Holm arrived.

Discussion was held on the single layer grease duct wrap, as of January 1st, 2009, it would not be accepted, unless labeled ASTM E 2336. An alternative would be a 2 layer wrap that meets the ASTM E 2336 regulations. After discussion, Ray Frederick, seconded by Frank Rash moved that the new standards for grease duct wrap would start to be enforced as of June 1st, 2009, according to the 506.3.10 code, motion carried 6 – 0.

Discussion was held on dishwashers and chemical hoods less than 150 degrees, Stoney Nethercot, would do more research and report back, no action taken.

Discussion was held on condensing dryers and no action was taken.

Discussion was held on hoods at restaurants that use wood chips, charcoal, etc., must have an appliance with a type one hood. No action taken.

Discussion as held on different types of continuing education classes, no action taken.

Ray Frederick, seconded by Gary Highfill, moved to adjourn the meeting, motion carried 6 – 0.

Respectfully submitted,
Kim Mudd
