Reservations must be made with one week notice to allow adequate time to secure staff. Payment may be made with a check only if being accepted two weeks or more prior to the rental. This will allow sufficient time for the check to clear the bank. No exceptions will be made to this.

CANCELLATION:

In the event of in-climate weather and the renter is unable to utilize the facility, the renter will be presented with the option of cancelling and receiving a full refund or transferring the rental to another available date. The decision to cancel will be made at least one hour prior to start.

A \$50 refundable deposit is required on all rentals. The deposit will be refunded as long as the renter abides by all rules and regulations. The refund process typically takes between 7-12 days and is mailed directly to the renter.

Renters are required to follow all of the established pool rules. This includes, but not limited to; diving board/slide rules, diving rules, proper swimsuit attire, no flotation devices, no fundraising or solicitation of funds and etc. Renters may bring their own food & non-alcoholic drinks, but must be kept in the designated area.
