

# The City of Wichita is looking for volunteers!

*Schedule an air sample test to check  
your indoor air quality!*

For a **limited time this winter**,  
the City will be collecting air  
samples in homes in your area.

## Why schedule a test?

1. This valuable testing is **FREE** to  
you under this *limited* offer.
2. It is **FAST**. It takes us only a few  
minutes to set and pick up the air  
samplers.
3. The results are **IMPORTANT**.  
They let you check the air quality  
in your home.

Please help us, your  
community and yourself by  
**calling today** for more  
sampling details or to schedule  
your air sampling. See reverse  
side for phone number.
