Said pavement shall be constructed of the material in accordance with plans and specifications provided by the City Engineer.

SECTION 2. That the cost of said improvements provided for in Section 1 hereof is estimated to Six Hundred Twenty-Three Thousand Dollars (\$623,000) exclusive of the cost of interest on borrowed money, with 100 percent payable by the improvement district. Said estimated cost as above set forth is hereby increased at the pro-rata rate of 1 percent per month from and after December 1, 2006 exclusive of the costs of temporary financing.

Where the ownership of a single lot or tract is or may be divided into two or more parcels, the assessment to the lot or tract so divided shall be assessed to each ownership or parcel on a square foot basis. Except when driveways are requested to serve a particular tract, lot, or parcel, the cost of said driveway shall be in addition to the assessment to said tract, lot, or parcel and shall be in addition to the assessment for other improvements.

SECTION 5. That payment of said assessments may indefinitely be deferred as against those property owners eligible for such deferral available through the Special Assessment Deferral Program.
