Two Injured in Early Morning Traffic Crash

Two people were injured in a vehicle crash in northeast Wichita early today.

At approximately 2:15 a.m. on Friday, April 2nd Wichita Police officers were dispatched to the scene of a vehicle crash at the intersection of Douglas and Grove streets. When they arrived they found two people had sustained injuries while riding in a white 2003 Chevrolet pickup.

The investigation into the crash determined that the truck was traveling northbound on Grove when the driver lost control of the vehicle, swerved, hit a curb then a streetlight and rolled over. A man in his early 20s was ejected from the truck and sustained serious head injuries. An 18-year-old man who was also an occupant of the truck sustained cuts, bruises and facial fractures. Both men were taken to Wesley Medical Center where they are being treated.

At this time detectives are trying to determine which one of the two occupants of the truck was the driver. Other circumstances of the crash are also still under investigation.
