

## **Phase VI—Tri-Jurisdictional Task Force**

### **6.1 Purpose of the Tri-Jurisdictional Task Force**

The Steering Committee recommends that the Managers of City of Wichita, the City of Derby and Sedgwick County create a Tri-Jurisdictional Task Force to continue efforts to coordinate the future growth and servicing issues that may develop over time. The Task Force would meet once a year, (or more often as needed) and would consist of one person from each jurisdiction that is familiar with these issues. Although this Plan provides land use guidance, there are some unresolved issues that the Committee felt that it was too early to make any further decisions. At this time, it is recommended that the water agreement not be modified between Wichita and Derby, and that annexations continue to occur as the market demands. This annual meeting would allow Wichita, Derby, and Sedgwick County the ability to continue coordinating these efforts and the ability to potentially recommend amendments to the Plan if necessary.
