

## Food Handler Classes

Food handler cards are required for all persons working or volunteering in a food service establishment in Wichita (Chapter 7.20 of the Municipal Code of the City of Wichita). Other cities or counties may have differing requirements.

Food Handler Classes are normally held on the **first and third Saturday** of each month at **8:30 AM** and **12:30 PM**, and on the **first and third Monday** of each month at **8:30 AM (Spanish)**, **12:30 PM** and **6:00 PM**. In the event that a holiday falls on a regularly scheduled class day, or due to staffing needs, the class will be moved to that day in the following week.

Students need only attend one session. A class is approximately 2-hours in length and students will receive a Food Handler Card at the conclusion of the class. There is no fee for taking the class. However, there is a \$2.00 fee for replacement cards.

**PRE-REGISTRATION IS REQUIRED.** Please register online 24-hours in advance of the course selected at [www.wichita.gov](http://www.wichita.gov). **However, if you need an interpreter for American Sign Language, a two-week notice is needed.** If you are unable to register online, please call Environmental Health at (316) 268-8351. **Pre-registrations left on the after hours line will not be accepted.**

If you pre-register, you must check in at least 15 minutes prior to the start of the class. Unclaimed seats will be released at that time.
