

2017 Water Conservation Rebate Program HIGH EFFICIENCY DISHWASHER REBATE

High Efficiency (HE) Dishwasher Rebate: \$100.00 for a new high efficiency dishwasher that is installed and replaces an inefficient model (New Construction isn't eligible).

Rebate is available for all customers having active accounts with the City of Wichita Public Works and Utilities for delivery of potable water.

Specifications

The standard HE Dishwasher must be Energy Star® labeled or meet the CEE Tier 1© water use standard of 4.25 gallons per cycle or less. A compact dishwasher must use 3.5 gallons per cycle or less. For a list of qualifying devices visit the web page: www.savewichitawater.com. Please contact Environmental Health Division at 316-268-8351 for commercial dishwasher specifications.

Instructions

- The HE Dishwasher must be purchased and installed between Jan. 1, 2017 and Dec. 31, 2017. Rebate is available on a first come, first served basis subject to funds availability.
- Mail the rebate application along with the required information to the address at the bottom of this page. You have 90 days after date of purchase in which to mail the application and required information in for the rebate.
- Original copies of required information must be provided to verify purchase and installation. *Failure to provide the required information will result in the rebate request being denied.*
- Required information *must* accompany the application and this includes:
 1. Original invoice or sales receipt showing the date and place of sale, date of installation (if completed by contractor), along with an itemized description of purchase and cost of item.
 2. Original proof of purchase with complete barcode, if self-installed.
- An inspection may be required, and the HE Dishwasher must be properly installed and functioning at the time of inspection.
- There is a limit of 5 qualifying devices per active Water Utilities account, mixed or matched.
- An old dishwasher must be properly disposed of in a manner that will prevent reuse of the appliance. Please recycle it if at all possible.
- Rebate amount will not exceed the actual purchase price of HE dishwasher, and excludes taxes and costs of installation.
- Rebates will be credited to applicant's Water Utility account.

Please mail or deliver the rebate application to:

**City of Wichita, Environmental Health
Attention: Water Conservation Rebate Program
1900 E 9th St, Wichita Ks 67214**

Please retain a copy of all materials submitted for your records. The City of Wichita is not responsible for materials lost by mail. If you have any questions please call 316-268-8351.

****Residential Dishwasher Approved List comes after this page****

2017 CEE Qualifying Residential Dishwashers

The list is updated monthly. See the CEE website (www.cee1.org) for the most recent listing.

NOTES:

**Water Consumption: must be 4.25 gallons per cycle or less (standard)
must be 3.5 gallons per cycle or less (compact)
labeled Energy Star**
