

2019 Water Conservation Rebate Program HIGH EFFICIENCY URINAL REBATE

High Efficiency (HE) Urinal Rebate: \$100.00 for a new 0.5 gallons per flush (gpf) HE urinal that is installed and replaces an existing high-volume toilet (1.5+ gpf) in buildings built prior to 2005.

Rebate is available for all customers having active accounts with the City of Wichita Public Works and Utilities for delivery of potable water.

Specifications

The high efficiency (HE) urinal must be WaterSense certified and use 0.5 gallon per flush (gpf) or less (i.e. waterless), and be on the approved list of qualifying devices found at:

www.savewichitawater.com.

Instructions

- The HE urinal must be purchased and installed between Jan. 1, 2019 and Dec. 31, 2019. The rebate is available on a first come first served basis, subject to the availability of funds.
- Mail the rebate application along with the required information to the address at the bottom of this page. You have 90 days after date of purchase in which to mail the application and required information for the rebate.
- Original copies of required information must be provided to verify purchase and installation. *Failure to provide the required information will result in the rebate request being denied.*
- Required information ***must*** accompany the application and this includes:
 1. Original invoice or sales receipt showing date and place of sale, date of installation, along with an itemized description of purchase and cost of item. Original installation receipts must be provided if installation is not completed by company of purchase. Carbon copies count as the originals. Online purchases, submit printout of final invoice and original packing or delivery slip. Photocopies will not be accepted.
 2. Original proof of purchase with complete barcode, if self-installed.
- No permit is required for installation of replacement urinals.
- An inspection may be required and HE urinal must be properly installed and functioning at the time of inspection.
- There is a limit of 5 qualifying devices per active Water Utilities account, mixed or matched.
- An old urinal must be properly disposed of in a manner that will prevent its reuse. Please recycle it if at all possible.
- Rebate amount will not exceed the actual purchase price of HE urinal, and excludes taxes and costs of installation.
- Rebates will be credited to applicant's water utility account.

Please mail or deliver the rebate application to:

**City of Wichita, Environmental Health
Attention: Water Conservation Rebate Program
1900 E 9th St, Wichita Ks 67214**

Please retain a copy of all materials submitted for your records. The City of Wichita is not responsible for materials lost by mail. If you have any questions please call 316-268-8351.

******Low Flow Urinal Approved List comes after this page******

2019 Low Flow Urinals

NOTES:

***gpf: must be 0.5 or less
replacing high-volume toilet (1.5+ gpf) in buildings built prior to 2005**
