

CONSTRUCTION AND MAINTENANCE PROJECTS

Week of September 15 to September 22, 2017

This report is available online at http://www.wichita.gov (under the "Streets" link, then "Construction Bulletin") Report malfunctioning streetlights to traffic@wichita.gov; please include an address and pole number, if possible.

As with any construction project, closures & detours may vary both in duration and location.

Timeframes are tentative and subject to change. Please plan accordingly.

If a Project Engineer is unavailable, please contact Construction Division Manager: Steve Degenhardt, (316) 268-4043.

I. STREET, HIGHWAY, BRIDGE and OTHER PROJECTS WITH MAJOR TRAFFIC IMPACTS

District 1 (Williams)

- 21st and Oliver Intersection: The project will add dual left turn lanes and dedicated right turn lanes in all directions with improved drainage at the intersection. New signals, brick pedestrian crosswalks, sidewalks and 10' multi-purpose path will be constructed. Traffic Impact: Traffic on both 21st St. and Oliver is reduced to one lane in each direction with no left turns allowed at the intersection. Contractor: Cornejo & Sons City Contact: James Wagner (268-4047 / jwagner@wichita.gov) Estimated completion: Fall 2017
35th & Oliver Signalization: The project will add signalization to the 35th and Oliver intersection. Oliver Street will be widened to add a southbound left turn lane to 35th Street. The project also includes new sidewalk and wheelchair ramps at the intersection. Traffic Impact: Oliver and 35th is reduced to one lane of traffic in each direction. Left turns are restricted for southbound Oliver at 35th. Contractor: Cornejo & Sons City Contact: James Wagner (268-4047 / jwagner@wichita.gov) Estimated completion: Late 2017
37th, Oliver to Woodlawn: The project will widen 37th Street from a two-lane to a three-lane roadway with curb and gutter, and an underground storm sewer. The project also includes on-street bike lanes and sidewalk along both sides of the street. Traffic Impact: 37th is open to one lane of traffic in each direction. Intermittent flagging of traffic may occur during work hours. Contractor: Flint Hills Materials City Contact: James Wagner (268-4047 / jwagner@wichita.gov) Estimated completion: Fall 2017
Green Street Bikeway: The project will add shared bicycle lanes from 1st and Grove to 18th and Hillside at Wichita State. Traffic Impact: Temporary lane closures are necessary on Central, east of Grove and west of Hillside for installation of pavement markings. Contractor: Barkley Construction City Contact: James Wagner (268-4047 / jwagner@wichita.gov) Estimated completion: Fall 2017

Week of September 15 to September 22, 2017

- **17th Street North, Hillside to Oliver:** This project will add additional water and storm sewer lines along 17th Street. 17th will also receive pavement patching and an asphalt overlay. New pavement markings will be placed, converting 17th from a 4 lane to 3 lane with bike lanes.
Traffic Impact: 17th Street is reduced to one lane in each direction between Hillside and Oliver.
Contractor: *Kansas Paving* City Contact: *Kyle Kerns* (268-4044 / kkerns@wichita.gov)
Estimated completion: Fall 2017
- **Woodlawn, Central to 13th Street North:** This project will place a surface treatment over the existing pavement. This process will be applied in two steps with a few weeks in between coats for curing. New pavement markings will be installed once final wearing surface has cured.
Traffic Impact: Temporary lane closures will be necessary during placement of pavement markings.
Contractor: *Vance Brothers* City Contact: *Kyle Kerns* (268-4044 / kkerns@wichita.gov)
Estimated completion: Fall 2017
- **Douglas and Hydraulic Intersection:** The project will add left turn lanes and reduce Hydraulic to one lane in each direction. New signals, brick pedestrian crosswalks, sidewalks, and landscaping amenities and enhancements will be provided for pedestrian safety.
Traffic Impact: Hydraulic is closed north and south of Douglas. Access to local businesses will be maintained during road closure. Through traffic will detour to Washington at Waterman and First and Second Streets. Douglas will be one lane each direction at all times. Left turns will be restricted at the intersection during construction.
Contractor: *Cornejo & Sons* City Contact: *Greg Baalman* (268-4048 / gbaalman@wichita.gov)
Estimated completion: Late 2017

District 2 (Meitzner)

- **Kellogg and Webb Interchange:** Kellogg will be improved to a six-lane freeway with an interchange at Webb Road. The project improvements include the following: one-way frontage roads on the north and south sides of Kellogg; Webb Road Bridge over Kellogg; new traffic signals at Webb and at Corporate Hills; six-foot sidewalks; aesthetic enhancements; waterline, sanitary sewer, and storm water improvements; and landscaping following construction. KTA exit 50 will remain open but with modified access from the frontage road and not directly from Kellogg. Direct connections to the KTA will be constructed with the Greenwich Project. Please go to www.eastkelloggimprovements.com for additional project information. Regular project updates can be found on Twitter @E54ICT.
Traffic Impact:
 - Speed limits are reduced to 40 mph on Kellogg and 30 mph on Webb throughout the construction zone.
 - The existing south frontage road between Eastern and Cypress is now two-way traffic. Cypress no longer has access to Kellogg.
 - Eastbound Kellogg is shifted to the new south frontage road.
 - Westbound Kellogg is shifted to the new north frontage road.
 - No left turns at Webb for any direction.
 - o For eastbound traffic wanting to go north on Webb, proceed to the U-turn traffic light ½ mile east of Webb.
 - Access to and from the KTA
 - o Eastbound Kellogg: to access the KTA, proceed to K-96 (2 miles east of Webb) and then use the exit for I-35/127th. The toll plaza near Webb is still open with access only from the south frontage road; there is no longer direct access from Kellogg.
 - o Westbound Kellogg: to access the KTA, proceed to Rock Rd and make a U-turn and stay on the south frontage road.
 - o KTA traffic exiting at Exit 50: to go westbound on Kellogg, proceed east after exiting the turnpike and use the U-turn ½ mile east of Webb.
- Contractor: *Wildcat Construction* City Contact: *Mike Armour* (268-4598 / marmour@wichita.gov)
Estimate completion: Late 2019

Week of September 15 to September 22, 2017

- **Kellogg, Greenwich and I-35 Interchanges:** Kellogg will be improved to a six-lane freeway with an interchange at Greenwich Road and new interchange connections to I-35 (KTA). The connections to I-35 will allow access for EB Kellogg to NB & SB I-35, and for SB I-35 to WB Kellogg. The project improvements include the following: Kellogg bridges over Greenwich, Zelta, and I-35; interchange ramps to I-35; one-way frontage roads on the north and south sides of Kellogg; connection of 127th (south of Kellogg) to Zelta with a bridge over I-35; new traffic signals to replace existing signals at Greenwich, Zelta and the entrance to One Kellogg Place on Greenwich; ten-foot shared-use-path along Greenwich for pedestrians and bicyclists; aesthetic enhancements; waterline, sanitary sewer, and storm water improvements; and landscaping following construction. Please go to <http://www.eastkelloggimprovements.com> for additional project information. Regular project updates can be found on Twitter @E54ICT.

Traffic Impact:

- Speed limit is reduced to 40 mph on Kellogg.
- Zelta is one-way northbound, north of Kellogg.
- Ellson is closed south of Kellogg.
- Westbound is reduced to one-lane from K-96 to Zelta.
- Utility work may affect traffic on Greenwich, side streets, and existing frontage roads.
- SB K-96 ramp to WB Kellogg is closed for the duration of the project (until 2021).
- The direct connection between 127th Street East and Kellogg is permanently closed. Upon completion of the project, 127th will curve to the west and connect to Zelta.

Contractor: *Wildcat Construction*

Contact: *Glen Scott (652-2672 / gscott@ksturnpike.com)*

Estimate completion: Late 2021

- **Harry & 127th Signalization:** The project will add new traffic signals at the Harry & 127th Intersection. The sidewalks and wheelchair ramps will also be upgraded to meet ADA requirements.

Traffic Impact: Intermittent flagging of traffic may occur during work hours for restoration work.

Contractor: *Phillips Southern Electric*

City Contact: *James Wagner (268-4047 / jwagner@wichita.gov)*

Estimated completion: Fall 2017

District 3 (Clendenin)

- **Pawnee from Hydraulic to Grove:** This project will widen Pawnee and Hydraulic to a five lane roadway with two lanes in each direction and a center two-way turn lane. The project will also construct drainage improvements along with sidewalk on both sides of Pawnee. The intersection at Hydraulic will be reconstructed to include left turn lanes on Hydraulic

Traffic Impact: Pawnee, Hydraulic, and SE Boulevard are restricted to one lane in each direction. Left turns are prohibited at Pawnee & Hydraulic.

Contractor: *Pearson Construction*

City Contact: *Greg Baalman (268-4048 / gbaalman@wichita.gov)*

Estimated Completion: Fall 2017

District 4 (Blubaugh)

No Projects at this time.

Week of September 15 to September 22, 2017

District 5 (Frye)

- **Maple, Maize to Ridge Road:** This project will perform joint and crack sealing along Maple.
Traffic Impact: Temporary lane closures will be necessary during placement of crack seal material.
Contractor: *Kansas Paving* City Contact: *Kyle Kerns* (268-4044 / kkerns@wichita.gov)
Estimated completion: Fall 2017

- **Maple, 151st to 119th Street West:** This project will perform joint and crack sealing along Maple.
Traffic Impact: Temporary lane closures will be necessary during placement of crack seal material.
Contractor: *Kansas Paving* City Contact: *Kyle Kerns* (268-4044 / kkerns@wichita.gov)
Estimated completion: Fall 2017

- **Maize, Kellogg to Maple:** This project will perform joint and crack sealing along Maize.
Traffic Impact: Temporary lane closures will be necessary during placement of crack seal material.
Contractor: *Kansas Paving* City Contact: *Kyle Kerns* (268-4044 / kkerns@wichita.gov)
Estimated completion: Fall 2017

District 6 (Miller)

- **River Vista Development:** Project includes construction of apartments and commercial retail on the west bank of the Arkansas River between Douglas and 1st Street.
Traffic Impact: The path along the west bank of the Arkansas River is closed between 1st Street and Douglas. The sidewalk on the south side of First Street is closed between McLean and Waco. Pedestrians will be detoured south to Douglas.
Contractor: *Key Construction* City Contact: *Paul Gunzelman* (268-4393 / pgunzelman@wichita.gov)
Estimated completion: Fall 2017

- **Waco Street Water Main Replacement from Murdock to 13th Street:** Project will replace the water main on Waco between Murdock and 13th St.
Traffic Impact: Waco is one lane each direction for the duration of the project.
Contractor: *Dondlinger Construction* City Contact: *Greg Baalman* (268-4048 / gbaalman@wichita.gov)
Estimated completion: Fall 2017

- **Bike Lanes from 18th & Porter to 17th & Topeka:** The project will add shared bicycle lanes from 18th and Porter to 17th and Topeka.
Traffic Impact: Temporary lane closures are necessary on 17th, Arkansas, and 18th for installation of pavement markings.
Contractor: *Cillessen & Sons* City Contact: *Greg Baalman* (268-4048 / gbaalman@wichita.gov)
Estimated completion: Late 2017

- **Central and Nims Intersection:** This project will add traffic signals to the Central & Nims intersection.
Traffic Impact: Central and Nimms are one lane each direction for the duration of the project.
Contractor: *Kansas Paving* City Contact: *Greg Baalman* (268-4048 / gbaalman@wichita.gov)
Estimated completion: Late 2017

Week of September 15 to September 22, 2017

- **Central, Florence to Hoover:** This project will place a surface treatment over the existing pavement. New pavement markings will be installed once final wearing surface has cured.
Traffic Impact: Temporary lane closures will be necessary during placement of pavement markings.
 Contractor: *Vance Brothers* City Contact: *Kyle Kerns* (268-4044 / kkerns@wichita.gov)
 Estimated completion: Fall 2017

- **Amidon, Arkansas River to 21st Street North:** This project will place a surface treatment over the existing pavement. New pavement markings will be installed once final wearing surface has cured.
Traffic Impact: Temporary lane closures will be necessary during placement of pavement markings.
 Contractor: *Vance Brothers* City Contact: *Kyle Kerns* (268-4044 / kkerns@wichita.gov)
 Estimated completion: Fall 2017

- **Arkansas, 21st Street North to 37th Street North:** This project will place a surface treatment over the existing pavement. New pavement markings will be installed once final wearing surface has cured.
Traffic Impact: Temporary lane closures will be necessary during placement of pavement markings.
 Contractor: *Vance Brothers* City Contact: *Kyle Kerns* (268-4044 / kkerns@wichita.gov)
 Estimated completion: Fall 2017

- **53rd Street North, Meridian to Arkansas:** This project will perform asphalt street repairs along 53rd Street North, between Meridian and Arkansas.
Traffic Impact: 53rd Street will be reduced to one lane in each direction throughout the area of construction.
 Contractor: *PP&J Construction* City Contact: *Kyle Kerns* (268-4044 / kkerns@wichita.gov)
 Estimated completion: Fall 2017

Multiple Districts

District 1 (Williams) and District 6 (Miller)

- **Douglas Streetscapes between Main and Washington:** This project will construct curb extensions at Market, Topeka, Emporia, Mosley, and Washington. The project also includes landscaping amenities and enhancements to existing light trellises.
Traffic Impact: Douglas is reduced to one lane in each direction with intermittent traffic flagging during work hours.
 Contractor: *Pearson Construction* City Contact: *Greg Baalman* (268-4048 / gbaalman@wichita.gov)
 Estimated completion: Fall 2017

Week of September 15 to September 22, 2017

- **1st Street from St. Francis to Washington:** This project will construct curb extensions at Mead, Rock Island, Mosley, and Washington, and construct landscaping amenities and enhancements for pedestrian safety. A new water main will also be constructed on the south side of 1st Street during pavement reconstruction.
Traffic Impact: 1st Street is reduced to one lane from St. Francis to Washington throughout construction
Contractor: *Pearson Construction* City Contact: *Greg Baalman* (268-4048 / gbaalman@wichita.gov)
Estimated completion: Late 2017

Kansas Department of Transportation (KDOT)

See other KDOT info at www.WichitaKDOT.org and ITS at www.WICHway.org

Five Bridge replacements on I-235: Project will create two crossovers between Zoo Blvd. and the I-235/Meridian area.

Traffic Impact: SB and NB I-235 from south of the big ditch to north of the Wichita/Valley Center floodway is single lane, head to head on the west side of I-235. Access to and from 25th St. is **CLOSED**. Speed is reduced to 50 mph.

Contractor: *Dondlinger Construction* KDOT Contact: *Tom Hein* (660-4990 / hein@ksdot.org)
Estimated completion: Late 2017

Repairs on two southbound I-135 Bridges: Project will repair the bridge decks on two southbound I-135 bridges over railroad tracks south of 29th St.

Traffic Impact: 29th Street entrance ramp to southbound I-135 is **CLOSED**. The right lane of SB I-135 is **CLOSED**. Work zone speed limit has been reduced to 50 mph.

Contractor: *Wildcat Construction* KDOT Contact: *Tom Hein* (660-4990 / hein@ksdot.org)
Estimated completion: Late 2017

I-235/U.S. 54 Interchange – The Red Project: The first phase of the Kellogg/I-235 Interchange rebuild (dubbed the Red Project) began on November 10. Improvements include a one-lane flyover ramp for NB I-235 to WB US 54, A two lane flyover ramp for SB I-235 to EB U.S. 54, Removal of loop ramps in the SW & NE quadrants, loop ramp for EB US 54 to NB I-235 (SE quadrant) will be reconstructed, US 54 bridge over West St. will be widened to accommodate new auxiliary lanes from I-235. Auxiliary lanes on I-235 constructed from US 54 to Central Ave. NB I-235 ramp to EB US 54 braided with the new ramp lanes from SB I-235 to EB US 54.

Traffic Impact: Eastbound Maple under I-235 has been reduced to one lane. The left lanes of NB & SB I-235 over US-54 are **CLOSED** for 75 days. The Intersection of Hoover and Douglas is **CLOSED** until late 2017. Eastbound US 54 from Hoover to West St. (under I-235), is reduced to two lanes (until October). Southbound I-235 ramp to WB US 54 is **CLOSED** until late summer 2017. EB US-54 Exit Ramp to West Street is still **CLOSED**. An official signed detour uses SB I-235 to K-42, then NB on I-235 to WB US 54 ramp. The West St. Entrance Ramp to EB US 54 is open. Elder St. at Maple is closed.

Contractor: *Dondlinger Construction* KDOT Contact: *Tom Hein* (660-4990 / hein@ksdot.org)
Estimated completion: Summer 2019

Week of September 15 to September 22, 2017

STREET MAINTENANCE PROJECTS (*partial closures or temporary repairs*)

Street Maintenance Projects	
Curb Repairs	
Yellowstone Ct., 2739 S.	Hayden, 10621 W.
Oakwood, 130 S.	Shadybrook, 2100 E.
Lewis, 4900 E.	Doreen, 700 N.

Week of September 15 to September 22, 2017

IV. WATER and SEWER IMPROVEMENTS

Water / Sewer Projects <i>(Temporary/Partial Closures)</i>			
Project	In various locations...	Contractor	Est. Comp.
'17 Recon Ph. 8	South of Pawnee, east of Hydraulic	Wichita Excavation	Summer '17
'17 Recon Ph. 6	North of Kellogg, east of Seneca	Dutton Construction	Summer '17
'17 Recon Ph. 7	North of 31 st St., east of Hillside	Dutton Construction	Fall '17
'17 Rehab Ph. B	North of Harry, east of Meridian	Layne Inliner	Fall '17
'17 Rehab Ph. A	North of Central, east of Maize	Layne Inliner	Summer '17
'17 Rehab Ph. C	North of 31 st St., east of Hoover	Municipal Pipe Tool	Fall '17
Water Rehab Tower*	WSU, Woodlawn & 21 st St. N.	American Suncraft Co	Fall '17
WWTP #4 Expansion*	143 rd & Harry WWTP #4	Utility Contractors	2019
143 rd & Pawnee WM*	143 rd St (N of Pawnee) and Pawnee (W of 143 rd)	Nowak Construction	Summer '17
St Francis SS replacement*	Between St Francis and Emporia, from Central north to Pine	Dondlinger Construction	Fall '17
WWTP #2 Force Main*	Between WWTP #1 & #2, through Chapin Park	Wildcat Construction	Spring '18
WL/SS Fairmont*	12 th St., Hillside to 13 th with intermittent closures	Dutton Construction	Fall '17

City Contacts: *Jeff Terhune* (268-4046 / jterhune@wichita.gov)
**James Wagner* (268-4047 / jwagner@wichita.gov)
#Greg Baalman (268-4048 / gbaalman@wichita.gov)

V. BUILDING PROJECTS (little traffic impact)

- Cowtown Museum Boardwalks, Storm Water Drainage and Street Lighting upgrades:** Multicon, Inc. is the General Contractor. Contract awarded. On-going.
- Demolitions and Asbestos Abatement at multiple City locations:** On-going.
- City Arts Security Upgrades:** Awaiting confirmation of funding.
- Cheney Pump House Remodel** – Vogts Construction Company is the General Contractor.
- CMF Materials Laboratory Upgrades** – Bid process underway.
- Water Distribution Brick Façade Repairs and Upgrades** – Pre-construction meeting 08/09/2017. Bids due 08/18/2017 at 10.00 am.
- Water Treatment Plant and Hess Pump Station Security Upgrades** – On-going.
- Keeper Minor Upgrades II** – Complete. Remove from list
- Delano District ADA Parking stalls (10)** – On-going - PPJ Construction the General Contractor.
- City Manager’s office entry upgrade** – Sky Contracting the General Contractor.
- Finance offices reorganization** – Complete – Remove from list
- Fire Training Center Pod Demolition.** On-going – Bradburn Wrecking Company the demolition contractor.
- Fire Training Center Security Upgrades** – Documentation underway.
- City Hall Elevator Lobbies Finish Remodels** – Bid process underway

City Contact: Migwi Karugu (268-4492 / mkarugu@wichita.gov)

Week of September 15 to September 22, 2017

1. **Evergreen Recreation Center HVAC Replacement:** Design complete; project on hold due to funding.
2. **Century II Terrazzo Floor Repair/Refinish:** On temporary hold pending CII study and schematic design.
3. **CII Kennedy Plaza Design/Renovation:** On hold per City Manager.
4. **Century II Kitchen Design/Renovation:** On hold per City Manager.
5. **Century II Security Study at Basement Level:** Planning stage. WPD has completed their analysis. Preliminary plans and funding options being developed.
6. **Century II Complex Modification/Expansion Study/Design:** Study is complete and assessment report generated and under review.
7. **Fire Training Maintenance Facility Design Consultant Selection:** On hold per City Manager.
8. **Century II Restroom Partition Replacement:** On hold.
9. **Gander Mountain Garage Repair:** On hold for funding.
10. **Central Library Relocation:** Project bid and awarded to Dondlinger Construction. Pre-cast concrete panels are 100% complete. Roofing is 99% complete with only minor detailing and curbing remaining. Exterior framing and sheeting is 99% complete, with metal panels arriving on site within the next two weeks for installation. Aluminum store-front is being installed, and glazing following up closely. Building should be 100% dried in by end of April. Rooftop units are set, and mechanical HVAC work continues. Interior framing on the first floor is complete, and about 70% complete on the second floor, with drywall following. Security and access control work is beginning, as well as data cabling and finishing up of structural steel detail work. Project still on schedule for mid-February '18 completion.

City Contact: Jeff Myers (268-4406 / jmyers@wichita.gov)

Week of September 15 to September 22, 2017
