

MAPC OPENING STATEMENT

Before we begin the agenda, I would like to take this opportunity to welcome members of the public to this meeting of the Metropolitan Area Planning Commission. Copies of the agenda for today's meeting, the public hearing procedure, and copies of staff reports on zoning items are available at the counter in the anteroom.

The Commission's bylaws limit the applicant on a zoning or subdivision application and his or her representative(s) to a total of ten minutes of speaking time at the start of the hearing on that item, plus up to two minutes at the conclusion of that hearing. All other persons wishing to speak on agenda items are limited to five minutes per person. However, if they feel that it is needed and justified, the Commission may extend these times by a majority vote.

All speakers are requested to state your name and address for the record when beginning to speak. When you are done speaking, please write your name and address, and the case number, on the sheet provided at the counter in the anteroom. This will enable staff to notify you if there are any additional proceedings concerning that item. Please note that all written and visual materials you present to the Commission will be retained by the Secretary as part of the official record. If you are not speaking, but you wish to be notified about future proceedings on a particular case, please sign in on that same sheet.

The Planning Commission is interested in hearing the views of all persons who wish to express themselves on our agenda items. However, we ask all speakers to please be as concise as possible, and to please avoid long repetitions of facts or opinions which have already been stated.

For your information, the Wichita City Council has adopted a policy for all City zoning and vacation items, which is also available at the table with the other materials. They rely on the written record of the Planning Commission hearings and do not conduct their own additional public hearings on these items.

I would like to remind the members of the Planning Commission that our bylaws require you to disclose any ex-parte contacts that you may have had regarding any of the applications on today's agenda. So I would ask you to please remember to disclose the nature of any such contacts you have had before we open the hearing on each case, and what if any impact that information may have on your opinion of the request.
