WPD Reviews Patrol South Incident

Wichita Police Department officials are reviewing an incident that occurred Friday at the Patrol South Substation.

On Friday morning police made an arrest for Battery of a Law Enforcement Officer and Loitering at the Substation at Pawnee and Broadway. The individual arrested is a 74-year old male.

The Wichita Police Department is investigating the actions captured on video to determine if policies were followed.

The WPD has reminded its officers that observing or recording officers doing their job is not illegal.
