2	Owners need to put money into improving deterioration of homes and businesses as well as front city easements, at the street	7/10/2018 6:19 AM
3	Get rid of bike lanes on streets as they only make it worse for bikers and drivers. Stupidest idea ever. I know some bicyclists are big on it, but as a biker, I am against it.	7/9/2018 4:02 PM
4	Difficult to answer. I think it starts with deciding if it should be a street or a road. Right now, Broadway is a car-only design with far too many curb cuts to be a good road. If we want it to be a road, I would say segregate the street from the pedestrians and cyclists. If we want it to be a street, then we need to design for cyclists and pedestrians on an equal footing as cars.	7/2/2018 2:19 PM
5	Benches at bus stops	6/30/2018 8:05 PM
6	Wider lanes and repair of road	6/30/2018 7:06 PM
7	Better access for Public Safety	6/29/2018 1:50 PM
