At reasonable times and under reasonable regulations established by the Bond Registrar, the Bond Register may be inspected and copied by the Bond Insurer or the Owners (or a designated representative thereof) of 10% or more in principal amount of the Bonds then Outstanding or any designated representative of such Owners whose authority is evidenced to the satisfaction of the Bond Registrar.

Section 206. Execution, Registration, Authentication and Delivery of Bonds. Each of the Bonds, including any Bonds issued in exchange or as substitutions for the Bonds initially delivered, shall be executed for and on behalf of the Issuer by the manual or facsimile signature of the Mayor, attested by the manual or facsimile signature of the Clerk and the seal of the Issuer shall be affixed thereto or imprinted thereon. The Mayor and Clerk are hereby authorized and directed to prepare and execute the Bonds in the manner herein specified, and to cause the Bonds to be registered in the office of the Clerk, which registration shall be evidenced by the manual or facsimile signature of the Clerk with the seal of the Issuer affixed thereto or imprinted thereon. The Bonds shall also be registered in the office of the State Treasurer, which registration shall be evidenced by the manual or facsimile signature of the State Treasurer with the seal of the State Treasurer affixed thereto or imprinted thereon. In case any officer whose signature appears on any Bonds ceases to be such officer before the delivery of such Bonds, such

signature shall nevertheless be valid and sufficient for all purposes, as if such person had remained in office until delivery. Any Bond may be signed by such persons who at the actual time of the execution of such Bond are the proper officers to sign such Bond although at the date of such Bond such persons may not have been such officers.

The Mayor and Clerk are hereby authorized and directed to prepare and execute the Bonds as herein specified, and when duly executed, to deliver the Bonds to the Paying Agent for authentication.

The Series 2020A Bonds shall have endorsed thereon a certificate of authentication substantially in the form attached hereto as *Exhibit A* hereof, which shall be manually executed by an authorized officer or employee of the Bond Registrar, but it shall not be necessary that the same officer or employee sign the certificate of authentication on all of the Bonds that may be issued hereunder at any one time. No Series 2020A Bond shall be entitled to any security or benefit under this Bond Resolution or be valid or obligatory for any purpose unless and until such certificate of authentication has been duly executed by the Bond Registrar. Such executed certificate of authentication upon any Series 2020A Bond shall be conclusive evidence that such Series 2020A Bond has been duly authenticated and delivered under this Bond Resolution. Upon authentication, the Bond Registrar shall deliver the Series 2020A Bond to the Purchaser upon instructions of the Issuer or its representative.

Section 207. Mutilated, Lost, Stolen or Destroyed Bonds. If (a) any mutilated Bond is surrendered to the Bond Registrar or the Bond Registrar receives evidence to its satisfaction of the destruction, loss or theft of any Bond, and (b) there is delivered to the Issuer and the Bond Registrar such security or indemnity as may be required by each of them, then, in the absence of notice to the Issuer or the Bond Registrar that such Bond has been acquired by a bona fide purchaser, the Issuer shall execute and, upon the Issuer's request, the Bond Registrar shall authenticate and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Bond, a new Bond of the same Stated Maturity and of like tenor and principal amount.

If any such mutilated, destroyed, lost or stolen Bond has become or is about to become due and payable, the Issuer, in its discretion, may pay such Bond instead of issuing a new Bond.

Upon the issuance of any new Bond under this Section, the Issuer and the Paying Agent may require the payment by the Owner of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Paying Agent) connected therewith.

Every new Bond issued pursuant to this Section shall constitute a replacement of the prior obligation of the Issuer and shall be entitled to all the benefits of this Bond Resolution equally and ratably with all other Outstanding Bonds.

Section 208. Cancellation and Destruction of Bonds Upon Payment. All Bonds that have been paid or redeemed or that otherwise have been surrendered to the Paying Agent, either at or before Maturity, shall be cancelled by the Paying Agent immediately upon the payment, redemption and surrender thereof to the Paying Agent and subsequently destroyed in accordance with the customary practices of the Paying Agent. The Paying Agent shall execute a certificate in duplicate describing the Bonds so cancelled and destroyed and shall file an executed counterpart of such certificate with the Issuer.

Section 209. Book-Entry Bonds; Securities Depository. Any series of Bonds may be issued as Book-Entry-Only Bonds. If so, such series of Bonds shall initially be registered to Cede & Co., the nominee for the Securities Depository, and no Beneficial Owner will receive certificates representing

their respective interests in the Bonds, except in the event the Bond Registrar issues Replacement Bonds as provided in this Section. It is anticipated that during the term of the Bonds, the Securities Depository will make book-entry transfers among its Participants and receive and transmit payment of principal of, premium, if any, and interest on, the Bonds to the Participants until and unless the Bond Registrar authenticates and delivers Replacement Bonds to the Beneficial Owners as described in the following paragraph.

(a) If the Issuer determines (1) that the Securities Depository is unable to properly discharge its responsibilities, or (2) that the Securities Depository is no longer qualified to act as a securities depository and registered clearing agency under the Securities and Exchange Act of 1934, as amended, or (3) that the continuation of a book-entry system to the exclusion of any Bonds being issued to any Owner other than Cede & Co. is no longer in the best interests of the Beneficial Owners of the Bonds, or (b) if the Bond Registrar receives written notice from Participants having interests in not less than 50% of the Bonds Outstanding, as shown on the records of the Securities Depository (and certified to such effect by the Securities Depository), that the continuation of a book-entry system to the exclusion of any Bonds being issued to any Owner other than Cede & Co. is no longer in the best interests of the Beneficial Owners of the Bonds, then the Bond Registrar shall notify the Owners of such determination or such notice and of the availability of certificates to owners requesting the same, and the Bond Registrar shall register in the name of and authenticate and deliver Replacement Bonds to the Beneficial Owners or their nominees in principal amounts representing the interest of each, making such adjustments as it may find necessary or appropriate as to accrued interest and previous calls for redemption; provided, that in the case of a determination under (a)(1) or (a)(2) of this paragraph, the Issuer, with the consent of the Bond Registrar, may select a successor securities depository in accordance with the following paragraph to effect book-entry transfers. In such event, all references to the Securities Depository herein shall relate to the period of time when the Securities Depository has possession of at least one Bond. Upon the issuance of Replacement Bonds, all references herein to obligations imposed upon or to be performed by the Securities Depository shall be deemed to be imposed upon and performed by the Bond Registrar, to the extent applicable with respect to such Replacement Bonds. If the Securities Depository resigns and the Issuer, the Bond Registrar or Owners are unable to locate a qualified successor of the Securities Depository in accordance with the following paragraph, then the Bond Registrar shall authenticate and cause delivery of Replacement Bonds to Owners, as provided herein. The Bond Registrar may rely on information from the Securities Depository and its Participants as to the names of the Beneficial Owners of the Bonds. The cost of printing, registration, authentication, and delivery of Replacement Bonds shall be paid for by the Issuer.

In the event the Securities Depository resigns, is unable to properly discharge its responsibilities, or is no longer qualified to act as a securities depository and registered clearing agency under the Securities and Exchange Act of 1934, as amended, the Issuer may appoint a successor Securities Depository provided the Bond Registrar receives written evidence satisfactory to the Bond Registrar with respect to the ability of the successor Securities Depository to discharge its responsibilities. Any such successor Securities Depository shall be a securities depository which is a registered clearing agency under the Securities and Exchange Act of 1934, as amended, or other applicable statute or regulation that operates a securities depository upon reasonable and customary terms. The Bond Registrar upon its receipt of a Bond or Bonds for cancellation shall cause the delivery of Bonds to the successor Securities Depository in appropriate denominations and form as provided herein.

Section 210. Nonpresentment of Bonds. If any Bond is not presented for payment when the principal thereof becomes due at Maturity, if funds sufficient to pay such Bond have been made available to the Paying Agent all liability of the Issuer to the Owner thereof for the payment of such Bond shall forthwith cease, determine and be completely discharged, and thereupon it shall be the duty of the Paying Agent to hold such funds, without liability for interest thereon, for the benefit of the Owner of such Bond,

who shall thereafter be restricted exclusively to such funds for any claim of whatever nature on his part under this Bond Resolution or on, or with respect to, said Bond. If any Bond is not presented for payment within four years following the date when such Bond becomes due at Maturity, the Paying Agent shall repay, without liability for interest thereon, to the Issuer the funds theretofore held by it for payment of such Bond, and such Bond shall, subject to the defense of any applicable statute of limitation, thereafter be an unsecured obligation of the Issuer, and the Owner thereof shall be entitled to look only to the Issuer for payment, and then only to the extent of the amount so repaid to it by the Paying Agent, and the Issuer shall not be liable for any interest thereon and shall not be regarded as a trustee of such money.

Section 211. Calculation of Debt Service Requirements.

(a) *Debt Service Requirements on Balloon, Put, Short-Term and Interim Indebtedness.*

(1) The principal of Balloon Indebtedness, Put Indebtedness or Short-Term Indebtedness being treated as Long-Term Indebtedness under **Section 902** hereof, or Interim Indebtedness shall be deemed due and payable at its Stated Maturity; provided, however, that at the election of the Issuer for the purpose of any computation of Debt Service Requirements, whether historical or projected, the principal deemed payable on Balloon Indebtedness, Put Indebtedness or Short-Term Indebtedness being treated as Long-Term Indebtedness under **Section 902** hereof, or Interim Indebtedness, shall be deemed to be payable as set forth below:

(A) If the Issuer has obtained a binding commitment of a bank or other financial institution (whose senior debt obligations, or the senior debt obligations of the holding company of which such bank or financial institution is the principal subsidiary, are then rated "A" or better by any Rating Agency) to refinance such Balloon Indebtedness, Put Indebtedness, Short-Term Indebtedness or Interim Indebtedness, or a portion thereof, including without limitation, a letter of credit or a line of credit, the Balloon Indebtedness, Put Indebtedness, Short-Term Indebtedness or Interim Indebtedness, or portion thereof to be refinanced, may be deemed to be payable in accordance with the terms of the refinancing arrangement;

(B) If the Issuer has entered into a binding agreement providing for the deposit by the Issuer with a bank or other financial institution (whose senior debt obligations, or the senior debt obligations of the holding company of which such bank or financial institution is the principal subsidiary, are then rated "A" or better by any Rating Agency), in trust (herein called a "Special Redemption Fund") of amounts, less investment earnings realized and retained in the Special Redemption Fund, equal in aggregate to the principal amount of such Balloon Indebtedness, Put Indebtedness, Short-Term Indebtedness or Interim Indebtedness, or a portion thereof, when due from the sums so deposited and investment earnings realized thereon, then the principal amount of the Balloon Indebtedness, Put Indebtedness, Short-Term Indebtedness or Interim Indebtedness, or portion thereof, may be deemed to be payable in accordance with the terms of such agreement;

(C) If the Issuer has entered into arrangements or agreements with respect to the principal amount of such Balloon Indebtedness, Put Indebtedness, Short-Term Indebtedness or Interim Indebtedness, other than those referred to in subsections (A) and (B) above, which a Consultant in a certificate filed with the Issuer determines, taking into account the interests of the Owners of Utility Indebtedness, provides adequate assurances that the Issuer will be able to meet the Debt Service Requirements due on such Indebtedness, the Balloon Indebtedness, Put Indebtedness, Short-Term Indebtedness or

Interim Indebtedness may be deemed to be payable in accordance with the terms of such arrangement or agreement; or

(D) Such Balloon Indebtedness, Put Indebtedness or Short-Term Indebtedness may be deemed to be Utility Indebtedness which, at the date of its original incurrence, was payable over a term not to exceed twenty (20) years in equal annual installments of principal and interest at the Index Rate.

A Consultant shall deliver to the Issuer a certificate stating that it is reasonable to assume that installment obligations of such term of the Issuer can be incurred and stating the interest rate then applicable to installment obligations of such term of comparable quality. Interim Indebtedness may be deemed to be Indebtedness which, at the date of its original incurrence, would meet the conditions specified in the statement of the Consultant as required in *Section 902*; provided that the Consultant shall for each annual period that the Debt Service Requirement is computed, provide a supplemental statement that at such period, the certifications contained in the statement are reasonable.

(2) Interest that is payable prior to the Stated Maturity of any Balloon Indebtedness, Put Indebtedness, Short-Term Indebtedness or Interim Indebtedness shall be taken into account for such appropriate period in computation of Debt Service Requirements. Interest payable at maturity or early redemption on Balloon Indebtedness, Put Indebtedness, Short-Term Indebtedness or Interim Indebtedness may either be amortized over the anticipated maturity or such longer period as is permitted under *Section 902* or *Section 211(a)(1)(D)* or may be treated as principal payable on the principal maturity date of such Balloon Indebtedness, Put Indebtedness, Short-Term Indebtedness or Interim Indebtedness.

(3) In measuring compliance with the applicable tests hereunder in connection with incurring Put Indebtedness and generally for purposes of determining the Debt Service Requirements relating thereto, Put Indebtedness shall be deemed to mature based upon the actual amortization requirements for the Put Indebtedness, only to the extent that the Issuer has a commitment to refinance such Put Indebtedness.

(b) ***Debt Service Requirements on Discount Indebtedness.*** At the election of the Issuer for the purpose of any computation of Debt Service Requirements, whether historical or projected, the principal and interest deemed payable on Discount Indebtedness shall be deemed to be payable as set forth below:

(1) If the Issuer has obtained a binding commitment of a bank or other financial institution (whose senior debt obligations, or the senior debt obligations of the holding company of which such bank or financial institution is the principal subsidiary, are then rated “A” or better by any Rating Agency) to refinance such Discount Indebtedness, or a portion thereof, including without limitation, a letter of credit or a line of credit, the Discount Indebtedness, or portion thereof to be refinanced, may be deemed to be payable in accordance with the terms of the refinancing arrangement;

(2) If the Issuer has entered into a binding agreement providing for the deposit with a bank or other financial institution (whose senior debt obligations, or the senior debt obligations of the holding company of which such bank or financial institution is the principal subsidiary, are then rated “A” or better by any Rating Agency), in trust (herein called a “Special Redemption Fund”) of amounts, less investment earnings realized and retained in the Special Redemption Fund, equal in aggregate to the principal amount of such Discount Indebtedness, or a portion thereof, and providing for the payment of such principal amount when due from the sums so deposited, and

investment earnings realized thereon, then the Discount Indebtedness, or portion thereof, may be deemed to be payable in accordance with the terms of such agreement;

(3) If the Issuer has entered into arrangements or agreements with respect to the principal amount of such Discount Indebtedness, other than those referred to in subsections (1) and (2) above, which a Consultant in a certificate filed with the Issuer determines, taking into account the interests of the holders of Utility Indebtedness, provides adequate assurances that the Issuer will be able to meet the Debt Service Requirements due on such Indebtedness, the Discount Indebtedness may be deemed to be payable in accordance with the terms of such arrangement or agreement; or

(4) As of any time the maturity amount represented by Discount Indebtedness shall be deemed to be the accreted value of such Indebtedness computed on the basis of a constant yield to maturity.

When calculating interest requirements on Variable Rate Indebtedness which bears a variable rate of interest for periods as to which the rate of interest has not been determined, the rate of interest on Outstanding Variable Rate Indebtedness shall be the average annual rate of interest which was payable on such Variable Rate Indebtedness during the twelve (12) months immediately preceding the date as of which the calculation is made; and the rate of interest on Variable Rate Indebtedness to be incurred (or incurred less than twelve (12) months preceding such date) shall be the average annual rate of interest which would have been payable on such Variable Rate Indebtedness had it been outstanding for a period of twelve (12) months immediately preceding the date as of which the calculation is made, as evidenced in a certificate of a Consultant, delivered to the Issuer.

Section 212. Preliminary and Final Official Statement. The Preliminary Official Statement relating to the Series 2020A Bonds is hereby ratified and approved. The final Official Statement is hereby authorized to be prepared by supplementing, amending and completing the Preliminary Official Statement, with such changes and additions thereto as are necessary to conform to and describe the transaction. The Mayor and Director of Finance are hereby authorized to execute the final Official Statement as so supplemented, amended and completed, and the use and public distribution of the final Official Statement by the Purchaser in connection with the reoffering of the Bonds is hereby authorized. The proper officials of the Issuer are hereby authorized to execute and deliver a certificate pertaining to such Official Statement as prescribed therein, dated as of the date of payment for and delivery of the Series 2020A Bonds.

The Issuer agrees to provide to the Purchaser within seven business days of the date of the sale of Bonds sufficient copies of the final Official Statement to enable the Purchaser to comply with the requirements of the SEC Rule and with the requirements of Rule G-32 of the Municipal Securities Rulemaking Board.

Section 213. Sale of the Series 2020A Bonds. The sale of the Series 2020A Bonds to the Purchaser is hereby ratified and confirmed. Delivery of the Series 2020A Bonds shall be made to the Purchaser as soon as practicable after the adoption of this Bond Resolution, upon payment of the Purchase Price.

Section 214. Parity Bond Certification. The Issuer hereby represents and covenants that the Series 2020A Bonds directed to be issued by this Resolution are so issued in full compliance with the restrictions and conditions upon which the Issuer may issue Additional Bonds which stand on a parity of lien with the Net Revenues with the Parity Indebtedness heretofore issued and Outstanding, as set forth and contained in the Outstanding Parity Bond Resolution, and that the Series 2020A Bonds herein

directed to be issued are so issued in all respects on a parity and equality with the Parity Indebtedness heretofore issued and Outstanding.

ARTICLE III

REDEMPTION OF BONDS

Section 301. Redemption by Issuer. The Bonds shall be subject to redemption and payment prior to their Stated Maturity, as follows:

(a) ***Optional Redemption.***

(1) *Series 2020A Bonds.* At the option of the Issuer, Series 2020A Bonds maturing on October 1 in the years 2029 and thereafter will be subject to redemption and payment prior to their Stated Maturity on October 1, 2028, and thereafter as a whole or in part (selection of maturities and the amount of Series 2020A Bonds of each maturity to be redeemed to be determined by the Issuer in such equitable manner as it may determine) at any time, at the Redemption Price of 100% (expressed as a percentage of the principal amount), plus accrued interest thereon to the Redemption Date.

(2) *Additional Bonds.* Additional Bonds are subject to redemption and payment prior to Stated Maturity in accordance with the provisions of the supplemental resolution authorizing the issuance of such Additional Bonds.

(b) ***Mandatory Redemption.***

(1) *General.* The Term Bonds shall be subject to mandatory redemption and payment prior to Stated Maturity pursuant to the mandatory redemption requirements at a Redemption Price equal to 100% of the principal amount thereof plus accrued interest to the Redemption Date. At its option, to be exercised on or before the 45th day next preceding any mandatory Redemption Date, the Issuer may: (1) deliver to the Paying Agent for cancellation Term Bonds subject to mandatory redemption on said mandatory Redemption Date, in any aggregate principal amount desired; or (2) furnish the Paying Agent funds, together with appropriate instructions, for the purpose of purchasing any Term Bonds subject to mandatory redemption on said mandatory Redemption Date from any Owner thereof whereupon the Paying Agent shall expend such funds for such purpose to such extent as may be practical; or (3) receive a credit with respect to the mandatory redemption obligation of the Issuer under this Section for any Term Bonds subject to mandatory redemption on said mandatory Redemption Date which, prior to such date, have been redeemed (other than through the operation of the mandatory redemption requirements of this subsection) and cancelled by the Paying Agent and not theretofore applied as a credit against any redemption obligation under this subsection. Each Term Bond so delivered or previously purchased or redeemed shall be credited at 100% of the principal amount thereof on the obligation of the Issuer to redeem Term Bonds of the same Stated Maturity on such mandatory Redemption Date, and any excess of such amount shall be credited on future mandatory redemption obligations for Term Bonds of the same Stated Maturity as designated by the Issuer, and the principal amount of Term Bonds to be redeemed by operation of the requirements of this Section shall be accordingly reduced. If the Issuer intends to exercise any option granted by the provisions of clauses (1), (2) or (3) above, the Issuer will, on or before the 45th day next preceding each mandatory Redemption Date, furnish the Paying Agent a

written certificate indicating to what extent the provisions of said clauses (1), (2) and (3) are to be complied with, with respect to such mandatory redemption payment.

(2) *The Series 2020A Term Bonds.* The Issuer shall from the payments specified in *Article VI* hereof which are to be deposited into the 2020A Principal and Interest Subaccount redeem on October 1 in each year, the following principal amounts of Series 2020A Term Bonds:

<u>Principal Amount</u>	<u>Year</u>
\$1,840,000	2035
1,870,000	2036*

*Final Maturity

Section 302. Selection of Bonds to be Redeemed. Bonds shall be redeemed only in an Authorized Denomination. When less than all of the Bonds are to be redeemed and paid prior to their Stated Maturity, such Bonds shall be redeemed in such manner as the Issuer shall determine. Bonds of less than a full Stated Maturity shall be selected by the Bond Registrar in a minimum Authorized Denomination of principal amount in such equitable manner as the Bond Registrar may determine.

In the case of a partial redemption of Bonds by lot when Bonds of denominations greater than a minimum Authorized Denomination are then Outstanding, then for all purposes in connection with such redemption a minimum Authorized Denomination of face value shall be treated as though it were a separate Bond of the denomination of a minimum Authorized Denomination. If it is determined that one or more, but not all, of a minimum Authorized Denomination of face value represented by any Bond is selected for redemption, then upon notice of intention to redeem a minimum Authorized Denomination, the Owner or the Owner's duly authorized agent shall forthwith present and surrender such Bond to the Bond Registrar: (1) for payment of the Redemption Price and interest to the Redemption Date of a minimum Authorized Denomination of face value called for redemption, and (2) for exchange, without charge to the Owner thereof, for a new Bond or Bonds of the aggregate principal amount of the unredeemed portion of the principal amount of such Bond. If the Owner of any such Bond fails to present such Bond to the Paying Agent for payment and exchange as aforesaid, such Bond shall, nevertheless, become due and payable on the redemption date to the extent of a minimum Authorized Denomination of face value called for redemption (and to that extent only).

Section 303. Notice and Effect of Call for Redemption. In the event the Issuer desires to call the Bonds for redemption prior to maturity, written notice of such intent shall be provided to the Bond Registrar in accordance with K.S.A. 10-129, as amended, not less than 45 days prior to the Redemption Date. The Bond Registrar shall call Bonds for redemption and payment and shall give notice of such redemption as herein provided upon receipt by the Bond Registrar at least 45 days prior to the Redemption Date of written instructions of the Issuer specifying the principal amount, Stated Maturities, Redemption Date and Redemption Prices of the Bonds to be called for redemption. The foregoing provisions of this paragraph shall not apply in the case of any mandatory redemption of Term Bonds hereunder, and Term Bonds shall be called by the Paying Agent for redemption pursuant to such mandatory redemption requirements without the necessity of any action by the Issuer and whether or not the Paying Agent holds moneys available and sufficient to effect the required redemption.

Unless waived by any Owner of Bonds to be redeemed, if the Issuer shall call any Bonds for redemption and payment prior to the Stated Maturity thereof, the Issuer shall give written notice of its intention to call and pay said Bonds to the Bond Insurer and the Purchaser. In addition, the Issuer shall cause the Bond Registrar to give written notice of redemption to the Owners of said Bonds. Each of said

written notices shall be deposited in the United States first class mail not less than 30 days prior to the Redemption Date.

All official notices of redemption shall be dated and shall contain the following information:

- (a) the Redemption Date;
- (b) the Redemption Price;
- (c) if less than all Outstanding Bonds are to be redeemed, the identification (and, in the case of partial redemption of any Bonds, the respective principal amounts) of the Bonds to be redeemed;
- (d) a statement that on the Redemption Date the Redemption Price will become due and payable upon each such Bond or portion thereof called for redemption and that interest thereon shall cease to accrue from and after the Redemption Date; and
- (e) the place where such Bonds are to be surrendered for payment of the Redemption Price, which shall be the principal office of the Paying Agent.

The failure of any Owner to receive notice given as heretofore provided or an immaterial defect therein shall not invalidate any redemption.

Prior to any Redemption Date, the Issuer shall deposit with the Paying Agent an amount of money sufficient to pay the Redemption Price of all the Bonds or portions of Bonds that are to be redeemed on such Redemption Date.

For so long as the Securities Depository is effecting book-entry transfers of any series of Bonds, the Bond Registrar shall provide the notices specified in this Section to the Securities Depository. It is expected that the Securities Depository shall, in turn, notify its Participants and that the Participants, in turn, will notify or cause to be notified the Beneficial Owners. Any failure on the part of the Securities Depository or a Participant, or failure on the part of a nominee of a Beneficial Owner of a Bond (having been mailed notice from the Bond Registrar, the Securities Depository, a Participant or otherwise) to notify the Beneficial Owner of the Bond so affected, shall not affect the validity of the redemption of such Bond.

Official notice of redemption having been given as aforesaid, the Bonds or portions of Bonds to be redeemed shall become due and payable on the Redemption Date, at the Redemption Price therein specified, and from and after the Redemption Date (unless the Issuer defaults in the payment of the Redemption Price) such Bonds or portion of Bonds shall cease to bear interest. Upon surrender of such Bonds for redemption in accordance with such notice, the Redemption Price of such Bonds shall be paid by the Paying Agent. Installments of interest due on or prior to the Redemption Date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption of any Bond, there shall be prepared for the Owner a new Bond or Bonds of the same Stated Maturity in the amount of the unpaid principal as provided herein. All Bonds that have been surrendered for redemption shall be cancelled and destroyed by the Paying Agent as provided herein and shall not be reissued.

In addition to the foregoing notice, the Issuer shall provide such notices of redemption as are required by the Disclosure Undertaking. Further notice may be given by the Issuer or the Bond Registrar on behalf of the Issuer as set out below, but no defect in said further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if official notice thereof is given as above prescribed:

(a) Each further notice of redemption given hereunder shall contain the information required above for an official notice of redemption plus (1) the CUSIP numbers of all Bonds being redeemed; (2) the date of issue of the Bonds as originally issued; (3) the rate of interest borne by each Bond being redeemed; (4) the maturity date of each Bond being redeemed; and (5) any other descriptive information needed to identify accurately the Bonds being redeemed.

(b) Each further notice of redemption shall be sent at least one day before the mailing of notice to Owners by first class, registered or certified mail or overnight delivery, as determined by the Bond Registrar, to all registered securities depositories then in the business of holding substantial amounts of obligations of types comprising the Bonds and to one or more national information services that disseminate notices of redemption of obligations such as the Bonds.

(c) Each check or other transfer of funds issued for the payment of the Redemption Price of Bonds being redeemed shall bear or have enclosed the CUSIP number of the Bonds being redeemed with the proceeds of such check or other transfer.

The Paying Agent is also directed to comply with any mandatory standards then in effect for processing redemptions of municipal securities established by the State or the Securities and Exchange Commission. Failure to comply with such standards shall not affect or invalidate the redemption of any Bond.

ARTICLE IV

SECURITY FOR BONDS

Section 401. Security for the Bonds. The Series 2020A Bonds shall be special obligations of the Issuer payable solely from, and secured as to the payment of principal and interest by a pledge of, the Net Revenues, and the City hereby pledges said Net Revenues to the payment of the principal of and interest on the Series 2020A Bonds. The Series 2020A Bonds shall not be or constitute a general obligation of the City, nor shall they constitute an indebtedness of the City within the meaning of any constitutional, statutory or charter provision, limitation or restriction, and the taxing power of the City is not pledged to the payment of the Series 2020A Bonds, either as to principal or interest.

The covenants and agreements of the City contained herein and in the Series 2020A Bonds shall be for the equal benefit, protection and security of the legal owners of any or all of the Series 2020A Bonds, all of which Series 2020A Bonds shall be of equal rank and without preference or priority of one Bond over any other Bond in the application of the funds herein pledged to the payment of the principal of and the interest on the Series 2020A Bonds, or otherwise, except as to rate of interest, date of maturity and right of prior redemption as provided in this Bond Resolution. The Series 2020A Bonds shall stand on a parity and be equally and ratably secured with respect to the payment of principal and interest from the Net Revenues with any Parity Indebtedness. The Series 2020A Bonds shall not have any priority with respect to the payment of principal or interest from said Net Revenues or otherwise over the Parity Indebtedness; and the Parity Indebtedness shall not have any priority with respect to the payment of principal or interest from said Net Revenues or otherwise over the Series 2020A Bonds.

ARTICLE V

Section 503. Application of Moneys in the Rebate Fund.

(a) There shall be deposited in the Rebate Fund such amounts as are required to be deposited therein pursuant to the Federal Tax Certificate. All money at any time deposited in the Rebate Fund shall be held in trust, to the extent required to satisfy the Rebate Amount (as defined in the Federal Tax Certificate), for payment to the United States of America, and neither the Issuer nor the Owner of any Series 2020A Bonds shall have any rights in or claim to such money. All amounts deposited into or on deposit in the Rebate Fund shall be governed by this Section and the Federal Tax Certificate.

(b) The Issuer shall periodically determine the rebatable arbitrage, if any, under Code § 148(f) in accordance with the Federal Tax Certificate, and the Issuer shall make payments to the United States of America at the times and in the amounts determined under the Federal Tax Certificate. Any moneys remaining in the Rebate Fund after redemption and payment of all of the Series 2020A Bonds and payment and satisfaction of any Rebate Amount, or provision made therefor, shall be deposited into the Revenue Fund.

(c) Notwithstanding any other provision of this Bond Resolution, including in particular *Article XI* hereof, the obligation to pay rebatable arbitrage to the United States of America and to comply with all other requirements of this Section and the Federal Tax Certificate shall survive the defeasance or payment in full of the Series 2020A Bonds.

Section 504. Application of Moneys in the Costs of Issuance Account. Moneys in the Costs of Issuance Account shall be used by the Issuer to pay the Costs of Issuance. Any funds remaining in the Costs of Issuance Account, after payment of all Costs of Issuance, but not later than the later of 30 days prior to the first Stated Maturity of principal or one year after the date of issuance of the Series 2020A Bonds, shall be transferred to the Issuer for deposit into the Series 2020A Principal and Interest Subaccount.

Section 505. Application of Moneys in the Project Fund. Moneys in the Project Fund shall be used for the sole purpose of: (a) paying Project Costs; (b) for paying Costs of Issuance, if necessary; (c) paying interest on the Series 2020A Bonds during construction of the Project, if necessary; and (d) transferring any amounts required to be deposited into the Rebate Fund. Withdrawals from the Project Fund for payment of Project Costs shall be supported by a certificate or statement of the Director of Finance that such payment is being made for a purpose within the scope of the Bond Resolution and is a proper Project Cost. Authorizations for withdrawals for other purposes shall be supported by a certificate of the Director of Finance stating that such payment is being made for a purpose within the purpose of the Bond Resolution. Upon completion of the Project, any surplus remaining in the Project Fund shall be deposited in the Series 2020A Principal and Interest Subaccount.

Section 506. Substitute Project; Reallocation of Proceeds. The Issuer may elect for any reason to substitute or add other Utility improvements to be financed with proceeds of the Series 2020A Bonds provided the following conditions are met: (a) the Substitute Project and the issuance of Bonds to pay the cost of the Substitute Project has been duly authorized by the Governing Body in accordance with the laws of the State; (b) a resolution authorizing the use of the proceeds of the Series 2020A Bonds to pay the Financeable Costs of the Substitute Project has been duly adopted by the Governing Body pursuant to this Section, (c) the Attorney General of the State has approved the amendment made by such resolution to the transcript of proceedings for the Series 2020A Bonds to include the Substitute Project; and (d) the use of the proceeds of the Series 2020A Bonds to pay the Financeable Cost of the Substitute Project will not adversely affect the tax status of the Series 2020A Bonds under State or federal law.

The Issuer may reallocate expenditure of Series 2020A Bond proceeds among all Projects financed by the Series 2020A Bonds; provided the following conditions are met: (a) the reallocation is approved by the Governing Body; (b) the reallocation shall not cause the proceeds of the Series 2020A Bonds allocated to any Project to exceed the Financeable Costs of the Project; and (c) the reallocation will not adversely affect the tax-exempt status of the Series 2020A Bonds under State or federal law.

ARTICLE VI

COLLECTION AND APPLICATION OF REVENUES

Section 601. Revenue Fund. The Issuer covenants and agrees that from and after the delivery of the Series 2020A Bonds, and continuing as long as any of the Utility Indebtedness remains Outstanding, all of the Gross Revenues shall as and when received be paid and deposited into the Revenue Fund. Said Revenues shall be segregated and kept separate and apart from all other moneys, revenues, Funds and Accounts of the Issuer and shall not be commingled with any other moneys, revenues, Funds and Accounts of the Issuer. The Revenue Fund shall be administered and applied solely for the purposes and in the manner provided in this Bond Resolution, except as may be modified by the provisions of the Outstanding Parity Bond Resolutions.

Section 602. Application of Moneys in Funds and Accounts. The Issuer covenants and agrees that from and after the delivery of the Series 2020A Bonds and continuing so long as any of the Bonds shall remain Outstanding, it will administer and allocate all of the moneys then held in the Revenue Fund as follows:

(a) **Operation and Maintenance.** The cost of Current Expenses shall be paid currently as bills accrue. Such amount as may be necessary in the opinion of the Governing Body to pay the reasonable and proper Current Expenses for the ensuing sixty (60) days may be retained and accumulated in the Revenue Fund before making transfers to other Funds and Accounts.

Parity Resolutions. The following transfers shall be made on a parity of lien basis with the transfers and requirements of the Bond Resolution with respect to any Parity Indebtedness, and the term Parity Obligations shall be substituted for Bonds, as appropriate.

(b) **Principal and Interest Account.** There shall next be paid and credited on the first day of each month to the Principal and Interest Account, for credit to the respective Subaccounts thereof, a proportionate amount necessary to meet on each Bond Payment Date the payment of all interest on and principal of the Parity Bonds. All amounts paid and credited to the various Principal and Interest Subaccounts shall be expended and used by the Issuer for the sole purpose of paying the Debt Service

Requirements of respective Parity Bonds as and when the same become due at Maturity and on each Interest Payment Date.

Any amounts deposited in the Principal and Interest Account in accordance with *Section 502(a)* hereof shall be credited against the Issuer's payment obligations as set forth in subsection (b) of this Section.

If at any time the moneys in the Revenue Fund are insufficient to make in full the payments and credits at the time required to be made to the Principal and Interest Account and to the subaccounts established to pay the principal of and interest on any Parity Bonds, the available moneys in the Revenue Fund shall be divided among such debt service accounts in proportion to the respective principal amounts of said series of Parity Bonds at the time Outstanding which are payable from the moneys in said Principal and Interest Subaccounts.

(c) ***Bond Reserve Account.*** There shall next be set aside and credited monthly to the Bond Reserve Account, for the credit of the respective subaccounts thereof as appropriate, the amount, if any, required to restore the Bond Reserve Account to the Bond Reserve Requirement. Except as hereinafter provided, all amounts paid and credited to the Bond Reserve Account shall be expended and used by the Issuer solely to prevent any default in the payment of interest on or principal of the Parity Bonds on any Maturity date or Interest Payment Date if the moneys in the respective Principal and Interest Subaccounts are insufficient to pay the Debt Service Requirements of said Parity Bonds as they become due. So long as the Bond Reserve Account aggregates the Bond Reserve Requirement, no further payments into said Account shall be required, but if the Issuer is ever required to expend and use a part of the moneys in any subaccount for the purpose herein authorized and such expenditure reduces the amount of such subaccount below the Bond Reserve Requirement for such subaccount, or if the Value of any such subaccount is below the Bond Reserve Requirement, the Issuer shall make monthly payments into such subaccount so that such subaccount shall again aggregate the Bond Reserve Requirement within twelve (12) months of such deficiency.

The prior written consent of the Bond Insurer shall be a condition precedent to the deposit of any credit instrument provided in lieu of a cash deposit into the Bond Reserve Account.

(d) ***Debt Service Accounts-Subordinate Indebtedness.*** There shall next be paid and credited monthly to the debt service account(s) for any Subordinate Indebtedness, to the extent necessary to meet on each Bond Payment Date an amount equal to the payment of all interest on and principal of any Subordinate Indebtedness. The amounts required to be paid and credited to the debt service account(s) for any Subordinate Indebtedness shall be made at the same time and on a parity with the amounts at the time required to be paid and credited to other debt service accounts established for the payment of the Debt Service Requirements on any Subordinate Indebtedness.

(e) ***Depreciation and Replacement Account.*** There shall next be paid and credited monthly to the Depreciation and Replacement Account minimum monthly amounts to the end that the Depreciation and Replacement Account will reach the Depreciation and Replacement Account Requirement within a period of thirty (30) months from the date of the first such transfer. Except as hereinafter provided, moneys in the Depreciation and Replacement Account shall be expended and used by the Issuer for the purpose of: (1) making extraordinary maintenance and repairs to the Utility, (2) making capital improvements in and to the Utility, and (3) keeping the Utility in good repair and working order so that it may continue in effective and efficient operation. If no other funds are available therefor, moneys in the Depreciation and Replacement Account may be used to pay Current Expenses. After the Depreciation and Replacement Account aggregates the Depreciation and Replacement Account Requirement, no further payments into the Depreciation and Replacement Account shall be required, but

if the Issuer is ever required to expend a part of the moneys in the Depreciation and Replacement Account for its authorized purposes and such expenditure reduces the amount of the Depreciation and Replacement Account below the Depreciation and Replacement Requirement, then the Issuer shall resume and continue minimum monthly payments into the Depreciation and Replacement Account aggregates the Depreciation and Replacement Requirement within a period of eighteen (18) months of such deficiency.

(f) **General Obligation Indebtedness.** There shall next be paid and credited monthly to such of the Issuer's funds or accounts determined by the Director of Finance, proportionate monthly amounts equal to the Debt Service Requirements on General Obligation Indebtedness accruing in the next twelve (12) months.

(g) **Payment to the City.** There shall next be paid and credited monthly to such of the Issuer's funds or accounts determined by the Director of Finance, proportionate monthly amounts equal to the next required Payment to the City.

(h) **Improvement Account.** All moneys in the Revenue Fund on each January 1 not required for payment of the Current Expenses and all transfers required by subsections (a) to (f) hereof for the next ninety (90) days shall be credited to the Improvement Account. When the Pre-2014 Bonds are no longer Outstanding, transfers from the Revenue Fund to the Improvement Fund may be made on a monthly basis in such amounts as may be determined by the Director of Finance. Moneys in the Improvement Account may be expended and used for the following purposes:

- (1) Paying the Current Expenses.
- (2) Paying the cost of extending, enlarging or improving the Utility.
- (3) Preventing default in, making payments into or increasing the amounts in any of the Funds and Accounts or other payments required by subsections (a) to (g) hereof
- (4) Calling, redeeming and paying prior to Stated Maturity, or, at the option of the Issuer, purchasing in the open market at fair market value, any Utility Indebtedness or General Obligation Indebtedness.
- (5) Any other lawful purpose in connection with the operation of the Utility and benefiting the Utility.
- (6) To make transfers to the Revenue Fund.

(i) **Deficiency of Payments into Funds and Accounts.** If at any time the Gross Revenues are insufficient to make any payment on the date or dates hereinbefore specified, the Issuer will make good the amount of such deficiency by making additional payments or credits out of the first available Gross Revenues, such payments and credits being made and applied in the order hereinbefore specified in this Section.

Section 603. Transfer of Funds to Paying Agent. The Treasurer of the Issuer shall withdraw from the Principal and Interest Account, and, to the extent necessary to prevent a default in the payment of either principal of or interest on the Utility Indebtedness, from the Bond Reserve Account, and the Improvement Account, sums sufficient to pay the principal of and interest on the Utility Indebtedness as and when the same become due on any Bond Payment Date, and to forward such sums to the Paying Agent in a manner which ensures the Paying Agent will have available funds in such amounts on or before the Business Day immediately preceding each Bond Payment Date. All moneys deposited with the

Paying Agent shall be deemed to be deposited in accordance with and subject to all of the provisions contained in this Bond Resolution.

Section 604. Payments Due on Saturdays, Sundays and Holidays. In any case where a Bond Payment Date is not a Business Day, then payment of principal, Redemption Price or interest need not be made on such Bond Payment Date but may be made on the next succeeding Business Day with the same force and effect as if made on such Bond Payment Date, and no interest shall accrue for the period after such Bond Payment Date.

ARTICLE VII

DEPOSIT AND INVESTMENT OF MONEYS

Section 701. Deposits and Investment of Moneys.

(a) Moneys in each of the Funds and Accounts shall be deposited and shall be adequately secured as provided by the laws of the State.

(b) Moneys held in any Fund or Account may be invested in accordance with the Bond Resolution and the Federal Tax Certificate, in Permitted Investments; provided, however, that no such investment shall be made for a period extending longer than to the date when the moneys invested may be needed for the purpose for which such Fund or Account was established; and provided, further, that Authorized Investments in the Bond Reserve Account shall have an average aggregate weighted term to maturity not greater than five years. All earnings on any investments held in any Fund or Account shall accrue to and become a part of such Fund or Account, other than earnings required to be deposited into the Rebate Fund pursuant to the Federal Tax Certificate. All earnings on investments held in the Bond Reserve Account shall accrue to and become a part of the Bond Reserve Account until the amount on deposit in the Bond Reserve Account shall aggregate the Bond Reserve Requirement; thereafter, all such earnings shall be credited to the Principal and Interest Account. All earnings on investments held in the Depreciation and Replacement Account shall accrue to and become a part of the Depreciation and Replacement Account until the amount on deposit in the Depreciation and Replacement Account shall aggregate the Depreciation and Replacement Requirement; thereafter, all such earnings shall be credited to the Revenue Fund.

(c) The Value of any Fund or Account shall be determined at the end of each calendar month. Such valuation shall also be made in conjunction with redemption of any Utility Indebtedness.

ARTICLE VIII

GENERAL COVENANTS AND PROVISIONS

The Issuer covenants and agrees with each of the Owners of any of the Utility Indebtedness that so long as any of the Utility Indebtedness remain Outstanding and unpaid it will comply with each of the following covenants:

Section 801. Efficient and Economical Operation. The Issuer will continuously own and will operate the Utility as a revenue producing facility in an efficient and economical manner and will keep and maintain the same in good repair and working order.

Section 802. Rate Covenant. The Issuer, in accordance with and subject to applicable legal requirements, will fix, establish, maintain and collect such rates and charges for the use and services furnished by or through the Utility as will produce Gross Revenues sufficient to: (a) pay the Current Expenses; (b) pay the Debt Service Requirements on the Utility Indebtedness as and when the same become due at the Maturity thereof or on any Interest Payment Date; (c) provide reasonable and adequate reserves for the payment of the Utility Indebtedness and for the protection and benefit of the Utility as provided in the Bond Resolution; and (d) enable the Issuer to have in each Fiscal Year, a Debt Service Coverage Ratio of not less than 1.20 on all Parity Indebtedness at the time Outstanding; 1.00 on all Subordinate Indebtedness at the time Outstanding; 1.00 on all General Obligation Indebtedness at the time Outstanding; and 1.00 with respect to the Payment to the City; provided however, in determining the Net Revenues Available for Debt Service, estimated additional net income to be derived from rate increases in effect and being charged prior to the end of the applicable Fiscal Year, as determined by the Consultant, may be taken into account, and that, without giving effect to any such adjustments from rate increases, the Debt Service Coverage Ratio shall be not less than 1.00 of the current Fiscal Year's Debt Service Requirements for all Utility Indebtedness.

The Issuer will, from time to time as often as necessary, in accordance with and subject to applicable legal requirements, revise the rates and charges aforesaid in such manner as may be necessary or proper so that the Net Revenues Available for Debt Service will be sufficient to cover the obligations under the provisions of the Bond Resolution. If in any Fiscal Year, Net Revenues Available for Debt Service are an amount less than as hereinbefore provided, the Issuer will make adjustments to such rates, fees and charges to bring the Utility into compliance with this covenant. It shall be the policy of the Issuer that the rates, fees and charges established for the Water Utility and the Sewer Utility shall each be sufficient to provide Net Revenues Available for Debt Service with respect to Utility Indebtedness issued for improvements to each such component of the Utility which meet the coverage requirements set forth herein to the extent reasonably practical.

Section 803. Restrictions on Mortgage or Sale of Utility. The Issuer will not mortgage, pledge or otherwise encumber the Utility or any part thereof, nor will it sell, lease or otherwise dispose of the Utility or any material part thereof; provided, however, the Issuer may:

(a) sell at fair market value any portion of the Utility which has been replaced by other similar property of at least equal value, or which ceases to be necessary for the efficient operation of the Utility, and in the event of sale, the Issuer will apply the proceeds to either (1) redemption of Outstanding Utility Indebtedness in accordance with the provisions governing repayment of Utility Indebtedness in advance of Stated Maturity, or (2) replacement of the property so disposed of by other property the revenues of which shall be incorporated into the Utility as hereinbefore provided;

(b) cease to operate, abandon or otherwise dispose of any property which has become obsolete, nonproductive or otherwise unusable to the advantage of the Issuer;

(c) grant a security interest in equipment to be purchased with the proceeds of any loan, lease or other obligation undertaken in accordance with *Article IX* hereof; or

(d) sell, lease or convey all or substantially all of the Utility to another entity or enter into a management contract with another entity if:

(1) The transferee entity is a political subdivision organized and existing under the laws of the State, or instrumentality thereof, or an organization described in Code § 501(c)(3), and expressly assumes in writing the due and punctual payment of the principal of and premium, if any, and interest on all outstanding Utility Indebtedness according to their tenor, and the due

and punctual performance and observance of all of the covenants and conditions of this Bond Resolution;

(2) If there remains unpaid any Utility Indebtedness which bears interest that is not includable in gross income under the Code, the Issuer receives an opinion of Bond Counsel, in form and substance satisfactory to the Issuer, to the effect that under then existing law the consummation of such sale, lease or conveyance, whether or not contemplated on any date of the delivery of such Utility Indebtedness, would not cause the interest payable on such Utility Indebtedness to become includable in gross income under the Code;

(3) The Issuer receives a certificate of the Consultant which demonstrates and certifies that immediately upon such sale or conveyance the transferee entity will not, as a result thereof, be in default in the performance or observance of any covenant or agreement to be performed or observed by it under this Bond Resolution;

(4) Such transferee entity possesses such licenses to operate the Utility as may be required if it is to operate the Utility;

(5) The Issuer receives an opinion of Bond Counsel, in form and substance satisfactory to the Issuer, as conclusive evidence that any such sale, lease or conveyance, and any such assumption, is permitted by law and complies with the provisions of this Section; and

(6) The Issuer receives the written consent of the Bond Insurer, if any.

Section 804. Insurance. The Issuer will carry and maintain such reasonable amount of all risk insurance on all properties and all operations of the Utility as would be carried by a privately owned utility with similar property and performing similar functions, insofar as the properties are of an insurable nature; and in the event of loss or damage, the Issuer will use the Net Proceeds of such insurance to reconstruct or replace the damaged or destroyed property, or if such reconstruction or replacement be unnecessary, then such Net Proceeds shall be used in redeeming or paying off Outstanding Utility Indebtedness, in accordance with their call provisions. The Issuer also will carry general liability insurance in amounts not less than the then maximum liability of a governmental entity for claims arising out of a single occurrence, as provided by the State's tort claims act or other similar future law (currently \$500,000.00 per occurrence). In lieu of the foregoing, the Issuer may establish a self-insurance program which will provide substantially the same protection for the Owners.

Section 805. Books, Records and Accounts. As long as any Utility Indebtedness are Outstanding, the Issuer shall keep proper and separate books of records and accounts in which complete and correct entries shall be made showing the Gross Revenues collected for services by the Utility and all sums expended in the operation thereof and all sums deposited in the Funds and Accounts above mentioned and all disbursements, transfers and transactions relating to the Utility as a whole, and to the several components of the Utility separately. The books and accounts shall be kept in accordance with generally accepted accounting principles.

The Utility shall make comparative quarterly reports to the Office of the City Manager relative to Utility incomes, Utility expenses and net income from operations. If any such quarterly report shall disclose that the Issuer will not have available the necessary funds for carrying out and complying with all of the requirements of this Resolution, then the Issuer shall within sixty (60) days proceed to cause to be charged and collected rates, fees and charges for the use and services of the Utility which will provide adequate funds to meet such requirements.

Section 806. Annual Budget. The Issuer shall prepare an Annual Budget in its customary form estimating anticipated expenditures and income and containing a statement relative to the amounts of insurance being carried and to be carried.

Section 807. Annual Audit. The Issuer shall annually cause an audit to be made by an Independent Accountant of the operation of the Utility, which audit shall be open to public inspection and shall be completed within six (6) months after the completion of the Fiscal Year. If the audit shall disclose that proper provision has not been made for carrying out and complying with all of the requirements of this Resolution, then the Issuer shall within sixty (60) days proceed to cause to be charged and collected rates, fees and charges for the use of services of the Utility which will provide adequate funds to meet all such requirements. As soon as possible after the completion of the annual audit, the governing body of the Issuer shall review the report of such audit, and if the audit report discloses that proper provision has not been made for all of the requirements of this Bond Resolution and the Act, the Issuer will promptly cure such deficiency and will promptly proceed to modify the rates and charges to be charged for the use and services furnished by the Utility or take such other action as may be necessary to adequately provide for such requirements.

Section 808. Right of Inspection. The Owner of any Bond or such Owner's duly authorized attorney, accountant or investment counselor and, the Bond Insurer, if any, shall have the right at all reasonable times during normal business hours to inspect any records, accounts or data relating thereto in accordance with State law.

Section 809. Performance of Duties and Covenants. The Issuer will faithfully and punctually perform all duties, covenants and obligations with respect to the operation of the Utility now or hereafter imposed upon the Issuer by the Constitution and laws of the State and by the provisions of this Bond Resolution.

Section 810. Report on Utility Condition. The Issuer shall annually cause a qualified employee of the Issuer to make an examination of and report on the condition and operations of the Utility. Not less than every three (3) years, the Issuer will cause the Consulting Engineers to make an examination and written report on the condition and operation of the Utility, such report to include recommendations as to any changes in such operation deemed desirable. Such report shall also make references to any unusual or extraordinary items of maintenance and repair and any extensions, enlargements or improvements that may be needed in the period prior to the preparation of the next consultant's report required by this Section. A copy of such report will be filed with the Clerk.

ARTICLE IX

ADDITIONAL BONDS AND OBLIGATIONS

Section 901. Prior Lien Bonds. So long as any of the Parity Bonds remain Outstanding, the Issuer will not issue any Utility Indebtedness payable out of the Gross Revenues which are superior to the Parity Indebtedness with respect to the lien on the Net Revenues.

Section 902. Parity Indebtedness. The Issuer will not issue any Utility Indebtedness which stands on a parity or equality of lien against the Net Revenues with the Parity Indebtedness unless the following conditions are met:

(a) The Issuer shall not be in default in the payment of the Debt Service Requirements on any Parity Indebtedness at the time Outstanding or in making any payment at the time required to be made into the respective Funds and Accounts created by and referred to in the Bond Resolution (unless such Utility Indebtedness is being issued to provide funds to cure such default) nor shall any other Event of Default have occurred and be continuing;

(b) The Issuer shall deliver the following:

(1) *Long-Term Indebtedness.* A certificate signed by the Issuer evidencing that the Debt Service Coverage Ratio for the two (2) Fiscal Years immediately preceding the issuance of such Utility Indebtedness, as reflected by information provided by the Independent Accountant, shall be not less than 1.20, including the Utility Indebtedness proposed to be issued. In the event that the Issuer has instituted any increase in rates for the use and services of the Utility and such increase shall not have been in effect during the full two (2) Fiscal Years immediately preceding the issuance of such proposed Utility Indebtedness, the additional Net Revenues Available for Debt Service which would have resulted from the operation of the Utility during said two (2) preceding Fiscal Years had such rate increase been in effect for the entire period may be added to the stated Net Revenues for the calculation of the Debt Service Coverage Ratio, provided that such estimated additional Net Revenues shall be determined by a Consultant.

(2) *Short-Term Indebtedness.* A certificate signed by the Issuer evidencing any *one* of the following:

(i) The principal amount of all Outstanding Short-Term Indebtedness does not exceed 15% of the Gross Revenues for the most recently ended Fiscal Year for which financial information is available from the Independent Accountant;

(ii) The Short-Term Indebtedness could be incurred assuming it was Long-Term Indebtedness.

(iii) There is delivered to the Issuer a certificate of a Consultant to the effect that it is such Consultant's opinion that it is reasonable to assume that the Issuer will be able to refinance such Short-Term Indebtedness prior to its Stated Maturity and the conditions are met with respect to such Short-Term Indebtedness when it is assumed that such Short-Term Indebtedness is Long-Term Indebtedness maturing over 20 years (or such shorter period as such Consultant indicates is reasonable to assume in such statement) from the date of issuance of the Short-Term Indebtedness and bears interest on the unpaid principal balance at the Index Rate and is payable on a level annual debt service basis over a 20-year period (or such shorter period as such Consultant indicates is reasonable to assume in such statement).

(3) *Interim Indebtedness.* A certificate signed by the Issuer evidencing any *either* of the following:

(i) The Interim Indebtedness could be incurred assuming it was Long-Term Indebtedness.

(ii) There is delivered to the Issuer a certificate of a Consultant to the effect that it is such Consultant's opinion that it is reasonable to assume that the Issuer will be able to refinance such Interim Indebtedness prior to its Stated Maturity and the conditions are met with respect to such Interim Indebtedness when it is assumed that such Interim

Indebtedness is Long-Term Indebtedness maturing over 20 years (or such shorter period as such Consultant indicates is reasonable to assume in such statement) from the date of issuance of the Interim Indebtedness and bears interest on the unpaid principal balance at the Index Rate and is payable on a level annual debt service basis over a 20-year period (or such shorter period as such Consultant indicates is reasonable to assume in such statement).

(c) When the issuance of Utility Indebtedness of equal stature and priority is permitted by the laws of the State.

(d) With respect to the issuance of Additional Bonds, an additional deposit to the Bond Reserve Account shall be made to bring the Bond Reserve Account to an amount equal to the Bond Reserve Requirement.

(e) The ordinance and/or resolution authorizing such Utility Indebtedness shall contain or provide for substantially the same terms, conditions, covenants and procedures as established in the Bond Resolution.

Additional Utility Indebtedness issued under the conditions hereinbefore set forth shall stand on a parity with other Parity Indebtedness and shall enjoy complete equality or lien on and claim against the Net Revenues, and the Issuer may make equal provision for paying the Debt Service Requirements on such Utility Indebtedness out of the Revenue Fund and may likewise provide for the creation of reasonable debt service accounts and debt service reserve accounts for the payment of the Debt Service Requirements on such Utility Indebtedness and the interest thereon out of moneys in the Revenue Fund.

Section 903. Subordinate Indebtedness. Nothing shall prohibit or restrict the right of the Issuer to issue Subordinate Indebtedness for any lawful purpose in connection with the operation of and benefiting the Utility and to provide that the Debt Service Requirements on such Subordinate Indebtedness shall be payable out of the Net Revenues Available for Debt Service, provided at the time of the issuance of such Subordinate Indebtedness the Issuer is not in default in the performance of any covenant or agreement contained in the Bond Resolution (unless such Utility Indebtedness shall be issued to cure such default and shall be junior and subordinate to the Parity Indebtedness) so that if at any time the Issuer shall be in default in paying either interest on or principal of the Parity Indebtedness, or of the Issuer is in default in payment of Current Expenses, Debt Service Requirements on Parity Indebtedness or transfers required by the Bond Resolution prior to the payment of Debt Service Requirements on Subordinate Indebtedness, the Issuer shall make no payments of Debt Service Requirements on said Subordinate Indebtedness until said default or defaults be cured.

Section 904. Refunding Indebtedness. The Issuer shall have the right, without complying with the provisions of *Section 902* hereof, to issue Refunding Indebtedness for the purpose of refunding any of the Utility Indebtedness under the provisions of any law then available, and the Refunding Indebtedness so issued shall enjoy complete equality of pledge as did the Utility Indebtedness that was refunded.

ARTICLE X

DEFAULT AND REMEDIES

Section 1001. Remedies. The Bond Resolution and all of the provisions thereof shall constitute a contract between the Issuer, the Bond Insurer, if any, and each of the Owners of Utility Indebtedness,

and any such Owner may by suit, action, mandamus, injunction or other proceeding, either at law or in equity, enforce and compel performance of all duties, obligations and conditions determined and required by the Bond Resolution, subject to the limitations of hereinafter set forth; provided however, that no Owner of Subordinate Indebtedness shall have the ability to impair the rights of Owners of Parity Indebtedness. Upon the happening and continuance of any Event of Default, then and in every such case any Owner may proceed, subject to the provisions of the Bond Resolution, to protect and enforce the rights of the Owners by a suit, action or special proceeding in equity, or at law, either for the specific performance of any covenant or agreement contained therein or in aid or execution of any power therein granted or for the enforcement of any proper legal or equitable remedy as such Owner shall deem most effectual to protect and enforce such rights.

Anything in the Bond Resolution to the contrary notwithstanding, if at any time moneys in the Principal and Interest Account shall not be sufficient to pay the interest on or the principal of the Utility Indebtedness as the same shall become due and payable, such moneys, together with any moneys then available or thereafter becoming available for such purpose, whether through the exercise of the remedies provided for in this Section or otherwise, shall be applied as follows:

(a) If the principal of all the Parity Indebtedness shall not have become due and payable, all such moneys shall be applied:

first: to the payment of the persons entitled thereto of all installments of interest then due and payable in the order in which such installments became due and payable, and, if the amount available shall not be sufficient to pay in full any particular installments, then to the payment, ratably, according to the amounts due on such installment, to the persons entitled thereto, without any discrimination or preference except as to any difference in the respective rates of interest specified in the Parity Indebtedness;

second: to the payment to the persons entitled thereto of the unpaid principal of any of the Parity Indebtedness which shall have become due and payable (other than Parity Indebtedness called for redemption for the payment of which moneys are held pursuant to the provisions of the Bond Resolution), in the order of their due dates, with interest on the principal amount of such Parity Indebtedness at the respective rates specified therein from the respective dates upon which such Parity Indebtedness' became due and payable, and, if the amount available shall not be sufficient to pay in full the principal of the Parity Indebtedness due and payable on any particular date, together with such interest, then to the payment first of such interest, ratably, according to the amount of such interest due on such date, and then to the payment of such principal, ratably, according to the amount of such principal due on such date, to the persons entitled thereto without any discrimination or preference; and

third: to the payment of the interest on and the principal of the Parity Indebtedness, to the purchase and retirement of the Parity Indebtedness and to the redemption of the Parity Indebtedness, all in accordance with the provisions of the Bond Resolution.

(b) If the principal of all of the Parity Indebtedness shall have become due and payable, all such moneys shall be applied:

first: to the payment to the persons entitled thereto of all installments of interest due and payable on or prior to maturity, if any, in the order in which such installments

became due and payable and, if the amount available shall not be sufficient to pay in full any particular installment, then to the payment ratably, according to the amounts due on such installment, to the persons entitled thereto, without any discrimination or preference except as to any difference in the respective rates of interest specified in the Parity Indebtedness, and then to the payment of any interest due and payable after maturity on the Parity Indebtedness, ratably, to the person entitled thereto, without any discrimination or preference except as to any difference in the respective rates of interest specified in the Parity Indebtedness; and

second: to the payment of the principal of the Parity Indebtedness, ratably, to the persons entitled thereto, without preference or priority of any Parity Indebtedness over any other Parity Indebtedness.

(c) If the principal of all the Subordinate Indebtedness shall not have become due and payable, all such moneys shall be applied:

first: to the payment of the persons entitled thereto of all installments of interest then due and payable in the order in which such installments became due and payable, and, if the amount available shall not be sufficient to pay in full any particular installment, then to the payment, ratably, according to the amounts due on such installment, to the persons entitled thereto, without any discrimination or preference except as to any difference in the respective rates of interest specified in the Subordinate Indebtedness;

second: to the payment to the persons entitled thereto of the unpaid principal of any of the Subordinate Indebtedness which shall have become due and payable (other than Subordinate Indebtedness called for redemption for the payment of which moneys are held pursuant to the provisions of the Bond Resolution), in the order of their due dates, with interest on the principal amount of such Subordinate Indebtedness at the respective rates specified therein from the respective dates upon which such Subordinate Indebtedness became due and payable, and, if the amount available shall not be sufficient to pay in full the principal of the Subordinate Indebtedness due and payable on any particular date, together with such interest, then to the payment first of such interest, ratably, according to the amount of such interest due on such date, and then to the payment of such principal, ratably, according to the amount of such principal due on such date, to the persons entitled thereto without any discrimination or preference; and

third: to the payment of the interest on and the principal of the Subordinate Indebtedness, to the purchase and retirement of the Subordinate Indebtedness and to the redemption of the Subordinate Indebtedness, all in accordance with the provisions of the Bond Resolution.

(d) If the principal of all of the Subordinate Indebtedness shall have become due and payable, all such moneys shall be applied:

first: to the payment to the persons entitled thereto of all installments of interest due and payable on or prior to maturity, if any, in the order in which such installments became due and payable and, if the amount available shall not be sufficient to pay in full any particular installment, then to the payment ratably, according to the amounts due on such installment, to the persons entitled thereto, without any discrimination or preference except as to any difference in the respective rates of interest specified in the Subordinate

Indebtedness, and then to the payment of any interest due and payable after maturity on the Subordinate Indebtedness, ratably, to the person entitled thereto, without any discrimination or preference except as to any difference in the respective rates of interest specified in the Subordinate Indebtedness; and

second: to the payment of the principal of the Subordinate Indebtedness, ratably, to the persons entitled thereto, without preference or priority of any Subordinate Indebtedness over any other Subordinate Indebtedness.

Whenever moneys are to be applied by the Issuer pursuant to the foregoing provisions, such moneys shall be applied at such times, and from time to time, as the Director of Finance, in his or her sole discretion shall determine, having due regard to the amount of such moneys available for application and the likelihood of additional moneys becoming available for such application in the future; the deposit of such moneys with the Paying Agent in trust for the proper purpose shall constitute proper application by the Issuer; and the Issuer shall incur no liability whatsoever to any Owner or to any other person for any delay in applying any such moneys, so long as the Issuer acts with reasonable diligence, having due regard to the circumstances, and ultimately applies the same in accordance with such provisions of this Resolution as may be applicable at the time of application by the Director of Finance. Whenever the Director of Finance shall exercise such discretion in applying such moneys, she shall fix the date (which shall be an Interest Payment Date unless she shall deem another date more suitable) upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such date shall cease to accrue. The Director of Finance shall give such notice as she may deem appropriate of the fixing of any such date, and shall not be required to make payment to the Owner of any unpaid Utility Indebtedness until the same shall be surrendered to the Paying Agent for appropriate endorsement, or for cancellation if fully paid.

In case any proceeding taken by any Owner on account of any default shall have been discontinued or abandoned for any reason, then and in every such case the Issuer and the Owners shall be restored to their former positions and rights hereunder, respectively, and all rights and remedies of the Owners shall continue as though no such proceedings had been taken. No Owner of any of any Utility Indebtedness shall have any right in any manner whatever to affect, disturb or prejudice the security of the Bond Resolution or to enforce any right hereunder, except in the manner herein provided, and all proceedings at law or in equity shall be instituted, had and maintained for the equal benefit of all Owners of the same class of Utility Indebtedness. No remedy herein conferred on the Owners is intended to be exclusive of any other remedy or remedies, and each and every remedy conferred shall be cumulative and shall be in addition to every other remedy given hereunder and under the Act or now or hereafter existing at law or in equity or by statute. No delay or omission of any Owner to exercise any right or power accruing upon any default occurring and continuing as aforesaid shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein; and every power and remedy given to the Owners may be exercised from time to time and as often as may be deemed expedient.

Section 1002. Limitation on Rights of Owners. No Owner of any Utility Indebtedness shall have any right to institute any suit, action or proceeding in equity or at law for the enforcement of the Bond Resolution or for the execution of any trust hereunder or for the appointment of a receiver or any other remedy hereunder, unless (a) an Event of Default shall have occurred, (b) the Owners of twenty-five percent (25%) in aggregate principal amount of same class of the Utility Indebtedness then Outstanding shall have made written request to the Issuer, shall have offered it reasonable opportunity either to proceed to exercise the powers hereinbefore granted or to institute such action, suit or proceeding in its own name, and (c) the Issuer shall thereafter fail or refuse to exercise the powers herein granted or to institute such action, suit or proceeding in its own name; and such notification, request and offer of

indemnity are hereby declared in every case, at the option of the Issuer, to be conditions precedent to the execution of the powers and trusts of the Bond Resolution, and to any action or cause of action for the enforcement of the Bond Resolution, or for the appointment of a receiver or for any other remedy hereunder, it being understood and intended that no one or more Owners of the Utility Indebtedness shall have any right in any manner whatsoever to affect, disturb or prejudice the Bond Resolution by its, his or their action or to enforce any right hereunder except in the manner herein provided, and that all proceedings at law or in equity shall be instituted, had and maintained in the manner herein provided and for the equal benefit of the Owners of the Utility Indebtedness then Outstanding. Nothing in the Bond Resolution contained shall, however, affect or impair the right of any Owner to payment of Debt Service Requirements on any Utility Indebtedness at and after the maturity thereof or the obligation of the Issuer to pay the Debt Service Requirements on each of the Utility Indebtedness issued hereunder to the respective Owners thereof at the time, place, from the source and in the manner herein and in the Utility Indebtedness expressed.

Section 1003. Remedies Cumulative. No remedy conferred upon the Owners is intended to be exclusive of any other remedy, but each such remedy shall be cumulative and in addition to every other remedy and may be exercised without exhausting and without regard to any other remedy conferred. No waiver of any default or breach of duty or contract by the Owner of any Bond shall extend to or affect any subsequent default or breach of duty or contract or shall impair any rights or remedies thereon. If action or proceedings taken by any Owner on account of any default or to enforce any right or exercise any remedy has been discontinued or abandoned for any reason, or shall have been determined adversely to such Owner, then, and in every such case, the Issuer and the Owners shall be restored to their former positions and rights, respectively, and all rights, remedies, powers and duties of the Owners shall continue as if no such suit, action or other proceedings had been brought or taken.

Section 1004. No Obligation to Levy Taxes. Nothing contained in this Bond Resolution shall be construed as imposing on the Issuer any duty or obligation to levy any taxes either to meet any obligation incurred herein or to pay the principal of or interest on the Utility Indebtedness.

Section 1005. Control of Remedies Upon an Event of Default and Event of Insolvency. Notwithstanding anything herein to the contrary, upon the occurrence and continuance of an Event of Default, the Bond Insurer, if any, provided the Bond Insurance Policy is in full force and effect and the Bond Insurer shall not be in default thereunder, shall be entitled to control and direct the enforcement of all rights and remedies granted to the Owners under this Bond Resolution. Any reorganization or liquidation plan with respect to the Issuer must be acceptable to the Bond Insurer. In the event of any reorganization or liquidation, the Bond Insurer shall have the right to vote on behalf of all Owners who hold the Insured Bonds insured by the Bond Insurer absent a default by the Bond Insurer under the applicable Bond Insurance Policy insuring such Insured Bonds.

ARTICLE XI

DEFEASANCE

Section 1101. Defeasance. When any or all of the Utility Indebtedness, redemption premium, if any, or scheduled interest payments thereon have been paid and discharged, then the requirements contained in the Bond Resolution and the pledge of the Net Revenues hereunder and all other rights granted hereby shall terminate with respect to the Bonds or scheduled interest payments thereon so paid and discharged. Utility Indebtedness, redemption premium, if any, or scheduled interest payments thereon shall be deemed to have been paid and discharged within the meaning of the Bond Resolution if there has been deposited with the Paying Agent, or other commercial bank or trust company located in the

State and having full trust powers, at or prior to the Stated Maturity or Redemption Date of said Utility Indebtedness or the interest payments thereon, in trust for and irrevocably appropriated thereto, moneys and/or Defeasance Obligations which, together with the interest to be earned on any such Defeasance Obligations, will be sufficient for the payment of the principal or Redemption Price of said Utility Indebtedness and/or interest accrued to the Stated Maturity or Redemption Date, or if default in such payment has occurred on such date, then to the date of the tender of such payments. If the amount to be so deposited is based on the Redemption Price of any Bonds, no such satisfaction shall occur until: (a) the Issuer has elected to redeem such Utility Indebtedness, and (b) either notice of such redemption has been given, or the Issuer has given irrevocable instructions, or shall have provided for an escrow agent to give irrevocable instructions, to the Bond Registrar to give such notice of redemption in compliance with the Bond Resolution. Any money and Defeasance Obligations that at any time shall be deposited with the Paying Agent or other commercial bank or trust company by or on behalf of the Issuer, for the purpose of paying and discharging any of the Utility Indebtedness, shall be and are hereby assigned, transferred and set over to the Paying Agent or other bank or trust company in trust for the respective Owners of the Utility Indebtedness, and such moneys shall be and are hereby irrevocably appropriated to the payment and discharge thereof. All money and Defeasance Obligations deposited with the Paying Agent or such bank or trust company shall be deemed to be deposited in accordance with and subject to all of the provisions of the Bond Resolution. The Issuer shall notify the Bond Insurer of any defeasance of any Insured Bonds insured by the Bond Insurer.

Notwithstanding anything in the Bond Resolution to the contrary, in the event that the principal and/or interest due on the Insured Bonds shall be paid by the Bond Insurer pursuant to the Bond Insurance Policy, the Insured Bonds shall remain Outstanding for all purposes, not be defeased or otherwise satisfied and not be considered paid by the Issuer and the covenants, agreements and other obligations of the Issuer to the Owners shall continue to exist and shall run to the benefit of the Bond Insurer, and the Bond Insurer shall be subrogated to the rights of such Owners.

The provisions of this Section shall not be operative unless the Issuer shall cause to be delivered: (a) a report of an Independent Accountant acceptable to the Bond Insurer verifying the sufficiency of the escrow established to pay the Insured Bonds in full on the Stated Maturity or Redemption Date; (b) an escrow agreement acceptable in form and substance to the Bond Insurer together with an opinion of counsel regarding the validity and enforceability of such escrow agreement; and (c) an opinion of Bond Counsel to the effect that the Insured Bonds are no longer Outstanding under this Bond Resolution and that the defeasance will not adversely impact the exclusion from gross income for federal income tax purposes of interest on the Insured Bonds to be defeased; each report and opinion shall be acceptable in form and substance, and addressed, to the Issuer and the Bond Insurer.

Any escrow agreement entered into in accordance with the provisions of this Section shall also meet the following requirements: (a) the Issuer shall not amend such escrow agreement or enter into a forward purchase agreement or other similar agreement with respect to rights in such escrow without the prior written consent of the Bond Insurer; (b) any substitution of Defeasance Obligations in such escrow shall require a verification report of an Independent Accountant acceptable to the Bond Insurer verifying the sufficiency of the escrow after such substitution and the prior written consent of the Bond Insurer; (c) the Issuer will not exercise any optional redemption of Insured Bonds secured by such escrow or any other redemption, other than mandatory sinking fund redemption unless: (1) the right to make such redemption has been expressly reserved in such escrow agreement, and (2) there shall be presented to the Bond Insurer a report of an Independent Accountant acceptable to the Bond Insurer verifying the sufficiency of the escrow established to pay the Insured Bonds in full, without reinvestment, on the Redemption Date.

ARTICLE XII

TAX COVENANTS

Section 1201. General Covenants. The Issuer covenants and agrees that it will comply with: (a) all applicable provisions of the Code necessary to maintain the exclusion from gross income for federal income tax purposes of the interest on the Series 2020A Bonds; and (b) all provisions and requirements of the Federal Tax Certificate. The Mayor and Clerk are hereby authorized and directed to execute the Federal Tax Certificate in a form approved by Bond Counsel, for and on behalf of and as the act and deed of the Issuer. The Issuer will, in addition, adopt such other ordinances or resolutions and take such other actions as may be necessary to comply with the Code and with all other applicable future laws, regulations, published rulings and judicial decisions, in order to ensure that the interest on the Series 2020A Bonds will remain excluded from federal gross income, to the extent any such actions can be taken by the Issuer.

Section 1202. Survival of Covenants. The covenants contained in this Article and in the Federal Tax Certificate shall remain in full force and effect notwithstanding the defeasance of the Series 2020A Bonds pursuant to *Article XI* hereof or any other provision of this Bond Resolution until such time as is set forth in the Federal Tax Certificate.

ARTICLE XIII

CONTINUING DISCLOSURE REQUIREMENTS

Section 1301. Disclosure Requirements. The Issuer hereby covenants with the Purchaser and the Beneficial Owners to provide and disseminate such information as is required by the SEC Rule and as further set forth in the Disclosure Undertaking, which are incorporated herein by reference. Such covenant shall be for the benefit of and enforceable by the Purchaser and the Beneficial Owners.

Section 1302. Failure to Comply with Continuing Disclosure Requirements. In the event the Issuer fails to comply in a timely manner with its covenants contained in the preceding section, the Purchaser and/or any Beneficial Owner may make demand for such compliance by written notice to the Issuer. In the event the Issuer does not remedy such noncompliance within 10 days of receipt of such written notice, the Purchaser or any Beneficial Owner may in its discretion, without notice or demand, proceed to enforce compliance by a suit or suits in equity for the specific performance of such covenant or agreement contained in the preceding section or for the enforcement of any other appropriate legal or equitable remedy, as the Purchaser and/or any Beneficial Owner shall deem effectual to protect and enforce any of the duties of the Issuer under such preceding section. The Purchaser or Beneficial Owner shall provide a copy of any such demand or notice to the Bond Insurer, if any.

ARTICLE XIV

PROVISIONS RELATING TO THE BOND INSURANCE POLICY

Section 1401. Payment Procedure Pursuant to Bond Insurance Policy. As long as the Bond Insurance Policy shall be in full force and effect, the Issuer and the Paying Agent agree to comply with the following provisions with respect to the Series 2020A Bonds:

(a) In the event that principal and/or interest due on the Series 2020A Bonds shall be paid by BAM pursuant to the Bond Insurance Policy, the Series 2020A Bonds shall remain outstanding for all purposes, not be defeased or otherwise satisfied and not be considered paid by the Issuer, the assignment and pledge of the trust estate and all covenants, agreements and other obligations of the Issuer to the registered owners shall continue to exist and shall run to the benefit of BAM, and BAM shall be subrogated to the rights of such registered owners including, without limitation, any rights that such owners may have in respect of securities law violations arising from the offer and sale of the Series 2020A Bonds.

(b) In the event that on the second (2nd) business day prior to the payment date on the Series 2020A Bonds, the Paying Agent has not received sufficient moneys to pay all principal of and interest on the Series 2020A Bonds due on the second (2nd) following business day, the Paying Agent shall immediately notify BAM or its designee on the same business day by telephone or electronic mail, of the amount of the deficiency.

(c) If any deficiency is made up in whole or in part prior to or on the payment date, the Paying Agent shall so notify BAM or its designee.

(d) In addition, if the Paying Agent has notice that any Series 2020A Bondholder has been required to disgorge payments of principal of or interest on the Series 2020A Bonds pursuant to a final, non-appealable order by a court of competent jurisdiction that such payment constitutes an avoidable preference to such Series 2020A Bondholder within the meaning of any applicable bankruptcy law, then the Paying Agent shall notify BAM or its designee of such fact by telephone or electronic mail, or by overnight or other delivery service as to which a delivery receipt is signed by a person authorized to accept delivery on behalf of BAM.

(e) The Paying Agent shall irrevocably be designated, appointed, directed and authorized to act as attorney-in-fact for holders of the Series 2020A Bonds as follows:

(1) If there is a deficiency in amounts required to pay interest and/or principal on the Series 2020A Bonds, the Paying Agent shall (i) execute and deliver to BAM, in form satisfactory to BAM, an instrument appointing BAM as agent for such holders of the Series 2020A Bonds in any legal proceeding related to the payment of and an assignment to BAM of the claims for interest on the Series 2020A Bonds, (ii) receive as designee of the respective holders (and not as Paying Agent) in accordance with the tenor of the Bond Insurance Policy payment from BAM with respect to the claims for interest so assigned, and (iii) disburse the same to such respective holders; and

(2) If there is a deficiency in amounts required to pay principal of the Series 2020A Bonds, the Paying Agent shall (i) execute and deliver to BAM, in form satisfactory to BAM, an instrument appointing BAM as agent for such holder of the Series 2020A Bonds in any legal proceeding related to the payment of such principal and an assignment to BAM of the Series 2020A Bond surrendered to BAM (but such assignment shall be delivered only if payment from BAM is received), (ii) receive as designee of the respective holders (and not as Paying Agent) in accordance with the tenor of the Policy payment therefore from BAM, and (iii) disburse the same to such holders.

(f) Payments with respect to claims for interest on and principal of Series 2020A Bonds disbursed by the Paying Agent from proceeds of the Bond Insurance Policy shall not be considered to discharge the obligation of the Issuer with respect to such Series 2020A Bonds, and BAM shall become

the owner of such unpaid Series 2020A Bond and claims for the interest in accordance with the tenor of the assignment made to it under the provisions of the preceding paragraph (e) or otherwise.

(g) Irrespective of whether any such assignment is executed and delivered, the Issuer and the Paying Agent shall agree for the benefit of BAM that:

(1) They recognize that to the extent BAM makes payments directly or indirectly (*e.g.*, by paying through the Paying Agent), on account of principal of or interest on the Series 2020A Bonds, BAM will be subrogated to the rights of such holders to receive the amount of such principal and interest from the Issuer, with interest thereon, as provided and solely from the sources stated in the transaction documents and the Series 2020A Bonds; and

(2) They will accordingly pay to BAM the amount of such principal and interest, with interest thereon as provided in the transaction documents and the Series 2020A Bonds, but only from the sources and in the manner provided therein for the payment of principal of and interest on the Series 2020A Bonds to holders, and will otherwise treat BAM as the owner of such rights to the amount of such principal and interest.

(h) Payments required to be made to the BAM shall be payable solely from the Net Revenues and shall be paid (1) prior to an Event of Default, to the extent not paid from the Principal and Interest Subaccount, and (2) after an Event of Default, with respect to amounts other than principal and interest on the Series 2020A Bonds, on the same priority as payments to the Paying Agent for expenses. The obligations to BAM shall survive discharge or termination of the Bond Resolution.

(i) BAM shall be entitled to pay principal or interest on the Series 2020A Bonds that shall become due for payment but shall be unpaid by reason of Nonpayment by the Issuer (as such terms are defined in the Bond Insurance Policy) and any amounts due on the Series 2020A Bonds as a result of acceleration of the maturity thereof in accordance with this Bond Resolution, whether or not BAM has received a Notice (as defined in the Bond Insurance Policy) of Nonpayment or a claim upon the Bond Insurance Policy.

Section 1402. Reimbursement. The Issuer agrees unconditionally that it will pay or reimburse BAM on demand any and all reasonable charges, fees, costs, losses, liabilities and expenses that BAM may pay or incur, including, but not limited to, fees and expenses of BAM's agents, attorneys, accountants, consultants, appraisers and auditors and reasonable costs of investigations, in connection with the administration (including waivers and consents, if any), enforcement, defense, exercise or preservation of any rights and remedies in respect of the Bond Resolution ("Administrative Costs"). For purposes of the foregoing, costs and expenses shall include a reasonable allocation of compensation and overhead attributable to the time of employees of BAM spent in connection with the actions described in the preceding sentence. The Issuer agrees that failure to pay any Administrative Costs on a timely basis will result in the accrual of interest on the unpaid amount at the Late Payment Rate, compounded semi-annually, from the date that payment is first due to BAM until the date BAM is paid in full.

Notwithstanding anything herein to the contrary, the Issuer agrees to pay to BAM (i) a sum equal to the total of all amounts paid by BAM under the Bond Insurance Policy ("BAM Policy Payment"); and (ii) interest on such BAM Policy Payments from the date paid by BAM until payment thereof in full by the Issuer, payable to BAM at the Late Payment Rate per annum (collectively, "BAM Reimbursement Amounts") compounded semi-annually. Notwithstanding anything to the contrary, including without limitation the post default application of revenue provisions, BAM Reimbursement Amounts shall be, and the Issuer hereby covenants and agrees that the BAM Reimbursement Amounts are, payable from and

secured by a lien on and pledge of the same revenues and other collateral pledged to the Series 2020A Bonds on a parity with debt service due on the Series 2020A Bonds.

Section 1403. Consent of the Bond Insurer. Any provision of this Bond Resolution expressly recognizing or granting rights in or to BAM may not be amended in any manner which affects the rights of BAM hereunder without the prior written consent of BAM.

BAM's consent shall be required in addition to Owner consent, when required, for the execution and delivery of any supplemental resolution, or any amendment, supplement or change to or modification of other documents relating to the security for the Series 2020A Bonds; removal or substitution of the Paying Agent; or approval of any action or document requiring approval of the Owners.

BAM shall be deemed to be the sole Owner of the Series 2020A Bonds insured by it for the purpose of exercising any voting right or privilege or giving any consent or direction or taking any other action that the Owners of the Series 2020A Bonds insured by it are entitled to take pursuant to this Bond Resolution.

Section 1404. Notices to the Bond Insurer.

(a) While the Bond Insurance Policy is in effect, the Issuer shall, in addition to the other notice requirements contained in this Bond Resolution, furnish to BAM:

(1) As soon as practicable after the filing thereof, a copy of any financial statement, audit and/or annual report of the Issuer;

(2) A copy of any notice to be given to the Owners, including, without limitation, notice of any redemption of or defeasance of Series 2020A Bonds, and any certificate rendered pursuant to this Bond Resolution relating to the security for the Series 2020A Bonds;

(3) Notice of any draw upon the Bond Reserve Account within two business days, other than withdrawals of amounts in excess of the Debt Service Reserve Requirement or made in connection with a refunding of the Series 2020 Bonds;

(4) Notice of an Event of Default within five business days after the occurrence of such event; and

(5) such additional information as BAM may reasonably request.

(b) The Issuer shall notify BAM of any failure of the Issuer to provide relevant notices, certificates, etc.

(c) The Issuer will permit BAM to discuss the affairs, finances and accounts of the Issuer or any information BAM may reasonably request regarding the security for the Series 2020A Bonds with appropriate officers of the Issuer. The Issuer will permit BAM to have access to and to make copies of all books and records relating to the Series 2020A Bonds at any reasonable time.

(d) BAM shall have the right to direct an accounting at the Issuer's expense, and the Issuer's failure to comply with such direction within thirty (30) days after receipt of written notice of the direction from BAM shall be deemed an Event of Default hereunder; provided, however, that if compliance cannot occur within such period, then such period will be extended so long as compliance is begun within such

period and diligently pursued, but only if such extension would not materially adversely affect the interests of any Owner.

(e) Notwithstanding any other provision of this Bond Resolution, the Issuer shall immediately notify BAM if at any time there are insufficient moneys to make any payments of principal and/or interest as required and immediately upon the occurrence of any Event of Default hereunder.

(f) In each case in which notice or other communication to BAM refers to an Event of Default or with respect to which failure on the part of BAM to respond shall be deemed to constitute consent or acceptance, then a copy of such notice or other communication shall also be sent to the attention of General Counsel and shall be marked to indicate “URGENT MATERIAL ENCLOSED.”

Section 1405. Third Party Beneficiary. To the extent that this Bond Resolution confers upon or gives or grants to BAM any right, remedy, or claim under or by reason of this Bond Resolution, BAM is hereby explicitly recognized as being a third-party beneficiary hereunder and may enforce any such right, remedy or claim conferred, given or granted hereunder. Nothing in this Bond Resolution, expressed or implied is intended or shall be construed to confer upon, or to give to, any person or entity, other than the Issuer, the Bond Insurer, the Paying Agent and the Owners, any right, remedy or claim under or by reason of this Bond Resolution, or any covenant, condition or stipulation hereof, and all covenants, stipulations, promises and agreements in this Bond Resolution contained by and on behalf of the Issuer shall be for the sole and exclusive benefit of the Issuer, the Paying Agent, the Bond Insurer and the Owners of the Series 2020A Bonds.

Section 1406. Exercise of Rights. The rights granted to BAM under the Bond Resolution to request, consent to or direct any action are rights granted to BAM in consideration of its issuance of the Bond Insurance Policy. Any exercise by BAM of such rights is merely an exercise of the BAM’s contractual rights and shall not be construed or deemed to be taken for the benefit, or on behalf, of the holders of the Series 2020 Bonds and such action does not evidence any position of BAM, affirmative or negative, as to whether the consent of the holders of the Series 2020 Bonds or any other person is required in addition to the consent of BAM.

Section 1407. Suspension of Bond Insurer’s Rights. Rights of the Bond Insurer to direct or consent to actions granted under this Bond Resolution shall be suspended during any period in which the Bond Insurer is in default in its payment obligations under the Bond Insurance Policy (except to the extent of amounts previously paid by the Bond Insurer and due and owing to the Bond Insurer) and shall be of no force or effect in the event the Bond Insurance Policy is no longer in effect or the Bond Insurer asserts that the Bond Insurance Policy is not in effect or the Bond Insurer shall have provided written notice that it waives such rights.

ARTICLE XV

MISCELLANEOUS PROVISIONS

Section 1501. Amendments. The rights and duties of the Issuer and the Owners, and the terms and provisions of the Utility Indebtedness or of this Bond Resolution, may be amended or modified at any time in any respect by resolution of the Issuer with the written consent of the Owners of not less than a majority in principal amount of the Utility Indebtedness then Outstanding, such consent to be evidenced by an instrument or instruments executed by such Owners and duly acknowledged or proved in the manner of a deed to be recorded, and such instrument or instruments shall be filed with the Clerk, but no such modification or alteration shall:

- (a) extend the maturity of any payment of principal or interest due upon any Utility Indebtedness;
- (b) effect a reduction in the amount which the Issuer is required to pay as principal of or interest on any Utility Indebtedness;
- (c) permit preference or priority of any Utility Indebtedness over any other Utility Indebtedness;
- (d) reduce the percentage in principal amount of Utility Indebtedness required for the written consent to any modification or alteration of the provisions of this Bond Resolution; or
- (e) permit the creation of a lien on the Revenues prior or equal to the lien of the Parity Indebtedness.

Any provision of the Utility Indebtedness or of this Bond Resolution may, however, be amended or modified by resolution duly adopted by the governing body of the Issuer at any time in any legal respect with the written consent of the Owners of all of the Utility Indebtedness at the time Outstanding.

Without notice to or the consent of any Owners, the Issuer may amend or supplement this Bond Resolution for the purpose of curing any formal defect, omission, inconsistency or ambiguity herein, to grant to or confer upon the Owners any additional rights, remedies, powers or authority that may lawfully be granted to or conferred upon the Owners, to more precisely identify the Project, to reallocate proceeds of the Series 2020A Bonds among Projects, to provide for a Substitute Project, to conform this Bond Resolution to the Code or future applicable federal law concerning tax-exempt obligations, or in connection with any other change therein which is not materially adverse to the interests of the Owners.

Every amendment or modification of the provisions of the Utility Indebtedness or of this Bond Resolution, to which the written consent of the Owners is given, as above provided, shall be expressed in a resolution adopted by the governing body of the Issuer amending or supplementing the provisions of this Bond Resolution and shall be deemed to be a part of this Bond Resolution. A certified copy of every such amendatory or supplemental resolution, if any, and a certified copy of this Bond Resolution shall always be kept on file in the office of the Clerk, and shall be made available for inspection by the Owner of any Utility Indebtedness or a prospective purchaser or owner of any Utility Indebtedness authorized by this Bond Resolution, and upon payment of the reasonable cost of preparing the same, a certified copy of any such amendatory or supplemental resolution or of this Bond Resolution will be sent by the Clerk to any such Owner or prospective Owner.

Any and all modifications made in the manner hereinabove provided shall not become effective until there has been filed with the Clerk a copy of the resolution of the Issuer hereinabove provided for, duly certified, as well as proof of any required consent to such modification by the Bond Insurer, if any, and the Owners of the Utility Indebtedness then Outstanding. It shall not be necessary to note on any of the Outstanding Utility Indebtedness any reference to such amendment or modification.

The Issuer shall furnish to the Paying Agent a copy of any amendment to the Utility Indebtedness or this Bond Resolution which affects the duties or obligations of the Paying Agent under this Bond Resolution.

Section 1502. Notices, Consents and Other Instruments by Owners. Any notice, consent, request, direction, approval or other instrument to be signed and executed by the Owners may be in any

number of concurrent writings of similar tenor and may be signed or executed by such Owners in person or by agent appointed in writing. Proof of the execution of any such instrument or of the writing appointing any such agent and of the ownership of Utility Indebtedness, if made in the following manner, shall be sufficient for any of the purposes of this Bond Resolution, and shall be conclusive in favor of the Issuer and the Paying Agent with regard to any action taken, suffered or omitted under any such instrument, namely:

(a) The fact and date of the execution by any person of any such instrument may be proved by a certificate of any officer in any jurisdiction who by law has power to take acknowledgments within such jurisdiction that the person signing such instrument acknowledged before such officer the execution thereof, or by affidavit of any witness to such execution.

(b) The fact of ownership of Utility Indebtedness, the amount or amounts, numbers and other identification of Utility Indebtedness, and the date of holding the same shall be proved by the Bond Register.
