

Supplemental Design Agreement No. 1 and Funding for Improvements to West Street, I-235 to MacArthur Road (District IV)

Public Works & Utilities/Engineering

April 5, 2022

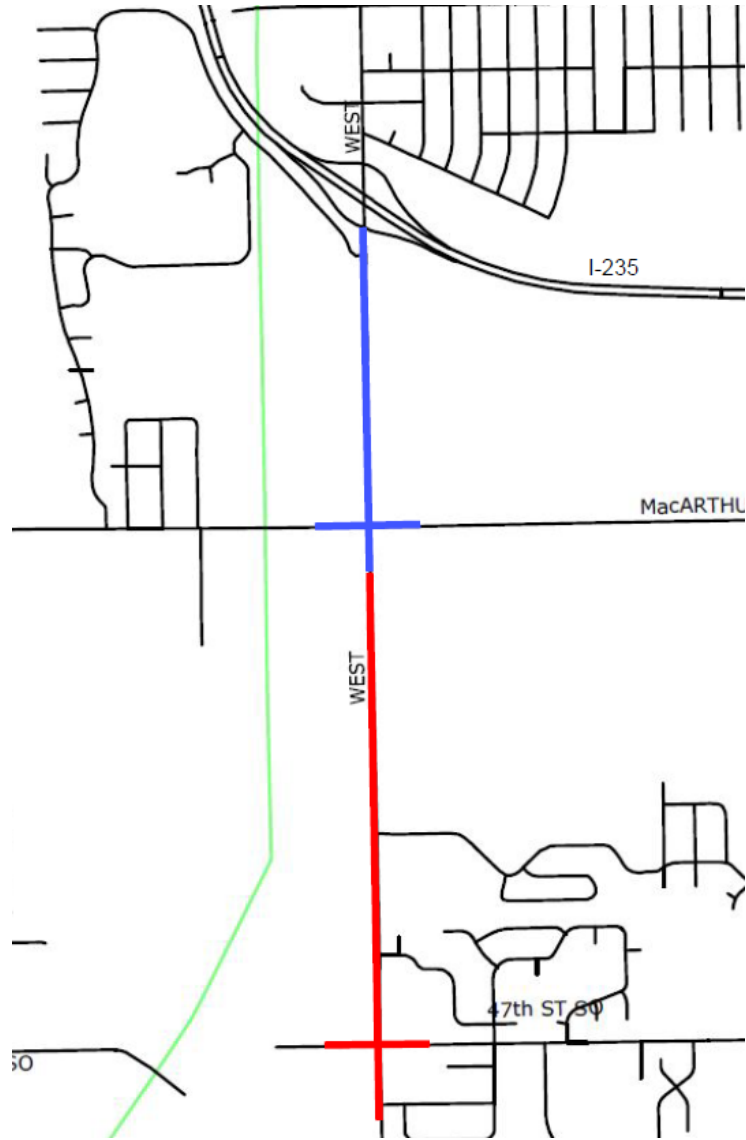

Background

- January 12, 2021: City Council approved \$275,000 in funding from Local Sales Tax for design to improve West Street between I-235 and MacArthur Road.
- July 20, 2021: City Council approved an agreement with WSP USA, Inc. for a design concept.
- March 7, 2022: District Advisory Board (DAB) IV approved the proposed design concept 8 to 1.

Future Growth – New Employment

West Street Corridor Projects

Analysis

- West Street between I-235 and MacArthur Road is currently a two-lane asphalt mat street with ditches on each side and no sidewalks.
- Proposed new concept will be an expanded four-lane roadway with center turn lane, new traffic signal at MacArthur Road, curb and gutter, underground storm sewers where possible, concrete lined ditch on the west side of the road for improved drainage.
- Construction is planned for 2025, and one lane of traffic will be maintained during construction.

Proposed Improvements

Proposed Improvements

10-10-2020

Financial Considerations

- The design fee to date is \$119,764. The cost of Supplemental Design Agreement No. 1 is \$289,820, for a total design fee of \$409,584.
- The existing budget is \$275,000, which was approved by the City Council on January 12, 2021. Staff recommends initiating \$150,000 in Local Sales Tax Funding in 2022 from the Adopted 2022-2031 Capital Improvement Program for right-of-way acquisition and staff oversight. The total design budget will be \$425,000.

Recommendations/Actions

Approve Supplemental Design Agreement No. 1 and revised budget, adopt the amending resolutions, and authorize the necessary signatures
