

2022 Traffic Signalization (All Districts)

Public Works & Utilities/Engineering

April 19, 2022

Background

The Adopted 2022-2031 Capital Improvement Program (CIP) includes annual funding to signalize major intersections and improve the traffic signals at existing signalized intersections.

Analysis

The 2022 Traffic Signalization Program will be used for design and construction of traffic signals at the following locations:

- Ridge and Village Circle
- 29th Street North and Greenwich Road
- MacArthur Road and Hoover Road

The Ridge and Village Circle signal is expected to be constructed in 2022. The other two signals are expected to be constructed in 2023. Remaining funds will be used for additional sites as requested by the public or identified by staff when warrants are met.
