## District I grant applications now available

Applications for the District I neighborhood grant program are now available online and at the Atwater Neighborhood Resource Center, 2755 E. 19th St. N. In September, the City Council approved \$124,000 of Hyatt sale proceeds for the District I grant program.

Up to \$1,500 is available to income-qualifying individuals in District I for the following purposes:

- Residential sidewalk repair;
- Tree trimming or removal that presents a clear and existing danger to human life or the integrity of the structure; and
- Address deed issues in order to establish legal home ownership

Grant applications for other special projects will be considered on a case-by-case basis. Grant funds are intended to provide assistance that is not otherwise available to income-qualifying individuals. It is recommended that applications be sponsored or endorsed by a City Department or partnering agency within the community

"I am looking forward to working with applicants to greater enhance our community and empower citizens to establish legal home ownership," said District I Council Member Brandon Johnson. "This is a great program that will benefit our District and city greatly."

Grant applications will be reviewed and evaluated by a Grant Review Committee appointed pursuant to City Ordinance No. 50-585. The applications may be found at [www.wichita.gov](http://www.wichita.gov) on the City Council District I page.
