Contractor must comply with all the requirements of the Kansas Open Records Act (K.S.A. 42-215 *et seq.*) in providing services and/or goods under this Agreement. Contractor shall accept full responsibility for providing adequate supervision and training to its agents and employees to ensure compliance with the Act. No private or confidential data collected, maintained or used in the course of performance of this Agreement shall be disseminated by either party except as authorized by statute, either during the period of the Agreement or thereafter. Contractor must agree to return any or all data furnished by the City promptly at the request of City in whatever form it is maintained by Contractor. Upon the termination or expiration of this Agreement, Contractor shall not use any of such data or any material derived from the data for any purpose and, where so instructed by City, shall destroy or render such data or material unreadable. The parties accept that City must comply with the Kansas Open Records Act, and will produce upon written request all documents pertaining to this Agreement other than those covered by express exceptions to disclosure listed in the Act.

Parties to this Agreement understand that the provisions of this paragraph 13 (with the exception of those provisions relating to the ADA) are not applicable to a contractor who employs fewer than four employees during the term of this Agreement or whose contracts with the City cumulatively total \$5,000 or less during the City's fiscal year. You will be contacted if you are the successful vendor and do not have a current EEO/AA submittal on file with the Purchasing Office and/or have not REGISTERED VIA THE CITY'S WEB SITE: <https://selfservice.wichita.gov/MSS/Vendors/default.aspx>. Part 180) a person or entity that is debarred or suspended in the System for Award Management (SAM) shall be excluded from federal financial and nonfinancial assistance and benefits under federal programs and activities. All non-federal entities, including the City of Wichita, must determine whether the Contractor has been excluded from the system and any federal funding received or to be received by the City in relation to this Agreement prohibits the City from contracting with any Contractor that has been so listed. 15. **Compliance with Law.** Contractor shall comply with all applicable local, state and federal laws and regulations in carrying out this Agreement, regardless of whether said local, state and federal laws are specifically referenced in the Agreement to which this attached is incorporated.
