

District Advisory Board Online Orientation

Congratulations on your appointment to the District Advisory Board (DAB). Whether you are a returning member or a newly appointed member, District Advisory Boards are an integral part of our communities, and your service to the City of Wichita is greatly appreciated.

To help prepare you for your new role as a DAB member, as well as to continue development for our returning members, we have created an online orientation to help get you started. The following presentations and documents are for your review. Please contact your Neighborhood Assistant (listing below) with any questions or feedback. Thank you for serving!
