Scott Knebel, Planning, will report on the 2015-2035 Community Investments Plan. In 2011, the City of Wichita and Sedgwick County initiated a process to develop the Community Investments Plan to replace the current joint City and County Comprehensive Plan which dates back to 1993. A more current and relevant plan is needed to help set public infrastructure investment priorities and provided a decision-making framework to guide future public investments out to the year 2035 in municipal buildings and infrastructure (e.g. libraries, public safety buildings, streets, bridges, parks, water supply, sanitary and storm sewer, culture, and recreation, etc.).

Recommended Action: Planning staff recommends that the adoption of the 2015-2035 Community Investments Plan be APPROVED.
