

RV Dump Stations in Metro Wichita Vicinity

Recent events have created a heightened awareness of security at the nation's critical infrastructure, including Wichita drinking water and wastewater systems. These systems are potentially vulnerable to different kinds of natural disasters and terrorist threats. As a result, the City was compelled to discontinue the practice of taking domestic waste from individual recreational vehicles at the City wastewater treatment plant. Below is a list of service providers in the area that perform this service.

Name	Location Address	Phone	RV Waste Station?	Charge
Blaisi Campground	11409 W Kellogg	316-722-2681	Yes	\$7.00
All Seasons RV Park	15520 W Maple Goddard, KS	316-722-1154	Yes	\$7.00
USI RV Park	2920 W 33 rd Street N	316-838-8699	Yes	\$12.00
