4. Operations and Management

[24 CFR Part 903.7 9 (e)]

Exemptions from Component 5: High performing and small PHAs are not required to complete this

The City of Wichita Housing Authority (WHA) owns and manages 578 residential units. 176 units in AMP KS004000001 designated for seniors only, 50 units in AMP KS004000002 designated for seniors and or persons with disabilities, 193 scattered site single family units in AMP KS004000003 and 159 scattered site single family units in AMP KS004000004. It is estimated that 120 units will become available annually for housing low-income applicants.

During the early 1990's the WHA had all dwellings tested for lead-based paint and all identified lead-based paint issues were abated with modernization funds. When tenants lease a unit they receive a copy of the booklet *Protect Your Family from Lead in Your Home*. All maintenance and modernization projects are performed in accordance with 24 CFR 35 and updates.

The WHA's conditions, rules and regulations of occupancy are maintained and made available for review at its main administrative office located at 332 N. Riverview, Wichita, Kansas. The WHA Lease Agreement contains the conditions, rules and regulations of occupancy.

It is the policy of the WHA to ensure that all residential units will be maintained in accordance to the highest Uniform Physical Condition Standards possible. WHA staff aggressively address maintenance emergencies and take corrective action within 24 hours of notification. With the use of on call maintenance staff, WHA responds to evening, holiday and weekend emergencies. Additionally WHA addresses minor physical needs by responding to work orders on a daily basis.

The WHA continues to rehabilitate vacant units with its make-ready crews and/or local contractors. The Uniform Physical Condition Standard is the measure to which units are rehabilitated. The WHA installs Energy Star products and appliances since more efficient equipment pays for itself with energy savings and it offers an opportunity for the PHA to reduce operating costs.

In 2013 WHA contracted with EMG to perform its 5-Year Energy Audit and staff are implementing those core energy recommendations annually.

It is also the policy of the WHA to contract with vendors to perform the necessary actions in accordance with the WHA preventive maintenance program. Preventive maintenance ensures that minor physical needs will be periodically corrected to avoid maintenance emergencies. Preventive and routine maintenance is performed on the chillers and boilers in our high rise buildings, and fire sprinkler systems.

WHA performs mandatory pest control inspections semi-annually at Greenway Manor and McLean Manor and annually at Bernice Hutcherson and Rosa Gragg apartment complexes. The WHA provides treatment as identified at no expense to the tenants when the annual pest inspection confirms the need. The elderly tenants, at their expense, may request monthly inspections and/or treatments from the WHA vendor at a reduced cost. Single-family dwellings are inspected by WHA Property Managers for pests annually. In the event that a pest infestation is evident and the tenant does not remedy the situation, Property Managers may order treatment at the tenant's expense. The tenant may obtain treatment on a monthly basis at a reduced rate from the WHA vendor. The vendor's treatment will take under consideration all tenant health situations prior to treatment.

WHA seeks to hire Section 3 business concerns whenever possible for dwelling unit rehabilitation, mowing, janitorial and individuals for full-time employment in the day-to-day operations. WHA is a host agency training site for the SER Senior Community Service Employment Program (SCSEP). SER SCSEP participants are low-income seniors, age 55 and above who want to learn new job skills so they can re-enter the workforce. SER pays the SCSEP participants minimum wage as they train on-the-job 25 hours a week for the host agency. Typical training includes computer skills, word processing, data entry, reception work, and filing.

The following provisions are applicable to situations involving actual or threatened domestic violence, dating violence or stalking, as those terms are defined in Section 6(u)(3) of the United States Housing Act of 1937, as amended, (42 U.S.C. §1437d(u)(3)) and in the Violence Against Women Act (VAWA) Policy. To the extent any provision of this section shall vary from or contradict any other provision of this lease, the provisions of this section shall prevail.

A. Termination of Tenancy.

- 1) An incident or incidents of actual or threatened domestic violence, dating violence or stalking shall not constitute a serious or repeated violation of the lease by the victim of such violence; and
- 2) Criminal activity directly relating to domestic violence, dating violence or stalking, engaged in by a member of the Tenant's household, a guest, or other person under the Tenant's control, shall not be cause for termination of tenancy or occupancy rights, if the Tenant or any member of the Tenant's family is a victim of that domestic violence, dating violence or stalking.
- 3) Notwithstanding anything to the contrary contained in this agreement, the WHA may terminate Tenant's tenancy under this lease if it can demonstrate an actual and imminent threat that may result to other tenants or to those employed at or providing service to the property in which the unit is located, if the Tenant's tenancy is not terminated.
- 4) Further, nothing in this section shall prohibit the WHA from terminating tenancy under this lease based on a violation of this lease not premised on an act or acts of domestic violence, dating violence or stalking against the Tenant or a member of the Tenant's household for which protection against termination of tenancy is given in this agreement. However, in taking any such action to terminate tenancy, the WHA shall not apply a more demanding standard than is applied to other Tenants.

Under the authority provided in Section 6(1)(6)(B) of the United States Housing Act of 1937, as amended (42 U.S.C. §1437d(1)(6)(B)), the WHA may bifurcate this lease in order to evict, remove, or terminate assistance to any individual who is a Tenant or a lawful occupant under this lease and who engages in criminal acts of physical violence against family members or others. The WHA may take such action without evicting, removing, terminating assistance to, or otherwise penalizing a victim of such violence who is the Tenant or a lawful occupant under this lease.

C. Certification. If the Tenant or another lawful occupant of the household, as a defense to termination of tenancy or an action to evict, claims protection under this section against such action, the WHA may request the individual to provide a certification. The certification may be provided in one of the following forms:

- 1) A HUD-approved form ,supplied upon request by the WHA, attesting that the individual is a victim of domestic violence, dating violence or stalking and that the

incident(s) in question are bona fide incidents of such actual or threatened abuse and meet the requirements of this section, or

- 2) Documentation signed by an employee, agent or volunteer of a victim service provider, an attorney, or a medical professional, from whom the victim has sought assistance in addressing domestic violence, dating violence or stalking or the effects of the abuse, in which the professional attests under penalty of perjury to the professional's belief that the incident(s) in question are bona fide incidents of abuse, and the victim has signed or attested to the documentation, or
- 3) A federal, state, tribal, or local police report or court record, describing the incident(s).

The certification must be delivered to the WHA Property Manager within 14 days after the request for Certification is received. If the certification is not delivered within the 14-day period allowed, the provisions of this section will not apply and the WHA may elect to terminate tenancy and evict without regard to the protections provided in this section.

- D. Confidentiality.** Information provided to the WHA concerning incident(s) of domestic violence, dating violence or stalking shall be retained in confidence and disclosed only as permitted by applicable law.

E. Emergency Transfer Policy

The WHA is concerned about the safety of its tenants, and such concern extends to tenants who are victims of domestic violence, dating violence, sexual assault, or stalking. In accordance with the Violence Against Women Act (VAWA),¹ the WHA allows tenants who are victims of domestic violence, dating violence, sexual assault, or stalking to request an emergency transfer from the tenant's current unit to another unit. The ability to request a transfer is available regardless of sex, gender identity, or sexual orientation.² The ability of the WHA to honor such request for tenants currently receiving assistance, however, may depend upon a preliminary determination that the tenant is or has been a victim of domestic violence, dating violence, sexual assault, or stalking, and on whether the WHA has another dwelling unit that is available and is safe to offer the tenant for temporary or more permanent occupancy.

This plan identifies tenants who are eligible for an emergency transfer, the documentation needed to request an emergency transfer, confidentiality protections, how an emergency transfer may occur, and guidance to tenants on safety and security. This plan is based on a model emergency transfer plan published by the U.S.

¹ Despite the name of this law, VAWA protection is available to all victims of domestic violence, dating violence, sexual assault, and stalking, regardless of sex, gender identity, or sexual orientation.

² Housing providers cannot discriminate on the basis of any protected characteristic, including race, color, national origin, religion, sex, familial status, disability, or age. HUD-assisted and HUD-insured housing must be made available to all otherwise eligible individuals regardless of actual or perceived sexual orientation, gender identity, or marital status.

Department of Housing and Urban Development (HUD), the Federal agency that oversees that the WHA is in compliance with VAWA.

F. Eligibility for Emergency Transfers

A tenant who is a victim of domestic violence, dating violence, sexual assault, or stalking, as provided in HUD's regulations at 24 CFR part 5, subpart L is eligible for an emergency transfer, if: the tenant reasonably believes that there is a threat of imminent harm from further violence if the tenant remains within the same unit. If the tenant is a victim of sexual assault, the tenant may also be eligible to transfer if the sexual assault occurred on the premises within the 90-calendar-day period preceding a request for an emergency transfer.

A tenant requesting an emergency transfer must expressly request the transfer in accordance with the procedures described in this plan.

Tenants who are not in good standing may still request an emergency transfer if they meet the eligibility requirements in this section.

G. Emergency Transfer Request Documentation

To request an emergency transfer, the tenant shall notify the WHA's management office and submit a written request for a transfer to the WHA. The WHA will provide reasonable accommodations to this policy for individuals with disabilities. The tenant's written request for an emergency transfer should include either:

1. A statement expressing that the tenant reasonably believes that there is a threat of imminent harm from further violence if the tenant were to remain in the same dwelling unit assisted under the WHA's program; OR
2. A statement that the tenant was a sexual assault victim and that the sexual assault occurred on the premises during the 90-calendar-day period preceding the tenant's request for an emergency transfer.

H. Emergency Transfer Timing and Availability

The WHA cannot guarantee that a transfer request will be approved or how long it will take to process a transfer request. The WHA will, however, act as quickly as possible to move a tenant who is a victim of domestic violence, dating violence, sexual assault, or stalking to another unit, subject to availability and safety of a unit. If a tenant reasonably believes a proposed transfer would not be safe, the tenant may request a transfer to a different unit. If a unit is available, the transferred tenant must agree to abide by the terms and conditions that govern occupancy in the unit to which the tenant has been transferred. The WHA may be unable to transfer a tenant to a particular unit if the tenant has not or cannot establish eligibility for that unit.

If the WHA has no safe and available units for which a tenant who needs an emergency is eligible, the WHA will assist the tenant in identifying other housing providers who may have safe and available units to which the tenant could move. At the tenant's request, the WHA will also assist tenants in contacting the local

organizations offering assistance to victims of domestic violence, dating violence, sexual assault, or stalking that are attached to this plan.

I. Safety and Security of Tenants

Pending processing of the transfer and the actual transfer, if it is approved and occurs, the tenant is urged to take all reasonable precautions to be safe.

Tenants who are or have been victims of domestic violence are encouraged to contact the National Domestic Violence Hotline at 1-800-799-7233, or a local domestic violence shelter, for assistance in creating a safety plan. For persons with hearing impairments, that hotline can be accessed by calling 1-800-787-3224 (TTY).

Tenants who have been victims of sexual assault may call the Rape, Abuse & Incest National Network's National Sexual Assault Hotline at 800-656-HOPE, or visit the online hotline at <https://ohl.rainn.org/online/>.

Tenants who are or have been victims of stalking seeking help may visit the National Center for Victims of Crime's Stalking Resource Center at <https://www.victimsofcrime.org/our-programs/stalking-resource-center>.

J. Confidentiality

The WHA will keep confidential any information that the tenant submits in requesting an emergency transfer, and information about the emergency transfer, unless the tenant gives the WHA written permission to release the information on a time limited basis, or disclosure of the information is required by law or required for use in an eviction proceeding or hearing regarding termination of assistance from the covered program. This includes keeping confidential the new location of the dwelling unit of the tenant, if one is provided, from the person(s) that committed an act(s) of domestic violence, dating violence, sexual assault, or stalking against the tenant. See the Notice of Occupancy Rights under the Violence Against Women Act For All Tenants for more information about the WHA's responsibility to maintain the confidentiality of information related to incidents of domestic violence, dating violence, sexual assault, or stalking.

14. Public Housing Smoke-Free Housing Policy

Smoke Free Housing Policy
24 CFR Parts 965 and 966
Enforcement Date: July 30, 2018

1. Department of Housing and Urban Development Rule

On November 29, 2016, the Department of Housing and Urban Development (HUD) adopted Rule RIN 2577-AC97, effective on February 3, 2017, which requires every Public Housing Agency (PHA) administering public housing to implement a smoke free policy. Specifically, no later than 18 months from the effective date of the rule, each PHA must implement a “smoke free” policy banning the use of “prohibited tobacco products” in all public housing living units, indoor common areas in public housing, and in PHA administrative office buildings. The smoke free policy must also extend to all outdoor areas up to 25 feet from the public housing and administrative office buildings.

2. Prohibited Tobacco Products

Prohibited tobacco products are defined as (1) items that involve the ignition and burning of tobacco leaves, such as (but not limited to) cigarettes, cigars, and pipes, and (2) to the extent not covered by (1), water pipes (hookahs).

3. Purpose of Policy

This smoke free policy is intended to benefit the Housing Authority and all of its public housing tenants, visitors, and staff by mitigating (i) the irritation and known adverse health effects of secondhand smoke; (ii) the increased maintenance, cleaning, and redecorating costs from smoking; (iii) the increased risk of fire from smoking; and (iv) the higher costs of fire insurance for a non-smoke-free dwelling unit. This policy is in effect for all Wichita Public Housing units, including multifamily and single family units.

4. All Buildings and Dwelling Units To Be Smoke Free

All public housing buildings, dwelling units, single-family homes and administrative offices shall be smoke free. Smoking is prohibited in all living units, including any associated balconies, decks, or patios, and in the common areas of the buildings, including, but not limited to, community rooms, community bathrooms, lobbies, reception areas, hallways, laundry rooms, stairways, offices, and elevators.

5. Smoking on Grounds of Buildings and Dwelling Units

Smoking is prohibited within 25 feet of public housing dwelling units, single-family homes, and public housing administrative buildings, and common areas including but not limited to entryways, patios, parking lots, and yards or on the grounds adjoining public

housing and public housing administrative buildings. Smoking is only permitted on property grounds past the 25 feet threshold.

6. Applicability of Policy

This Policy is applicable to all tenants, Housing Authority employees, visitors, contractors, volunteers, and vendors.

7. Responsibilities of Tenants

Tenants and household members shall be responsible to inform and enforce this Policy to their guests, invitees, and visitors to their residential units. Further, a Tenant may provide the Housing Authority a written statement of any incident where tobacco smoke is migrating into the Tenant's unit, single-family home or common space element. Property Managers will investigate the complaint and take appropriate action.

8. Violations of Policy

A violation of this smoke free Policy shall be considered a material breach of the Tenant's Lease and grounds for enforcement actions, including eviction, by the Housing Authority. A Tenant who violates the Policy shall also be liable to the Housing Authority for the costs of repair to the Tenant's apartment unit or single-family home due to damage from smoke odors or residue.

Should the Housing Authority find any Tenant in violation of this Policy, the following enforcement steps shall take place:

1. First, a verbal warning will be communicated to the Tenant. Documentation that a verbal warning was communicated will be recorded in the Tenant's file.
2. Second, a 14-day Written Notice will be provided to the Tenant and placed in the Tenant's file. This notice gives the Tenant 14 days to come into compliance with the policy.
3. Third, a 30-day Written Notice will be provided to the Tenant, providing that the policy has been violated again and that the Housing Authority is moving forward with Lease Termination and Eviction. The 30-day Notice will be documented in the Tenants file.
4. After the 30-day Notice has been provided, the Tenant has an opportunity to exercise the grievance procedure in accordance with the lease.

It has been determined that the conversion of all applicable developments will be inappropriate. Voluntary conversion would adversely affect the availability of affordable and low-income housing in the City of Wichita.
