Mayor's Youth Council Membership Criteria and Application

Deadline for Applying: April 30, 2022 at 11:59 PM

What is the Mayor's Youth Council?

The Wichita Mayor's Youth Council (MYC) was established in 2008 to provide Wichita youth with the opportunity to weigh in on community issues and learn about local government. MYC provides an outlet for young leaders to discuss and take action on issues that are important to them. Members have opportunities to develop their leadership skills through community engagement activities, to advocate for youth in community matters, and to represent their peers in the development and adoption of public policy at the local, state, and national levels.

MYC is composed of approximately thirty high school students who live within the City of Wichita. As a student-led organization, the Executive Board functions as the governing body of the Council and its six members, who are in at least their second year on the Council, are voted into their positions at the end of last MYC year. The Council is further divided into sub-committees called "issue groups," which are established each year by the Council and focus on the specific public policy issues which the members are most passionate about. Each issue group elects its own Chairs or Co-Chairs and spends the year working to complete a key project which will advance the group's position on the issue.

Want to Join Us?

You can apply to join the Mayor's Youth Council if the list below describes you.
