

# ***Up in the Air***

Recommended for Ages 4 and Up

**What was that sound?**

**Does a bird use that nest?**

**Where do birds live in our City?**

Your group will not only listen for the WATER Center birds, but using the tools in the **Up in the Air Family Adventure Pack**, you can call back to the geese, ducks, and herons.

Youth will use these skills:

- using tools
- animal investigation
- shape recognition
- sound recognition
- reading
- listening
- compare and contrast
