This report is available online at http://www.wichita.gov (under the “Streets” link, then “Construction Bulletin”) Report malfunctioning streetlights to traffic@wichita.gov; please include an address and pole number, if possible.

As with any construction project, closures & detours may vary both in duration and location. Timeframes are tentative and subject to change. Please plan accordingly.

If a Project Engineer is unavailable, please contact Construction Division Manager:
Steve Degenhardt, (316) 268-4043.

I. STREET, HIGHWAY, BRIDGE and OTHER PROJECTS WITH MAJOR TRAFFIC IMPACTS

**District 1 (Johnson)**

- **Douglas Street Bridge at Brookside:** This project will reconstruct the Douglas Street Bridge over the Brookside drainage ditch with drainage improvements, sidewalk, and decorative pedestrian handrail panels.  
  *Traffic Impact:* Douglas is one lane in each direction. Brookside is CLOSED north of Douglas.  
  Contractor: Wildcat Construction  
  City Contact: Kevin Yale (268-4059 / kyale@wichita.gov)  
  Estimated completion: Fall 2020

- **Hillside, 45th Street to 53rd Street North:** This project will place a new asphalt surface on Hillside Ave, from 45th Street to 53rd Street North.  
  *Traffic Impact:* Temporary lane closures will occur in the area of construction.  
  Contractor: APAC  
  City Contact: Kyle Kerns (268-4044 / kkerns@wichita.gov)  
  Estimated completion: Summer 2020
District 2 (Tuttle)

- **Kellogg and Webb Road Interchange**: Kellogg will be improved to a six-lane freeway with an interchange at Webb Road. The project improvements include the following: one-way frontage roads on the north and south sides of Kellogg; Webb Road Bridge over Kellogg; new traffic signals at Webb and at Corporate Hills; six-foot sidewalks; aesthetic enhancements; waterline, sanitary sewer, and storm water improvements; and landscaping following construction. KTA exit 50 will remain open but with modified access from the frontage road and not directly from Kellogg. Direct connections to the KTA will be constructed with the Greenwich Project. Please go to [www.eastkelloggiimprovements.com](http://www.eastkelloggiimprovements.com) for additional project information. Regular project updates can be found on Twitter @E54ICT.

  **Traffic Impact**:
  - Speed limits remain **REDUCED to 40 mph** on Kellogg and 30 mph on Webb throughout the construction zone.
  - Lane closures will occur on Webb Rd.
  - Access to and from the KTA
    - Eastbound Kellogg: to access the KTA, proceed to K-96 (2 miles east of Webb) and then use the exit for I-35/127th. The toll plaza near Webb is still open with access only from the south frontage road; there is no longer direct access from Kellogg.
    - Westbound Kellogg: to access the KTA, proceed to Rock Rd and make a U-turn and stay on the south frontage road.

  Contractor: *Wildcat Construction*  
  City Contact: *Steve Degenhardt* (268-4043 / sdegenhardt@wichita.gov)  
  Estimate completion: Summer 2020

- **Kellogg, Greenwich Road and I-35 Interchanges**: Kellogg will be improved to a six-lane freeway with an interchange at Greenwich Road and new interchange connections to I-35 (KTA). The connections to I-35 will allow access for EB Kellogg to NB & SB I-35, and for SB I-35 to WB Kellogg. The project improvements include the following: Kellogg bridges over Greenwich, Zelta, and I-35; interchange ramps to I-35; one-way frontage roads on the north and south sides of Kellogg; connection of 127th (south of Kellogg) to Zelta with a bridge over I-35; new traffic signals to replace existing signals at Greenwich, Zelta and the entrance to One Kellogg Place on Greenwich; ten-foot shared-use-path along Greenwich for pedestrians and bicyclists; aesthetic enhancements; waterline, sanitary sewer, and storm water improvements; and landscaping following construction. Please go to [http://www.eastkelloggiimprovements.com](http://www.eastkelloggiimprovements.com) for additional project information. Regular project updates can be found on Twitter @E54ICT.

  **Traffic Impact**:
  - Zelta under Kellogg is closed for approximately two months.
  - Speed limit remains **REDUCED to 40 mph** on Kellogg.
  - South frontage road access from Zelta to 127th Street is open to eastbound traffic only.
  - Southbound K-96 ramp to westbound Kellogg is closed for the duration of the project (until 2021).

  Contractor: *Wildcat Construction*  
  Contact: *Glen Scott* (652-2672 / gscott@kturnpike.com)  
  Estimate completion: Late 2021

- **Webb Road, between Pawnee and Harry**: This project will provide water utilities for the Chalet Ridge housing development.

  **Traffic Impact**: Webb Road will be reduced to one lane in each direction.

  Contractor: *Pearson Construction*  
  City Contact: *Kevin Yale* (268-4059 / kyale@wichita.gov)  
  Estimated completion: Summer 2020
- **Rock Road, 37th Street North to Champions Street**: This project will place a new asphalt surface on Rock Road, from 37th Street North to Champions Street.  
  *Traffic Impact*: Temporary lane closures will occur in the area of construction.  
  Contractor: APAC  
  City Contact: Kyle Kerns (268-4044 / kkerns@wichita.gov)  
  Estimated completion: Summer 2020

**District 3 (Clendenin)**

- **Mt. Vernon, Broadway to Southeast Boulevard**: This project will convert Mt. Vernon from a two-lane roadway to three-lane with on-street bike lanes. The project also replaces the undersized drainage system along the corridor. The intersections of Washington and Southeast Boulevard will be reconstructed.  
  *Traffic Impact*: Mt. Vernon is CLOSED in three block segments. Traffic is detoured to Harry at Broadway and Hydraulic. This closure will move east in a three block segment from Broadway to Mead.  
  Contractor: Pearson Construction  
  City Contact: Kyle Kerns (268-4044 / kkerns@wichita.gov)  
  Estimated completion: Spring 2021

- **Harry Street Bridge over Arkansas River**: This project will replace the bridge on Harry over the Arkansas River.  
  *Traffic Impact*: The bridge is CLOSED over the river. Traffic will be detoured utilizing Broadway, Lincoln, and McLean. Local traffic will be allowed to residences and businesses between Broadway and Greenway Blvd.  
  Contractor: Dondlinger & Sons Construction  
  City Contact: Kyle Kerns (268-4044 / kkerns@wichita.gov)  
  Estimated completion: Spring 2021

- **Edgemoor, Orme to Harry**: This project will place a new asphalt surface on Edgemoor, from Orme to Harry.  
  *Traffic Impact*: Temporary lane closures will occur in the area of construction.  
  Contractor: APAC  
  City Contact: Kyle Kerns (268-4044 / kkerns@wichita.gov)  
  Estimated completion: Summer 2020

**District 4 (Blubaugh)**

- **West Street, Harry to Kellogg**: This project will reconstruct West Street to a five-lane roadway with two through lanes in each direction and a center two-way left turn lane. Intersections and driveways will be constructed with larger turning radii to accommodate commercial traffic. The project also includes drainage and water line improvements, sidewalk on both sides of the street, and traffic signal upgrades with pedestrian safety enhancements at Harry Street and Walker.  
  *Traffic Impact*: West Street is reduced to one lane in each direction. Left turns at Harry will be prohibited. The entrance to Walker, west of West Street will be closed starting Wednesday. Traffic will be required to use Harry to access the area west of West Street.  
  Contractor: Cornejo & Sons  
  City Contact: Kyle Kerns (268-4044 / kkerns@wichita.gov)  
  Estimated completion: Spring 2021
- **Maple at Sheridan**: This project will rehabilitate a manhole in the intersection of Maple and Sheridan.
  
  **Traffic Impact**: Maple is CLOSED at Sheridan. Traffic will be detoured utilizing Meridian, Douglas, and West Street.
  
  **Contractor**: Visual Systems
  
  **City Contact**: Jeff Terhune (268-4046 / jterhune@wichita.gov)
  
  **Estimated completion**: Summer 2020

---

**District 5 (Frye)**

- **29th Street North and Maize Road Intersection**: This project will lengthen the left turn lanes on 29th Street and construct a dedicated right turn lane for northbound Maize Road onto 29th Street.
  
  **Traffic Impact**: Maize is reduced to one lane in each direction. Left turns may be temporarily restricted during placement of new asphalt surface.
  
  **Contractor**: Pearson Construction
  
  **City Contact**: Kyle Kerns (268-4044 / kkerns@wichita.gov)
  
  **Estimated completion**: Summer 2020

---

- **13th Street North, 135th Street to 119th Street West**: This project will reconstruct 13th Street to a three-lane roadway with one through lane in each direction and a center two-way left turn lane. The project also includes drainage improvements, sidewalk, and a 10-foot multi-use path on the north side of 13th Street. The intersection at 135th Street will be reconstructed to include left turn lanes in all directions. The intersection will remain a four-way stop upon completion as traffic signals are not warranted at this time.
  
  **Traffic Impact**: 13th Street is CLOSED from west of 135th Street (13th Street Ct.) to Liberty on the east. Two-way traffic will be restored from 119th Street to Liberty. Traffic on 13th Street will be detoured to 21st Street at 151st and 119th Streets. Traffic on 135th Street will remain one lane northbound only.
  
  **Contractor**: Kansas Paving
  
  **City Contact**: Kyle Kerns (268-4044 / kkerns@wichita.gov)
  
  **Completion**: Spring 2021

---

**District 6 (Claycomb)**

- **No projects at this time**
Multiple Districts

District 1 & District 6 (Johnson & Claycomb)

- **17th Street North, from Broadway to I-135:** This project will reconstruct 17th Street to a three-lane roadway with one through lane in each direction and a center two-way left turn lane. The intersections at Broadway and Mosley will be reconstructed to include left turn lanes in all directions, new traffic signals, and pedestrian enhancements. The project will construct sidewalk on both sides of the street and provide a bike route. The project also includes drainage improvements and water main replacement.
  
  **Traffic Impact:** 17th Street is CLOSED in three block segments at I-135 and will move west towards Broadway. Traffic is detoured to 13th Street at Mosley and Hydraulic.
  
  Contractor: **Pearson Construction**
  
  City Contact: **Greg Baalman** (268-4048 / gbaalman@wichita.gov)
  
  Estimated Completion: Summer 2021

- **Hydraulic, 37th Street to 45th Street North:** This project will place an asphalt overlay on Hydraulic.
  
  **Traffic Impact:** Temporary lane closures will occur in the area of construction.
  
  Contractor: **APAC**
  
  City Contact: **Kyle Kerns** (268-4044 / kkerns@wichita.gov)
  
  Estimated completion: Summer 2020

District 4 & District 5

- **Maple, 151st Street to 167th Street West:** This project will install a sewer force main along Maple.
  
  **Traffic Impact:** Maple west of 151st street is CLOSED to westbound traffic.
  
  Contractor: **McCullough**
  
  City Contact: **Brandon Woods** (268-4022 / bwoods@wichita.gov)
  
  Estimated completion: Summer 2020

District 1 & District 2

- **Rock Road, K-96 to 37th Street North:** This project will place a new asphalt surface on Rock Road, from K-96 to 37th Street North.
  
  **Traffic Impact:** Temporary lane closures will occur in the area of construction.
  
  Contractor: **APAC**
  
  City Contact: **Kyle Kerns** (268-4044 / kkerns@wichita.gov)
  
  Estimated completion: Summer 2020
I-235, Meridian to Broadway North– The Green Project: The first phase leading up to the rebuild of the North Junction began on March 11. The project replaces aged pavement, adds auxiliary lanes, removes the Seneca Street Bridge over I-235, builds a new 40th Street from Meridian to Seneca, replaces bridges over the Little Ark River and Broadway, and improves the geometry of the Broadway interchange by rebuilding ramps. 

Traffic Impact: Northbound I-235 and eastbound K-96 are reduced to one lane as they merge east of Meridian. Old Lawrence Road under I-235 is CLOSED. Both northbound & southbound Broadway in the construction zone under I-235 are single lane traffic until next year. The N. Broadway On Ramp to NB I-235 is CLOSED until the construction of the two ramps are completed on the south side of the interstate.

Contractor: Bergkamp King, a Joint Venture, LLC
KDOT Contact: Tom Hein (660-4990 / Tom.Hein@ks.gov)
Estimated completion: Late 2021

Bridge Repair on NB I-135 east of S. Hydraulic St: This is a bridge repair project between S. Hydraulic and Pawnee. 

Traffic Impact: Single lane traffic on NB I-135 throughout the area of construction.
Contractor: Cornejo & Sons
KDOT Contact: Tom Hein (660-4990 / Tom.Hein@ks.gov)
Estimated completion: Summer 2020

Bridge Replacement on SB I-235: This project will replace the two bridges over the railroad tracks west of West Street, both directions of I-235. Initial work will establish crossovers to facilitate single lane traffic. A long term ramp closures will begin April 1.

Traffic Impact: I-235 is reduced to single lane traffic in both directions. The exit ramp from SB I-235 to West Street is CLOSED.
Contractor: Wildcat Construction
KDOT Contact: Tom Hein (660-4990 / Tom.Hein@ks.gov)
Estimated completion: Summer 2020

Bridge Repair on EB & WB US 54 over Tyler Road: This project will repair the bridge over Tyler Road. 

Traffic Impact: Traffic on US 54 is reduced to two lanes in each direction.
Contractor: Cornejo & Sons
KDOT Contact: Tom Hein (660-4990 / Tom.Hein@ks.gov)
Estimated completion: Summer 2020

Bridge Repair on EB & WB K-254 near Kechi: This project will repair the Rail Road bridge. 

Traffic Impact: Single lane traffic on K-254 near Oliver.
Contractor: Cornejo & Sons
KDOT Contact: Tom Hein (660-4990 / Tom.Hein@ks.gov)
Estimated completion: Summer 2020

Kevin Yale (268-4059 / kyale@wichita.gov)

V. BUILDING PROJECTS (little traffic impact)
1. Demolitions and Asbestos Abatement at multiple City locations: On going on as-needed basis.
2. Cowtown Munger House and Street Grading – Documentation underway.
6. Old Town Plaza Site Improvements – On going.
7. Evergreen Library Neighborhood Center Remodel – Documentation underway
9. Kansas Aviation Museum Roof Structural Study – On-going
10. Sewer Plant II Desludging Building Roof Structural Analysis – On-going

City Contact: Migwi Karugu (268-4492 / mkarugu@wichita.gov)
1. Fire Training Maintenance Facility Design Consultant Selection: Modified version of the original project is under review and in programming stage.

2. Gander Mountain Garage Repair: Engineer has inspected the structure and working up proposals for repair option specifications and detail drawings.

3. WPD Crime Lab Relocation: Project has been bid and awarded to Bauer and Son Construction. Work is underway and project is scheduled for completion in June, 2020.

4. Wichita Art Museum Air Handler Replacement: Project is underway and scheduled to be completed in April/May of 2020. Waldinger Corp.

6. WPD East Police Station: GLMV was selected as design firm and entered into contract in December of ’19. Design/Development stage underway and will enter into a CMAR type agreement with construction team upon completion of 50% design.

7. WPD SWAT Parking Structure: Parking structure for SWAT fleet vehicles will be constructed as an expansion to existing parking bays at Rounds and Porter building. Currently in design by L/K Architecture, construction to begin spring 2020.

City Contact: Jeff Myers (268-4406 / jmyers@wichita.gov)
