NOTES

Lot 499 - Potter's Field in which county burials are made in an area about forty feet in width north of Section III and parallel to Section III, extending from the north and south, East cemetery road (running parallel to Hillside) a distance of 208 1/2 feet. The northwest corner is marked by a stone set where the hedge fence once formed the original boundary of the cemetery. This is about 60 feet west of Tucker stone and 6 feet southwest of Mary E. Watson stone.

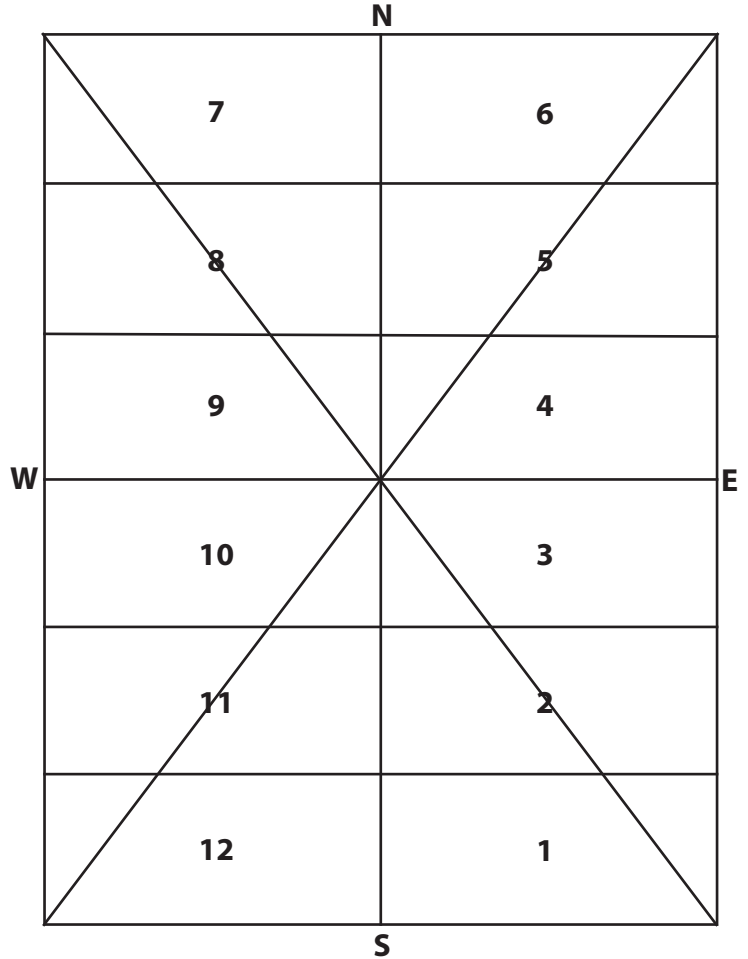

There are no stones in Lot 499.

NOTES

Lot 500 - Potter's Field in which county burials are made starts at stone, location of which is given in LOT 499. It extends west to the west line of the cemetery. Burials have been made as far west as the fence line running north and south between the cemetery and private property to the west and just a little west of outside rest room. I found no stones in Block 500.

NOTES

LOT 501 - Potter's Field in which county burials are made in an area located in the northwest corner of Section 4 described as follows: Beginning at northwest corner of Blk. 450, east to northeast corner of Blk. 377, south to southeast corner of Blk. 375, west to southwest corner of Blk. 452, thence north to point of beginning consisting of 17 blocks and reserve of original plat. All walks crossing said tract east and west and north and south have been vacated by Resolution of Trustees so said tract is platted as one Block, 72x120 feet and is to be used for county burials.

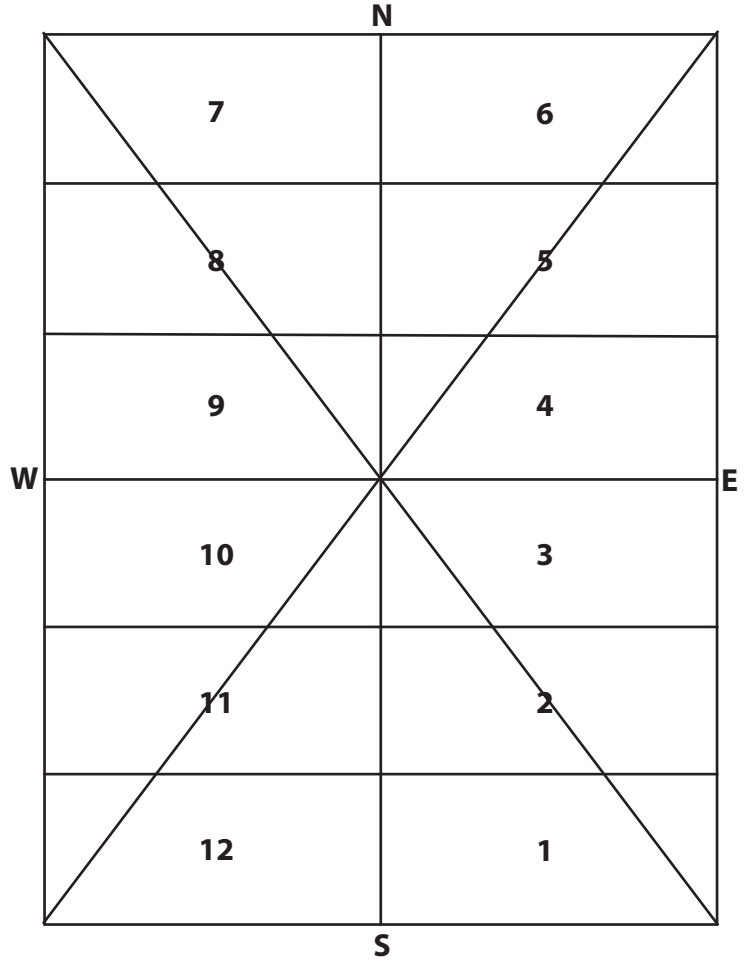

I found no stones in Blk. 501

NOTES

LOT 502 - Potter's Field in which county burials are made in an area located in the northwest part of Section 4 described as follows:
Beginning southeast corner Block 304 thence north to northeast corner Blk. 305 thence north to northeast corner of Blk. 377, thence south to southeast corner of Blk. 375, thence east to southeast corner of Blk. 339, thence north to southeast corner of Blk. 340, thence east to point of beginning.

I found only 2 stones in Block 502 - it was places #192 and #234.
