

# Construction – Old Town Cinema Garage Speed Bumps

Updated: 7/20/2017

The City of Wichita has contracted with Wildcat Construction to install speed bumps on the 2<sup>nd</sup> and 3<sup>rd</sup> floor of the Old Town Cinema Garage near 2<sup>nd</sup> Street and the railroad corridor.

## Parking Impacts

The construction area on the south end of the 2<sup>nd</sup> floor of the garage will be marked off-limits, and so will the area above the ramp from the 2<sup>nd</sup> floor to the 3<sup>rd</sup> floor. Please see the attached graphic for more information.

## Schedule and Locations

It is anticipated that the speed bumps will be installed the week of July 23<sup>rd</sup>.

## Background

The speed bumps are being installed in response to public input concerning speeding and drifting in the garage. Public input opportunities included the May 2017 open house event and online survey.

## Contact Information

Please contact Scott Wadle at the City of Wichita with any questions about the project.
