Media Advisory WPD Property and Evidence Section Reopening

The Wichita Police Department (WPD) Property and Evidence (P & E) Facility at 410 N. Waco is opening to the public on Monday with guidelines.

The guidelines are in place to provide safety to WPD staff and the community, amid the COVID-19 pandemic.

The P & E facility will be open Monday through Friday from 7 a.m. to 4 p.m. The following safety guidelines will be in place until further notice:

- Citizens are to maintain a 6' foot social distance from others;
- Only three customers will be allowed in the lobby at one time;
- No extra guests are allowed to be with customers inside of the lobby; and
- If the lobby is full, citizens will be required to wait outside to enter while maintaining social distancing.

WPD P & E staff will be working diligently to help citizens quickly as possible. Having your case number and photo identification available will help speed the process. Also, try to arrive early as the facility closes at 4 p.m., and there is a limited number of citizens allowed in the lobby at a time.
